

STUDENT LIFE AND LEADERSHIP

Student Activities

Alumni Network

The SCC Alumni Network was founded to promote and facilitate a lifelong relationship between SCC and its former students and to encourage ongoing alumni support for the college. Former students qualify for membership in the Network if they have completed at least nine units of academic coursework at SCC.

A robust alumni network is a vital link to SCC's past and an important factor in building the reputation and financial health of the college. The network is also a resource for SCC alumni seeking to build their professional networks, become involved on campus, or just have fun and reconnect with fellow Hawks.

The list of benefits of being an SCC alumnus continues to grow. For more information, go to sccollege.edu/alumni or email alumni@sccollege.edu.

Associated Student Government (ASG)

The Associated Student Government was established to provide students with government and leadership experience. Opportunities are available to become involved in campus and statewide committees and councils as student representatives. In ASG, students learn firsthand about group dynamics and decision making, program planning, and running effective meetings. Additionally, there are many student clubs and organizations to join. For more information please visit www.sccollege.edu/studentlife or call 714-628-4913.

Student Clubs and Organizations

The Inter-Club Council (ICC) represents all active student clubs and organizations on campus to promote leadership development, networking, communication skills and campus life. For a list of current student clubs and organizations, please visit www.sccollege.edu/studentlife. To form a new student club, please call 714-628-4917.

Student Life and Leadership

The office of Student Life and Leadership promotes and supports students' co-curricular interests and provides excellent opportunities through the Student Leadership Institute (SLI), the Associated Student Government (ASG), Inter-Club Council and student organizations. The office also provides a variety of services to students, faculty, and staff through assistance with student-focused event planning. For more information, please call 714-628-4912 or visit A-206.

Cafeteria/Student Lounge

The cafeteria/student lounge, known as the Hawk's Perch, offers snacks and daily specials.

The Perch is open Monday–Thursday (fall and spring) from 7:00a.m.–9:00p.m. and Fridays from 8:00a.m.–12:00p.m. The Hawk's Perch is located in T-100. More information can be found as sccollege.edu/hawksperch. For summer hours, please contact the Hawks' Perch.

Academic Competitions

Forensics

Forensics is more commonly known as competitive speech and debate. The SCC Forensics team was one of the first signature programs to be offered when the college was first accredited. Members of the team travel to local tournaments on select weekends and perform persuasive speeches, debates, impromptu, poetry, drama, and many more. This co-curricular activity provides students with an excellent opportunity to stand out on transfer and job applications. Forensics teaches skills that are useful in any industry, but are particularly well-suited for students that are seeking careers in broadcasting, law, politics, and public relations. The team is open to all students, and students with no prior experience compete against other beginners at their first tournaments. For more information, contact Jared Kubicka-Miller at miller_jared@sccollege.edu.

Model United Nations

Model United Nations offers students the unique opportunity to take knowledge learned in the classroom and apply it to authentic simulations of the United Nations. Students can do so by enrolling in Political Science 150 or 250 where they will prepare for and participate in academic MUN conferences. Through these co-curricular courses, students learn about global politics by conducting research, solving problems, delivering speeches, and engaging in multilateral diplomacy. The SCC MUN program has a storied tradition of excellence and is one of the premier college programs in the country. More importantly, the SCC MUN program helps place students on a path towards personal and professional success by focusing on leadership and practical skills. As one of SCC's signature programs, students are encouraged to take full advantage of MUN during their time here. For more information, contact Cale Crammer at Crammer_Cale@sccollege.edu.

Intercollegiate Athletics

Santiago Canyon College, home of the Hawks, is proud of its athletic teams and their rich athletic history. The college has fielded teams since 1999 and now offers competitive opportunities for student athletes in eight sports: men's and women's cross country, men's and women's soccer, men's basketball, softball, and men's and women's volleyball.

The Hawks compete in the highly competitive Orange Empire Conference (OEC) under the auspices of the California Community College Athletics Association. SCC's outstanding coaching and teaching staff, combined with an excellent system of academic assistance, has helped eligible students transfer to four-year colleges and universities.

2012 saw the opening of the new athletics and aquatics complex at Santiago Canyon College. The facility includes a fully equipped fitness center, strength lab, aerobics studio, men's and women's locker rooms, athletic training facilities, three indoor courts, a swimming pool and administrative offices.

All prospective student-athletes with questions about eligibility should contact the Director of Athletics at 714-628-4816.

SCC Athletic Achievements

Cross-Country

Top-10 National Rank (Team):
2003 Men's Cross Country (#8)
