# SUCCESS CHECKLIST

## Before an Academic Planning & Registration Workshop: Have You Completed These Items?

- I have received course recommendations for English, reading and/or math. If required to complete Guided Self-Placement, I have done so, and I have received my placement recommendations.
- I requested all college transcripts from my previous institution(s) be sent to:  
Santiago Canyon College, Admissions & Records  
8045 E. Chapman Ave, Orange, CA 92869
- I have made sure my personal information is up to date with SCC, including my correct mailing address, phone number(s) and email address(es).
- My major/program of study is correct in the SCC system. Contact Admissions to make changes (Building E, 1st floor).
- If I am a person with a disability; I have applied to the Disabled Students Programs and Services.
- If my GPA is 3.0 or above, I know how to apply to the Honors Program.

## Putting It All Together: Is Your Life Ready For College?

- I have adjusted my personal budget to allow for school-related expenses such as tuition, books, supplies, extra daycare and other unexpected things that may come up.
- I've made adjustments to my work schedule, so I have time to attend classes and study.
- I've planned my days and weeks to allow enough time for classes, studying, work, and other obligations.
- I have reliable transportation to and from school.
- I have reliable daycare for my children and if that falls through, I have a backup plan.
- The people close to me know I'm a college student and will support me as they are able.
- I know where I can access a computer.
- I have basic computer skills, including knowing how to use email, attach documents in email, use the Internet and type a paper.
- I have my supplies ready for the first day of classes—pens, notebooks, binders, flash drive, etc.

## Getting Ready To Be A SCC Student

# GLOSSARY OF COLLEGE TERMS

---

## **Advanced Placement**

An examination program through which students who score 3 or higher may be awarded credit toward graduation or credit toward general education requirements. See the SCC catalog for details.

## **Articulation Agreement**

A written agreement that lists courses at one college that are equivalent or comparable to courses at another college.

## **Associate Degree**

A degree granted by community colleges upon completion of 60 units of college work, including general education, major requirements and electives.

## **Catalog**

A book published by a college describing all the courses, majors, certificates and degrees offered by the college, and information on the college's academic policies and procedures. The SCC catalog is available for purchase at the bookstore or available free online at [sccollege.edu](http://sccollege.edu).

## **Certificate**

An occupational certificate is granted upon completion of a prescribed list of courses in an occupational field.

## **Certification**

Official notification from Santiago Canyon College that a student transferring to a California State University (CSU) campus or a University of California (UC) campus has completed a pattern of courses fulfilling lower-division general education requirements. Students must request that the Admissions Office at their community college indicate completion on their transcripts.

## **CSU-GE / Plan B**

A pattern of courses offered at Santiago Canyon College that fulfills lower-division general education requirements at a California State University (CSU) campus.

## **Full-time Student**

A student taking 12 or more units in one semester during Fall/Spring semester or 6 units or more during Intersession/Summer session.

## **General Education Requirements**

A group of courses, in varied areas of the arts and sciences, designated by a college as one of the requirements for a degree.

## **Grade Point Average (GPA)**

(see page 23 for steps to compute GPA)

A measure of academic achievement obtained by dividing a student's total grade points by the number of units completed.

## **IGETC / Plan C**

A pattern of courses offered at Santiago Canyon College that fulfills lower-division general education requirements for either the UC or CSU system.

## **Lower-Division Courses**

Courses at the freshman or sophomore level of college. Only lower-division courses are offered at community colleges.

## **Major**

A planned series of courses in one particular field designed to develop special skills or expertise.

## **Matriculation**

A process including admissions, placement recommendation, orientation, advisement, and follow-up.

## **Orientation/Advisement**

A group-counseling session for new students to explain college programs and services and plan a first-semester schedule.

## **Placement Recommendations**

Course recommendations in Reading, English, ACE/ESL and/or Mathematics that are based on high school performance or Guided Self-Placement.

## **Prerequisite**

A requirement that must be met before enrolling in a particular course.

## **Academic Probation**

A student's academic standing is calculated and reviewed at the end of fall and spring semesters, based only on the SCC/SAC cumulative grade point average (GPA). After attempting 12 units or more, a student is placed on academic probation when the cumulative GPA for all SCC/SAC coursework falls below 2.0.

Students placed on academic probation for the first time (A1) are required to complete a counseling intervention workshop. An email notification is sent to the student and a registration hold is placed on the student record until the completion of the workshop.

Students who are on academic probation for two consecutive semesters (A2) will lose priority registration for the next registration term. Students who are on academic probation for two consecutive semesters (A2) will also lose California College Promise Grant eligibility. A student shall be removed from academic probation when the cumulative GPA for SCC/SAC courses is 2.0 or better.

## **Residency**

To be classified as a legal resident of California, an individual must be a United States (U.S.) citizen or hold a U.S. Immigration status that does not preclude them from establishing residency. Under California law, you may be considered a resident if you have both:

- Lived in California continuously for at least one year and one day before the semester begins, and
- Proved you intended to make California your new permanent home of residence.

## **Semester**

Approximately 16 weeks of instruction offered two times a year, during the fall and spring.

