Resolution F2010.2

Formalizing the position and release time for the SCC Honors Coordinator and Honors Counselor

Moved: Nooshan Shekarabi
Seconded: Joyce Wagner

Whereas the Honors Program is an academic program which directly serves students who deserve to have a quality program,

Whereas the Honors Program functions as an academic department with curriculum and faculty tied to it,

Whereas the LHE for department chairs is negotiated by FARSCCD,

Whereas the Honors Program Coordinator and Honors Counselor function as chairs of the Program with many duties comparable to department chairs,

Whereas TAP membership, which is an important transfer service to our students, specifically requires an "Instructional Faculty Coordinator to oversee the program, be a liaison to UCLA, and serve as member of the UCLA TAP Council,"

Whereas the Honors Advisory Committee agreed to only a two-year coverage without an Honors Coordinator and we are in midst of the second year,

Whereas the Honors Counselor performs vital duties that have yet to be compensated adequately,

Whereas the Honors Program has the ability to become one of our Signature Programs,

Whereas the humanities building under construction has designated Honors Program space, including Honors classrooms, seminar rooms, and office space for the Honors Coordinator and Honors Counselor,

Whereas having release time dictated by administration leaves the Honors program more vulnerable than other academic programs in time of budget difficulties,

Therefore Be It Resolved that the SCC Academic Senate request to FARSCCD that it negotiate into the contract reassign time per semester for the SCC Honors Coordinator and reassign time for the SCC Honors Counselor.

Date Presented to the Senate 19 October 2010

Date Passed 19 October 2010

Santiago Canyon College (SCC) is a diverse learning community dedicated to intellectual and personal growth. Our purpose is to foster a learning environment that helps students develop knowledge and understanding, critical thinking, sound decision making, cultural awareness, effective communication skills, and a commitment to local and global citizenship.

Santiago Canyon College offers a comprehensive curriculum that includes university transfer, associate degree and certificate programs. In addition, we provide community services, career education, continuing education, high school diploma program, basic skills development, and a range of support services for full and part-time students, including those with family and career responsibilities. At SCC we encourage students to plan, implement, and evaluate their educational progress through meaningful reflections and interaction with both the college and community.
