SCC CURRICULUM AND INSTRUCTION COUNCIL (CIC)

COLLEGE MISSION STATEMENT

Santiago Canyon College is an innovative learning community dedicated to intellectual and personal growth. Our purpose is to foster student success and to help students achieve these core outcomes: to learn, act, communicate and think critically. We are committed to maintaining standards of excellence and providing an accessible, a transferable, and an engaging education to a diverse community.

SCC CIC MISSION STATEMENT

The Curriculum and Instruction Council fulfills the state-mandated role of certifying the academic integrity of all credit and non-credit classes and programs. It is founded on a joint agreement between the Academic Senate and the Board of Trustees to rely primarily on the advice of the Academic Senate with regard to curriculum; for example, establishing prerequisites, degree and certificate requirements, and grading policies. The Council is also part of the college and district collegial governance framework and provides a forum for students, staff, and faculty to participate in formulating curricular, instructional, and academic policy.