## **Transcript**

A list of all courses taken at a college or university showing the final grade received for each course. Official transcripts bear a seal of the college and signature of a designated college official and are sent directly from one institution to another. RSCCD transcripts can be obtained at the Admissions and Records Office at SCC, by student request only. Unofficial copies can be obtained from the college's website.

For more information, visit [www.sccollege.edu/transcripts](http://www.sccollege.edu/transcripts)

## **Transfer Courses**

Courses from a university or college which are accepted by four-year colleges and universities. Acceptance of SCC courses will vary by transfer institution. All courses at SCC that are numbered 100 and above will transfer to any CSU campus. Most courses numbered 100 and above will transfer to any UC campus. For a specific listing of courses that transfer to a UC campus please refer to the UC Transfer Course Agreement in the SCC catalog, obtain a copy of this agreement in the Transfer Success Center or visit [Assist.org](http://Assist.org). Please see a counselor for information regarding which courses will transfer to private four-year universities.

## **Unit**

The measure of college credit assigned to a course, usually on the basis of one unit for each lecture hour per week or one unit for every two to three laboratory hours per week.

## **Withdrawal**

Students may officially withdraw from classes through the last day of the 12th week of instruction of a full semester class. Students have an obligation to withdraw officially and can do so online.

# FINANCIAL AID AND SCHOLARSHIP

---

## WHAT IS FINANCIAL AID AND HOW DO I APPLY?

Financial Aid funds come from the federal government and State of California. Programs consist of grants, work study and loans. To apply, you must complete the FAFSA application online. If you apply online, you must create a FSA ID first. If you are considered dependent, a parent must create a FSA ID too. The FSA ID website is [fsaid.ed.gov](http://fsaid.ed.gov), Application worksheets to help a student apply online are available in the Financial Aid Office at Santiago Canyon College Building E, Room 104 and they are also available in the Admissions & Records lobby. The free FAFSA website is [fafsa.ed.gov](http://fafsa.ed.gov). If you are asked for a credit card payment, you have the wrong website. Undocumented students with AB 540 status may apply for Cal Grants or a California College Promise Grant via the Dream Act application. Please go to [csac.ca.gov](http://csac.ca.gov) to complete a Dream Act application.

**The state Cal Grant application deadlines are March 2nd and September 2nd, each year.** The Cal Grant GPA Verification form is available in the Financial Aid Office. You must file a FAFSA by the Cal Grant deadline in order to be evaluated. You must also be a California resident. SCC will submit the GPA to the California Student Aid Commission for transfer entitlement consideration for all eligible students who complete 24+ units. Incoming freshman must have their high school submit their GPA. Dream Act students are not eligible for the September deadline. The September deadline is designated for students attending a California Community College.

When you apply, use the **Santiago Canyon College federal school code: 036957**. Once you apply, it will take a few weeks for the colleges you listed to send you additional documents to complete and turn into the Financial Aid Office so that your eligibility can be determined for various financial aid programs. You must be a citizen or eligible non-citizen to qualify for federal aid. Students can check their status on WebAdvisor.

## CALIFORNIA COLLEGE PROMISE GRANT (CCPG)

Formally known as the BOG Waiver. As soon as your FAFSA or Dream Act Application is processed, the Financial Aid Office will determine if you are eligible for a fee waiver. If qualified, you will have the enrollment fee waived. If you do not complete a FAFSA or Dream Act, you may also apply for a fee waiver by completing the CCPG application on paper or online. This application is for low income students, children of Veterans or for students and families receiving some type of government aid. Beginning the Fall 2016 Semester, students must meet the CCPG Academic and Progress Standards to remain eligible for the waiver.

**Please note:** Some students may be independent on the CCPG application but dependent on the FAFSA.

## WHAT PROGRAMS ARE AVAILABLE AND HOW MUCH FINANCIAL AID CAN I RECEIVE?

Each award is different depending upon the family need and the income and resources of the previous calendar year. There are special circumstances in which the current calendar years resources can be used.

### FINANCIAL AID PROGRAMS

- Federal Pell Grant maximum award \$6,195 (currently). Awarded to students for up to 12 full-time semesters or six years as an undergraduate.
- Federal SEOG for "Priority" students who have a 0 EFC.
- Federal Work Study - Employment on campus for "Priority" students with a low EFC.
- Chafee Grant for former foster youth - \$5,000 per year.
- Cal Grant A, B and C – Cal Grants B and C are for community college students.  
Maximum Cal Grant B \$1,672. Maximum Cal Grant C \$1,094.
- Student Success Completion Grant (SSCG): Cal Grant B & C Eligible Students who are attending Full-Time (12+ units) may also be eligible to receive SSCG up to \$4,000.00 per academic year, sponsored by the California Community College Chancellor's Office.
- There are different types of loans. Students should use great caution in accepting loans. Available loans include: The Direct Subsidized and Unsubsidized Loans and the PLUS Loan for parents.

## WHAT IS THE DIFFERENCE: GRANTS, WORK STUDY, AND LOANS?

- Grants:** Money you do not have to pay back if a student remains in classes and maintains satisfactory academic progress.
- Work Study:** On-campus job in which you are paid for the number of hours you work. Contact On-campus Placement Office located at Building E, Room E-106.
- Federal Loans:** You must repay all loans with interest.

