Area E: Language and Rationality			
6 UNITS ARE REQUIRED			
Select <b>ONE</b> course from E1 and <b>ONE</b> course from E2.			
E1 ENGLISH COMPOSITION	C	IP	N
English 101/101H with a grade of C or better.			
E2 COMMUNICATION/ANALYTICAL THINKING	C	IP	N
Communication 101, 110*, 111* Computer Science 100*, 105, 111 Counseling 144 English 103/103H *Mathematics 080, 105, 140, 145, 150, 160, 170, 180/180H, 185, 217, 219/219H, 270, 275, 280, 287, 290, 295 Philosophy 110, 111, 144 Reading 102, 150 Social Science 219/219H  * Meets a required Proficiency			
Area F: Lifelong Understanding and Self-Development			
3 UNITS ARE REQUIRED			
Select <b>ONE</b> course from F1 and <b>ONE</b> course from F2. Only one unit can be counted from F2 to satisfy Area F.			
	C	IP	N
<b>F1</b> Business 130 Communication 102 Counseling 101, 113, 116, 120, 125 Exercise Science 100, 102, 110, 111, 112 Human Development 102 Interdisciplinary Studies 111, 155 Library & Information Studies 100 Mathematics 030 Nutrition & Food 115 Philosophy 111 Psychology 230 Reading 097 Sociology 112			
<b>F2</b> Exercise Science 113-289 (excluding 275, 285)			
Proficiencies: Must be completed with a grade of "C" or better			
<b>G1</b> Math			
<b>G2</b> Reading			
<b>G3</b> Oral Communication			
<b>G4</b> Computer Skills and Applications  (see reverse side for details)			

## Plan A General Education and Associate Degree Requirements

### **General Education Requirements**

Students must complete **24 units of general education** to receive an Associate of Arts degree from Santiago Canyon College. This must include a minimum of one course in General Education Areas A-F. A minimum of 21 units must be completed in Areas A-E. Students completing the Liberal Arts major may use a course to satisfy both a major and a general education requirement. For those students completing other majors, a course may be used to satisfy a major requirement and meet a general education category requirement (A-E). The units, however, can not be counted in both areas. Therefore, an additional course from categories A-E must be used to meet the total units necessary for the general education requirement. Courses from the major may not be used to satisfy Area F.

Completion of the California State University general education requirements, CSU-GE/Plan B, or the University of California Intersegmental General Education Transfer Curriculum/Plan C will also fulfill the general education requirements for a Santiago Canyon College Associate Degree. Students may also satisfy the Plan A General Education requirements by submitting an official transcript of a Bachelor's degree from an accredited institution, or submitting transcripts that show completion of an Associate's degree from an accredited California institution within 10 years of completing all major requirements at Santiago Canyon College. Official transcripts from all colleges and universities attended must be submitted.

### **Associate Degree Requirements**

#### **Unit, Residency and Major requirements**

Students must complete a minimum of 60 units with an overall grade point average of 2.0. **At least 12 units must be earned at Santiago Canyon College** and at least 6 units must be completed in courses required for the student's designated major. Students must complete courses for the major (a minimum of 18 units) with a letter grade of C or better. A limit of 15 units taken on a pass/no pass basis will be applied toward the degree.

#### **Required Proficiencies: Mathematics, Reading, Oral Communication, Computer Skills and Applications**

**May** be used to satisfy a General Education requirement; **Must** be completed with a letter grade of "C" or better.

#### **Mathematics** (graduation petition code **G-1**)

Completion of Math 080 or any 3 unit math course numbered above 080, with a letter grade of "C" or better; or Placement in an SCC math course above the level of 080 as determined by the SCC math placement test.

#### **Reading** (graduation petition code **G-2**)

Score of 21 or above on the CTEP assessment **or** score of 10th grade proficiency (12th grade for Nursing majors) on the Nelson Denny reading assessment; **or** successful completion of any reading course numbered 100 or above; **or** Completion of 3 units with a letter grade of "C" or better in General Education areas A, B1 **and** B2.

#### **Oral Communication** (graduation petition code **G-3**)

Completion of 3 units with a letter grade of "C" or better in one of the following:  
COMM 100, 100H, 101, 110, 111 or 134

#### **Computer Skills and Applications** (graduation petition code **G-4**)

Complete the Human Development major; or one of the following courses with a letter grade of "C" or better: BUS 150, CIS 101, CMPR 100. Students may meet this proficiency through a Credit by Examination. See a counselor for more details.

### **Catalog Rights**

Students who attend Santiago Canyon College at least one semester per year (fall, spring, summer or intersession) continuously may choose catalog rights pertaining to graduation, major and general education requirements for the first year of attendance or any subsequent year of attendance. If there is a gap in continuous attendance, students must use the catalog requirements for the year of readmission or for a year of subsequent continuous enrollment.

### **Petition for Graduation**

Petitions must be filed in the Office of Admissions and Records one semester before the expected graduation date, or by the semester deadline listed in the class schedule or found on the Admissions page at [www.scccollege.edu](http://www.scccollege.edu).

### **What if I have a mixture of quarter and semester unit courses, how is this calculated for certification?**

It will be calculated to the student's advantage per Area, using either semester or quarter units. To convert semester units to quarter units multiply the semester units by 1.5. To convert quarter units to semester units, divide the quarter units by 1.5.
