## Art, B.A. - Art History Concentration

### ART HISTORY CONCENTRATION

The Bachelor of Arts degree offers concentrations in Art History, General Studio Art and Teaching. The program objectives are to provide correlative experiences, information and theory.

In addition to the requirements listed below for the major, students must meet the other university requirements for a Bachelor of Arts degree. Students in the Teaching Concentration must also meet specific requirements for the desired teaching credential.

To earn a Bachelor of Arts in Art students must achieve a "C" (2.0) or better in all art courses required for the degree.

The Art History concentration emphasizes art history, theory and appreciation, and is particularly recommended for students who wish to pursue graduate studies in art history or museum studies.