## WHAT ARE SCHOLARSHIPS AND HOW DO I APPLY?

Scholarships are awards provided by independent donors and the Foundation Office to SCC students based on Scholarship Program criteria such as grades, major, transfer or occupational goal, financial need, leadership and campus involvement. The SCC **Applications are available in January and are due in March**. For information contact the SCC Scholarship Program Office at 714-628-4702, Building A, Room 210 or see the website at [scccollege.edu/student-services/scholarships](http://scccollege.edu/student-services/scholarships). Students who are currently enrolled at SCC may apply for scholarship awards that are based on a variety of criteria established by scholarship donors.

## IF YOU HAVEN'T DECIDED ON A MAJOR OR CAREER, THEN...

1. **Decide how many units you want to take.** (See *Guidelines on How Many Units to Take*, page 10)

2. **Select courses from the areas listed below:**

- English or ACE (American College English)
- Communication
- Mathematics
- Reading

3. **Counseling classes**

Course Applicability	Counseling 101	Counseling 116
CSU General Education (Area E)	X	X
CSU Transfer Elective		
UC Transfer Elective/Transfer Course Agreement	X	X
SCC Associate Degree General Education (Area F1)	X	X

Counseling 101: Educational, Personal, Cultural and Career Exploration ..... (3 units)  
 Counseling 116: Career/Life Planning and Personal Exploration ..... (3 units)

**NOTE:** See current class schedule for other courses offered by the Counseling Department.

- **General education requirements for an associate degree or transfer to a university**  
 (See *Plan A, B, or C* for specific course requirements. The plans are available in the Counseling Department, the Transfer Success Center, the College Catalog and on the website at [sccollege.edu](http://sccollege.edu))
- **Introductory courses in a career or occupational area of interest to you**  
 Courses such as art, accounting, business, gemology, marketing, surveying and mapping, real estate, and water utility science are examples.
- **Courses of personal interest to you**  
 Business, computer science, music, art, and kinesiology courses such as yoga, golf, fitness, nutrition and food are examples.

- Assistance with career research
- "Speakers Connecting Careers" Lecture Series

5. **After the semester begins, make an appointment with a counselor.**

Plan to do some semester-by-semester and long-range academic and career planning. For a personal appointment with a counselor of your choice, call or stop by:

- Santiago Canyon College Counseling Center, Building D, Room 106, 714-628-4800

# GUIDELINES ON HOW MANY UNITS TO TAKE

## WHAT IS A UNIT?

A unit is the amount of credit you earn for a course. This varies from course to course. College work is measured in terms of the "credit unit." In a one-unit lecture course a college unit is normally defined as one hour of lecture per week for a semester-length course.

## HOW MANY UNITS SHOULD YOU TAKE?

In deciding how many units to take each semester, it is important that you plan time for attending classes, reading, studying, completing homework, and working.

**For every hour of classroom time, allow two hours of outside homework time:**

3-unit class = 3 hours classroom time  
 + 6 hours homework/outside study/assignments (2 hours for every hour in class)  
 -----  
 9 hours total time for a 3-unit class

Full-time load: 12 Semester Units = 36 total hours each week for a full semester  
 (12 hours in class each week + 24 hours study outside class each week)

If you plan to work while going to college, consider the following guidelines:

If you work	consider taking no more than
40 hours a week	6 units
30 hours a week	9 units
20 hours a week	12 units
5-15 hours a week	14-16 units

To be a full-time student	Take at least 12 units
For athletic eligibility	Take at least 12 units
For full financial aid benefits and/or EOPS	Take at least 12 units
For Veterans	take at least 12 units Full benefits = 12 units 3/4 benefits = 9 units 1/2 benefits = 6 units

# PLACEMENT RECOMMENDATIONS AND GUIDED SELF-PLACEMENT

## English, Math and/or Reading Placement

If you are planning to enroll in English, math and/or reading courses, your High school performance and/or Guided Self-Placement will be used to provide you with course recommendations.

### First Steps:

1. New students must first apply to the college.
2. English, math and/or reading course placement recommendation will be based on either High School Performance or Guided Self-Placement.

For a detailed explanation, please continue reading below.

### Course Placement Recommendations Based on High School Performance:

If you have attended or graduated high school within the last ten (10) years, SCC will use information you entered on your college application pertaining to your high school non-weighted grade point average (GPA), completion of high school coursework and grades to generate recommendations for English, math and reading courses. After applying to SCC, you will receive an e-mail within 3-5 business days (excluding weekends and holidays) with course recommendations for English, math and reading based on your high school performance. If you have questions about your English, math and reading placement recommendations, please visit the Counseling Center in room D-106.

### Course Placement Recommendations Based on Guided Self-Placement:

If you have been out of high school for more than ten (10) years or fall into other circumstances where the high school performance method cannot be applied, you will need to complete the Guided Self-Placement process. The Guided Self-Placement tool for English, math and reading provides students with the ability to rate their level of comfort with math problems, English prompts, and reading passages. Students receive course placement recommendations within 3-5 business days (weekends and holidays excluded) of completing the Guided Self-Placement questionnaires.

