| Important Information | | | |
| <ul style="list-style-type: none"> *Courses with an asterisk may be listed in more than one area but will not be certified in more than one area. A course with the code (F') indicates the year a course was approved in the designated general education area. Certification is not a CSU admission requirement. Requirements are subject to change. Please work with an SCC counselor to develop an educational plan that includes major preparation. **Courses taken at regionally accredited colleges or universities that are not part of the California Community College system can meet general education requirements on the CSU GE/Plan B. Approval of CSU general education placement is done by the Articulation Officer via the "Pass Along" review process, see page 44 of the SCC Catalog for more details. @ - Grades of "C-" can be used to meet CSU GE Areas A1, A2, A3, and B4 for CSU admissions. However, if the course double counts as a general education and major requirement, a "C" or better grade is recommended for certification. | | | |
