

## Welcome **Santiago Canyon College** Students!

**MyMathTest** is a dynamic, interactive testing program. Access to the MyMathTest program has been provided for you by **Santiago Canyon College**.

### Before You Begin:

To register for MyMathTest you will need:

- A MyMathLab student access code: **WSSMMT-PRANK-FOLIC-PLUMB-SPEIR-CAIRD**
- Your school's zip code: **92869**
- A valid email address

### Student Registration:

- Go to [www.mymathtest.com](http://www.mymathtest.com) and click the **Register** button under "First Time User"
- Please read all information in the License Agreement and Privacy Policy. Click on **Accept** if you agree to the terms.
- Follow the instructions on the screen to create your personal login and password.
- Type in your student access code using the tab key to move from one box to the next.
- Enter your first and last name and email address. Re-type your email address to make sure it is correct.
- Select United States from the School Country drop-down menu.
- Enter your school zip code (**92869**), and select **Santiago Canyon College** from the school name drop-down list.
- Select a security question and answer to ensure the privacy of your account.
- When your registration process is complete you will see a confirmation screen. This information will also be emailed to you. Please be sure to save or print your login name, password, and account information.
- Click **Log In Now** and then click on **Enter MyMathTest** to begin.

### Logging In:

- Go to [www.mymathtest.com](http://www.mymathtest.com) and enter the login name and password you created. Click on Enter MyMathTest.
- The first time you log in you need to enroll in one of the **Santiago Canyon College** MyMathTest programs.
- Type in the appropriate program ID from the list below:
  - Santiago Canyon College Math Placement Levels I and II - [XL0I-117R-301Y-1EV2](#)
  - Santiago Canyon College Math Placement Levels III and IV - [XL0I-117S-301Y-3EW2](#)
- The program opens to the announcements page, please review all program information.
- If you are using your home computer **run the Browser Check**. It will detect and then help you install the plug-ins you need to access the math exercises and multimedia content in your MyMathTest program. Follow the screen instructions to complete this process.
- MyMathTest supports PC and Mac computers, using Internet Explorer, Firefox, and Safari.
- After completing the installation process and closing the wizard you will be back on your program home page.
- *NOTE: The MyMathTest software may already be installed on student lab computers at your school. If you aren't sure, check with your lab administrator.*
- Be sure to work the 8 **Student Orientation** exercises found in your study plan before starting your assessment. These exercises show you how to enter your answers using the math tool palette.

**Need help?** Contact Technical Support at [www.mymathtest.com/support/contactus\\_stu.htm](http://www.mymathtest.com/support/contactus_stu.htm) for live CHAT, email or phone support. For online help using MyMathTest, click the **Help** link at the top right of the MyMathTest window.