Note: Students who did not complete Algebra II in high school and would like to major in Science Technology Engineering and Mathematics (STEM) fields are strongly encouraged to complete the Guided Self-Placement for Math.

For more information, visit [www.sccollege.edu/testing](http://www.sccollege.edu/testing).

### American College English (ACE) / English as a Second Language (ESL):

The Test for English Language Development (TELD) assessment is offered at SCC to multilingual students. New multilingual students complete both the TELD assessment as well as the ACE/ESL Guided Self-Placement process to determine ACE course recommendations.

### Counseling

Meeting with a counselor is essential in making the appropriate course selections. If you have questions about your English, math and reading course placement recommendations, please visit the Counseling Center in room D-106. Counseling faculty are ready to assist you on a drop-in basis, by appointment, and online - so that you can discuss your course options based on your educational goal(s).

## WAITLIST POLICY

It is the student's responsibility to manage their waitlist.

Students can access manage my waitlist option through WebAdvisor.

### Waitlist FAQs

1. Once a class fills its seats to the limit, a waitlist is created. Although you may see an open seat - you may only add yourself to the waitlist.
2. As seats become available, students WHO ARE ELIGIBLE FOR THE CLASS will be rolled automatically into the open seats. An email will typically be sent to you when this happens. It is your responsibility to check your schedule online daily to determine if you were rolled into an open seat in the class, as some students may not receive an email due to various technical issues. You have three days to pay. Failure to pay on time may cause you to lose the class and your place on the waitlist.
3. It is your responsibility to check your email every day to see if you have been moved from the waitlist into an open seat.
4. Online classes do not always allow waitlisting. The Online Records System may or may not allow you to get on the waitlist. If you are on a waitlist for an online class, DO NOT EMAIL THE INSTRUCTOR. You will not receive a reply.
5. Some waitlist may have a maximum limit. If you cannot add yourself to the waitlist, then the waitlist is full. As a courtesy to other students, please drop yourself from the waitlist if you no longer plan to take the course.
6. Once the term starts, the movement off the waitlist stops. However, students waitlisted for the late-starting classes will continue to be rolled into open seats.
7. Once the term starts, you will not be able to add to the waitlist. You must petition for the class. You may attend the first class meeting to ask the instructor for an Add Authorization Code. If space is still available and the instructor gives you an Add Code, log in to WebAdvisor to register for the course by the stated deadline. After the class is added, pay immediately.

**NOTE - YOUR NAME WILL REMAIN ON THE WAITLIST AND NEVER ROLL INTO AN OPEN SEAT IF:**

- You do not meet the prerequisite (make sure your Course Placement/Prerequisite Clearance has been entered into our system by the Counseling Department)
- You are repeating a course
- You need an overload petition
- There is a class conflict

## PREREQUISITES AND COREQUISITES

### DEFINITIONS

**Prerequisites** represent a set of skills or a body of knowledge considered necessary in order for a student to be successful in a course or program. **They are required prior to enrolling in the course.**

**Corequisites** indicate a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. **Students must concurrently enroll in the corequisite course.**

### COURSE PREREQUISITE POLICY

Prerequisite means the preparation or previous course work considered necessary for success in the course. The College requires students to complete prerequisites as pre-enrollment preparation. Prerequisites which are listed in the College Catalog include:

1. Courses for which specific prerequisites have been established.
2. Sequential course work in a degree-applicable program.
3. Courses in which an equivalent prerequisite exists at a four-year transfer college or university.

Questions about prerequisites are best resolved with a counselor or instructor prior to the first day of class.

# SCHEDULE OF CLASSES

## HOW TO READ THE COLLEGE CREDIT CLASS SCHEDULE

Check the course title and number carefully and be sure to note where the class meets. Many are at different campuses which may affect your time schedule and selection of classes. A key to the abbreviations for site locations is on inside back cover.

**An ICON next to a listed class indicates a special offering:**

-  — HONORS COURSES – Look for the Honors course torch symbol in the schedule.
-  — ONLINE CLASSES – Look for the Online class symbol in the schedule.
-  — HYBRID CLASSES – Look for the Hybrid class symbol in the schedule.
-  — OFF CAMPUS FIELD TRIPS – Look for the Field Trip symbol for classes that include field trips in the schedule.
-  — WEEKEND CLASSES – Classes offered Friday evenings, Saturday, and/or Sunday.
-  — INTERNET BASE ASSIGNMENTS – This course's assignments will be assigned, completed and submitted via the internet.
-  — LEARNING COMMUNITIES – Are paired/linked classes that are offered together, with instructors and students working together as a single "community."
- OER** — OPEN EDUCATIONAL RESOURCES – (OER) used in replacement of purchased textbooks (zero-textbook cost).

## STUDENT RESPONSIBILITY TO DROP CLASSES

Students who have enrolled for classes and decide not to attend must drop classes by the semester deadline to avoid a "W" grade. Classes dropped after that date will appear on the student record with a "W" grade. You may drop classes online through Web Advisor. After the second week, you will incur a financial obligation to the college. (Any unpaid fees as a result of a dishonored check or other outstanding debt will be handled in the same manner.)

