

## Survey of Graduates - AA Liberal Arts (Arts, Humanities & Communication)

### INTRODUCTION

**Congratulations on your recent award of an Associate degree in Liberal Arts from Santiago Canyon College! Thank you for taking the time to complete this brief survey.**

**The purpose of this self-assessment is to allow SCC to better meet the needs of its students by seeking out opinions of recent SCC graduates; your honesty is appreciated as your answers will provide important and valuable feedback for the purpose of improving the Liberal Arts program.**

**Starting on the next page, this survey will ask you to rate your abilities and knowledge related to the Student Learning Outcomes listed below before you attended SCC and after you completed your degree at SCC.**

**Your responses will remain anonymous and confidential.**

***Students who receive the AA Liberal Arts Degree in Arts, Humanities and Communication will:***

- 1. Think critically in terms of constructing arguments and presenting evidence to support their views through oral, artistic and written communication.*
- 2. Understand and articulate how culture, society and diversity shape the role of the individual within society and human relations across cultures and disciplines.*
