Distance Education Addendum

1. Is the method of delivery 100%online or hybrid? Please select one.

2. Title 5 (55204) states that “Any portion of a course conducted through distance education includes regular effective contact between instructor and students, through group or individual meetings, orientation and review sessions, supplemental seminar or study sessions, field trips, library workshops, telephone contact, correspondence, voice mail, e-mail, or other activities.” Describe/give examples of the methods of instruction which will be used in the hybrid/online course. Please include how the methods of instruction used in the traditional classroom will be modified and/or replaced in the hybrid/online classroom. How will these methods ensure that you will maintain regular effective contact with the students?

3. Describe how you will promote and monitor effective student-to-student contact.

4. Describe and give examples of how student learning will be evaluated.

5. List any special texts, equipment, or supplies needed for this course or sections of this course being offered through distance education.

6. Describe the college resources that will be required by you and your students (facilities, technology, student support services) for this course.

7. Section 55200 of title 5 states “In addition, instruction provided as distance education is subject to the requirements that may be imposed by the Americans with Disabilities Act (42 U.S.C. §12100 et seq.) and section 508 of the Rehabilitation Act of 1973, as amended, (29 U.S.C. §794d).” What technologies will you be using for instruction (video, flash, images, etc)? How will you ensure that instruction using these technologies is accessible to students with disabilities?