You may drop classes online through WebAdvisor. You are only eligible for a refund if you drop by the semester deadline.

### Attention!

**Even if you stop attending the class, you owe the fees unless you drop the class before the semester deadline.**

## MAKE SURE YOU ATTEND THE FIRST CLASS MEETING

Attendance or log-on for Web classes at the first class meeting is essential because of enrollment demands. Any student not reporting to the first class meeting may be dropped from the roll sheet.

**The college reserves the right to cancel scheduled classes!!!**

# COMPUTING YOUR GRADE POINT AVERAGE

Your GPA is often very important since it may influence your admission to a college or university, chances for a particular job, eligibility to obtain an associate degree, or your eligibility for financial aid and scholarships.

## HOW TO CALCULATE YOUR GRADE POINT AVERAGE (GPA)

The grading system used at Santiago Canyon College is the 4.0 grade point system. Following is the value chart to help determine your GPA:

### Grade Point Value Per Unit

A = 4 grade points

B = 3 grade points

C = 2 grade points

D = 1 grade point

F = 0 grade points

### The following grades are not part of the GPA computation:

P = Pass

0 grade points, no units attempted, but counts for units completed

NP = No Pass

0 grade points, no units attempted, no units completed

W = Withdrawal

0 grade points, no units attempted, no units completed

I = Incomplete

0 grade points, no units attempted

IP = In Progress

0 grade points, no units attempted

RD = Report Delayed

0 grade points, no units attempted

R = Repeated Course

0 grade points, credit and grade may replace previously recorded course

## STEPS TO COMPUTE A "GPA"

1. Multiply the grade points by the number of semester units per course. (For example: For a 3 unit class, an "A" grade earns 4 grade points per unit: 4 grade points x 3 semester units = 12 grade points)
2. Add to find the total number of units attempted for the semester.
3. Add to find the total number of grade points earned.
4. Use the following formula to determine your GPA:  
$$\text{GPA} = (\text{Total Earned Grade Points}) \div (\text{Total Units Attempted})$$

### An Example: FALL SEMESTER

Course	Units Attempted	Grade	Units Completed	Grade Points
Counseling 101	3	A	3	12.0
English 101	4	C	4	8.0
MATH 105	3	C	3	6.0
Music 101	3	B	3	9.0
<b>TOTALS</b>	<b>13</b>		<b>13</b>	<b>35.0</b>

**GPA for the semester:  $35 \div 13 = 2.69$**

# SCC HONORS PROGRAM

---

## WHAT ARE THE REQUIREMENTS TO ENROLL IN AN HONORS CLASS?

Regularly admitted students who meet the course prerequisites may take an Honors class. Enrollment in an Honors class does not require membership in the Honors Program.

1. First time freshmen who graduated from high school with a minimum 3.0 GPA may take an honors class during their first semester at SCC. California High School Proficiency Examination (CHSPE) cannot be used. Official high school transcripts are required. \*Qualifications for English 101 as indicated by the SCC English placement process or a score of 3 or higher on the AP English test.
2. Continuing College students need a minimum 3.0 cumulative GPA in all transfer units from all institutions attended. College transcripts and a signed waiver may be required.
3. Career Advanced Placement (CAP) students need a minimum 3.0 college GPA in at least 6 college transfer units and a 3.0 or higher in high school.

## WHAT ARE THE BENEFITS OF TAKING HONORS CLASSES?

- Smaller classes
- One-on-one interaction with your professors and peers
- Enriched learning environment
- Student-directed activities and discussions
- Involvement in a learning community of students with shared goals, attitudes, and motivation
- Professors who are committed to innovative teaching styles and strategies
- Honors course designation on transcripts

## WHAT ARE THE ADVANTAGES OF JOINING THE HONORS PROGRAM?

- Honors Program Completion designation on transcript
- President's Scholar designation on transcript and diploma (additional GPA requirement)
- Letters of recommendation from the Honors Program faculty
- Honors Transfer Agreements with four-year institutions
- Special admissions consideration to many colleges and universities
- Scholarships
- Participation in the annual Honors Alliance Research Symposium
- Pre-selection for Honors classes

## WHAT ARE THE REQUIREMENTS TO JOIN THE HONORS PROGRAM

Submit an Honors Program application and requested documentation to Admissions and Records during the fall or spring semester. Applications are not accepted during the summer. Application, procedures and deadlines are available on the Honors Program webpage: [sccollege.edu/honors](http://sccollege.edu/honors)

### Freshmen:

1. First time freshmen who graduated from high school with a minimum 3.0 GPA may join the program during their first semester at SCC. High School Proficiency cannot be used. Official high school transcripts are required.

Since becoming independently accredited in 2000, Santiago Canyon College has transferred students to over 400 universities and colleges worldwide. Some of SCC's most popular transfer destinations are Cal State Fullerton, UC Irvine, and Chapman, but SCC students have also transferred to schools such as Harvard, Yale, Cornell, USC, BYU, CalTech, Stanford, and many more.

