Statistics	MATH 219/SOC 219 4 units Area E2 3 units	Area B4 3 units	3 units	Area 2A 3 units	2.7 units

***SCC Advanced Placement Policies**

The AP exams listed above may be applied for course and unit credit toward the Santiago Canyon College associate degree requirements.

****CSU Advanced Placement Policies**

The AP exams listed above may be incorporated into certification of CSU General Education-breadth requirements. All CSU campuses will accept the minimum units shown if the examination is included in full or subject area certification; individual CSU campuses may choose to accept more units than those specified towards completion of general education breadth requirements. The CSU Minimum Semester Admission unit column reflects what each campus system wide will minimally accept toward CSU admission. Students are strongly advised to check with an SCC counselor when using AP credit for CSU admission or for major requirements. +This examination only partially fulfills the CSU American Institutions graduation requirement but can be used toward the requirement.

*****UC Advanced Placement Policies**

Each AP exam may be applied to one IGETC area, as satisfying one course requirement, with the exception of LOTE. The final column reflects what the University of California will award per AP exam for admission to any UC campus. Students using an AP exam for a requirement other than general education, such as major preparation, are strongly advised to check with an SCC counselor and/or the Admissions Office of the UC transfer campus to determine how the AP exam will be used to meet major and graduation requirements.