- SCC students may apply to the UC Transfer Admission Guarantee program (TAG), which offers guaranteed admission for qualifying students at six of the nine UC campuses.
- UCLA's Transfer Alliance Program (TAP) provides SCC Honors students greatly enhanced admission priority, plus eligibility for exclusive TAP program scholarships.
- Qualified SCC Honors students may participate in UCI's Honors to Honors program, which grants entry into UCI's Campus wide Honors Program and gives priority consideration for the UC Regents Scholarship.

# BREAKDOWN OF CALIFORNIA SCHOOL SYSTEM OF HIGHER EDUCATION

---

## 1. TRANSFERRING TO CALIFORNIA STATE UNIVERSITY (CSU)

**MISSION:** The California State University system emphasizes discipline/major knowledge and practical applications of that knowledge. The CSU system grants bachelor's, master's and doctoral degrees.

**ADMISSION:** The CSU system accepts the top 1/3 of the state's public high school graduating classes. The minimum community college transfer admission requirements are 60 transferable units and at least a 2.0 grade point average; however, GPA varies at each campus. Meet with a counselor to see if your major offers an Associate Degree for Transfer (AA-T/AS-T). Those who earn an AA-T/AS-T degree at SCC will be granted a special GPA advantage when applying, guaranteed admission into the CSU system (no guarantee to a specific campus), and have only 60 semester units remaining to complete a bachelor's degree when admitted to a program that has been deemed similar. The AA-T/AS-T degree also satisfies lower-division requirements in similar majors for all 23 CSU campuses.

**COSTS:** Systemwide tuition is \$5,742 per academic year for undergraduate students enrolling in more than six units per term. Every CSU campus also has mandatory fees that all students must pay that vary by campus ranging from approximately \$841 to \$3,690. Other living expenses vary according to geographic location of the campus. Check with the Transfer Success Center for current costs.

**APPLICATION:** The CSU system has a two-month period for filing fall admission applications. Fall admissions must be filed one year preceding transfer in the months of October and November. Some campuses open for winter/spring applications. This varies by campus each year. Applications for spring must be filed during the preceding month of August. Applications for winter quarter (for those on the quarter system) must be filed during the preceding month of July.

**GENERAL EDUCATION:** Transfer students may satisfy the lower-division general education requirements by completing either the CSU GE Breadth (Plan B at SCC) or the CSU version IGETC (Plan C at SCC).

**MAJOR PREPARATION:** Students who have selected a major should take as many courses that meet the lower division major requirements. High demand majors are referred to as "impacted" majors. Each impacted major has special admission requirements that must be completed BEFORE transferring.

**ATTENDANCE:** The CSU system accepts full-time and part-time students. All campuses operate on the semester system except San Luis Obispo which is on the quarter system. Two semesters (fall and spring), or three quarters (fall, winter, spring), constitute the regular school year.

## 2. TRANSFERRING TO THE UNIVERSITY OF CALIFORNIA (UC)

**MISSION:** The University of California system emphasizes academic theory, research, graduate and professional studies. The system grants bachelor's, master's, doctorates and professional degrees.

**ADMISSION:** The minimum community college transfer admission requirements are 60 UC transferable units and a minimum grade point average of at least 2.4; however, a higher GPA is recommended. GPA varies at each campus. Six UC campuses offer guaranteed admission (called Transfer Admission Guarantees, or TAGs) to California community college students who meet specific requirements.

**COSTS:** Costs are approximately \$13,900 per year for tuition and fees. Other living expenses vary according to geographic location of the campus. Check with the UC for current cost.

**APPLICATION:** The UC system has a one-month period for filing admission applications. Fall admissions applications must be filed one year preceding transfer in the month of November. Some campuses open for winter applications. This varies by campus each year. Applications for winter must be filed during the month of July. TAG applications must be filed during the month of September.

**GENERAL EDUCATION:** Transfer students may satisfy the lower-division general education requirements by completing the IGETC (Plan C) or by completing specific campus BREADTH requirements. If you know that you want to attend a UC campus but are not certain on which campus, you should follow the Intersegmental General Education Transfer Curriculum (IGETC).

**MAJOR PREPARATION:** Students who have selected a major should take as many courses that meet the lower division major requirements. High demand majors are referred to as "selective" majors. Each selective major has special admission requirements that must be completed BEFORE transferring.

**ATTENDANCE:** The UC system accepts full-time day students at the undergraduate level but may approve part-time status to individuals for reasons of occupation, family responsibilities, or health. All campuses, except UC Berkeley and UC Merced, operate on the quarter system. Three quarters - fall, winter and spring - constitute the regular school year.

## 3. PRIVATE/OUT-OF-STATE

Students may choose to transfer to one of California's independent colleges and universities or to an out-of-state institution. Santiago Canyon College has articulation with many major private California universities, including Chapman University, University of Southern California, Loyola Marymount University, and many others. We are continually adding out-of-state articulation and paths for transfer. Please see your counselor or the Transfer Success Center for more information.

# PUBLIC FOUR-YEAR INSTITUTIONS IN CALIFORNIA

There are four segments of higher education in California. They are 1) the University of California (UC) system with ten campuses; 2) the California State University (CSU) system with 23 campuses; 3) 115 community colleges; and 4) accredited independent colleges and universities. The locations of the UC and CSU campuses, and SCC, are indicated on the map below:

# ASSOCIATE DEGREE FOR TRANSFER (AA-T/AS-T)

## GUARANTEED TRANSFER TO THE CSU SYSTEM

The AA-T or AS-T Degree for Transfer is a new kind of degree which is similar but separate from the traditional degrees we've offered. Earning the AA-T or AS-T provides a number of great benefits for students planning to transfer to the Cal State University (CSU) system, including:

- Guarantees admission into the CSU system (no guarantee to a specific campus)
- Grants priority consideration when applying to impacted majors and/or campuses
- Lets the student use the same GE and Major Prep courses for transfer to any CSU campus
- Guarantees a 60(SCC) + 60(CSU) unit pathway to CSU graduation

AA-T or AS-T degrees are currently available in the following majors at SCC:

- Anthropology
- Biology
- Business Administration
- Child & Adolescent Development
- Communication Studies
- Computer Science
- Early Childhood Education
- Economics
- Elementary Teacher Education
- English
- Ethnic Studies
- Geography
- Geology
- History
- Kinesiology
- Mathematics
- Nutrition & Dietetics
- Philosophy
- Physics
- Political Science
- Psychology
- Social Justice: Chicano Studies
- Social Justice: Ethnic Studies
- Social Justice: Gender Studies
- Social Justice Studies: General
- Social Work & Human Services
- Sociology
- Spanish
- Studio Arts

**More degrees are in development; check with your counselor for details**

To receive the benefits of an AA-T or AS-T degree, students must apply to a CSU in a major that is deemed similar to the major at SCC. You can visit [www.adegreewithaguarantee.com](http://www.adegreewithaguarantee.com) for more information.

**To learn more about the Associate Degree for Transfer and find out if it's right for you, meet with an SCC counselor in D-106 or visit the Transfer Success Center in D-104 today.**

# RESOURCES FOR TRANSFER PLANNING

---

## ASSIST.ORG

ASSIST (Articulation System Stimulating Interinstitutional Student Transfer) is a web-based student transfer information system which contains data about how courses taken at a California Community College can be applied when transferred to a University of California or a California State University campus.

**ASSIST includes information such as:**

### UC Transferable Courses

These agreements list courses from California community colleges that transfer to all University of California campuses for baccalaureate/transfer credit.

### CSU Transferable Courses

These agreements identify courses from a California community colleges that transfer to any CSU campus for baccalaureate/transfer credit.

### CSU GE-Breadth Certification Courses

These agreements are lists of courses from a California community college that can be used to satisfy CSU GE-Breadth certification requirements.

### IGETC Courses (Intersegmental General Education Transfer Curriculum)

IGETC agreements are lists of courses from a community college that apply to the Intersegmental General Education Transfer Curriculum requirements.

### Articulation Agreements between all public California institutions (UC, CSU, community colleges)

These are agreements between a particular community college and a 4-year institution identifying comparable lower division courses between the two institutions. These agreements are designed to help students who are preparing to transfer into a particular major at a particular institution.

ASSIST has been adopted as the official repository of articulation for California's public colleges and universities and therefore provides the most accurate and up-to-date information available about articulation in California. Articulation agreements with community colleges are maintained by the CSU and UC Articulation Officers.

# CHOOSING A PATH TO GRADUATE

---

## STUDENTS PREPARING TO TRANSFER

When planning to transfer to a 4-year university and wanting to obtain CSU Certification and/or IGETC Certification, you must submit a petition to graduate. A petition must also be completed to earn an associate degree from Santiago Canyon College.

- I. Complete general education requirements
  - Plan B (CSU Certification)
  - Plan C (IGETC Certification)
- II. Complete major requirements for an associate degree (if applying for an associate degree)
  - Complete required courses as listed in the catalog. An associate degree requires the completion of 60 degree units with a GPA of 2.0 or better and residency (12 units; 6 in the major) at Santiago Canyon College.
- III. Submit Petition to Graduate
  - Submit at least one full semester prior to anticipated completion

## STUDENTS NOT PLANNING TO TRANSFER

- I. Complete general education requirements
  - Plan A
- II. Complete major requirements for an associate degree
  - Complete required courses as listed in the catalog. An associate degree requires the completion of 60 degree units or more with a GPA of 2.0 or better and residency (12 units; 6 in the major) at Santiago Canyon College.
- III. Submit Petition to Graduate
  - Submit at least one full semester prior to anticipated completion

## STUDENTS EARNING A CERTIFICATE OF ACHIEVEMENT

Students who are completing a Certificate of Achievement need to adhere to the following steps:

- I. Complete all required courses with a "C" or better in an approved program
- II. Complete Petition for Certificate of Achievement
- III. Submit petition in the semester you are completing your last course prior to the Petition Deadline (same as Petition to Graduate deadlines)

**If you have any questions, please contact the Counseling Department by calling 714- 628-4800 or contact the Graduation Office at 714-628-4852.**

**Transcripts from all other colleges attended must be on file.**

# COMMON QUESTIONS AND ANSWERS ABOUT COLLEGE

---

**1. How long will it take to finish college?**

The length of time required to finish college depends on your goal or degree, and if you are attending full-time or part-time. **If you wish to complete two years of college (60 units) in:**

2 years - take an average of 15 units each semester

3 years - take an average of 10 units each semester

**2. May I take as long as I wish?**

There is no time limit for completing college; however, some majors do have time restrictions. Some students graduate with an associate degree in three semesters and some take several years. To complete sooner, take courses during summer or intersession.

**3. What is the least number of units and the most number of units I can take?**

During the regular fall and/or spring semester, students may take as few as one-half unit or as many as 18 units. Special permission from a counselor is required if you wish to take more than 18 units a semester. Enrollment in 12 units is considered full-time.

**4. What do course numbers mean?**

Each course is designated by a number. A descriptive title and the units allowed for the course follow the course number.

**Courses numbered 100 and above** are university parallel courses and are offered for transfer to colleges and universities.

**Courses that will transfer to the University of California (UC)** are listed on the UC Transfer Course Agreement. This can be obtained in the Transfer Success Center and the Counseling Department. It can also be viewed in the college catalog and on the web at [sccollege.edu](http://sccollege.edu) and [assist.org](http://assist.org).

Students should check with a counselor regarding courses accepted by private or out-of-state institutions.

**Courses numbered 100 and above followed by the letter "H"** are university parallel courses for transfer to colleges and universities and are offered as part of the **SCC Honors Program**. Students enrolling in these courses must meet the designated prerequisites.

**Courses numbered less than 100** are not designed for transfer. Since these courses are not ordinarily offered at universities and four-year colleges, they are not always applicable to the requirements for the bachelor of arts or bachelor of science degrees; however, courses numbered below 100 are applicable to the associate degree unless preceded by the letter "N".

**Courses preceded by the letter "N"** are not applicable to the associate degree and do not count toward graduation; however, they do count toward course load, financial aid, and the meeting of prerequisites.

**5. How do I add a class?**

Follow the regular procedure outlined in the class schedule. Please keep in mind that students on the "Waitlist" have priority over other petitioners. If seats open up before the start of the term, students are automatically enrolled into the section based on their priority on the Waitlist. Enrolled students will get an email confirmation from the Admissions Office. If the student wishes not to register for the section, they must drop to avoid fees.

**6. How do I drop a class?**

It is the student's responsibility to drop or withdraw from a course if he or she decides not to attend class. At the beginning of the semester, follow the procedure outlined in the class schedule to drop online through WebAdvisor or your Online Education Plan. **Students should check the class schedule for deadline dates to withdraw and receive a "W" as well as deadline dates regarding fee refunds. Students who do not attend class and who do not withdraw are still held responsible for enrollment fees.**

**7. Where can I find out about probation, repeating courses, grading policies, etc.?**

All such policies are explained in the college catalog under Academic Policies. Please feel free to call the Counseling Center at Santiago Canyon College, 714-628-4800, for a counseling appointment or to ask about a specific policy. Our staff will be pleased to assist you.

**8. Will courses taken at another college be accepted at SCC?**

Students should submit official transcripts of courses taken at other colleges to the Admissions Office and request an evaluation of the courses toward graduation/transfer requirements.

**9. If I need to repeat a course I am currently enrolled in and know I will not pass, how do I re-enroll for the following semester?**

WebAdvisor and the Online Education Plan will not allow you to register for a course that is also currently in progress. On your assigned registration date and time go to the Admissions Office and they can assist you.

# COMMON QUESTIONS AND ANSWERS ABOUT COLLEGE

---

**10. How do I get a copy of my transcript?**

A transcript is a complete list of all courses taken and grades received. Transcripts are kept in the Admissions and Records Office and are considered confidential. Copies of transcripts may be released to another school only by the request of the student. There are two ways in which you can order official transcripts:

- 1) Online transcript request at [sccollege.edu/StudentServices/Admissions/Transcripts](http://sccollege.edu/StudentServices/Admissions/Transcripts).
- 2) In-person transcript request at the Santiago Canyon College Admissions and Records Office, Building E, 1st Floor.

**11. How can I be sure that I have completed all the graduation requirements for the Associate Degree?**

Complete an Associate Degree Petition and submit it to the Admissions and Records Office at least a full semester before you intend to graduate. The petition you submit will be based on the general education pattern you are completing at the college, Plan A, B or C. To ensure accuracy in completing the petition and to review degree requirements, students are strongly encouraged to meet with a SCC Counselor to complete this petition.

**12. Will I be allowed to continue attending community college after completing a degree?**

Yes. There is no limit to the number of units you may accumulate; however, if you've accumulated more than 100 units of degree applicable work at SCC or SAC your priority registration is lost. There are also some limitations regarding post degree attendance for students planning to receive financial assistance, EOP&S/CARE services, Veterans benefits, etc. Be certain to check with a counselor or Admissions & Records for more information.

**13. Does a vocational certificate prepare me to transfer to a four-year university?**

Generally not. The courses required for a vocational certificate program are designed to prepare students for immediate employment. Many of the courses may not be transferable to a four-year university.

**14. Can I transfer to a four-year university without an Associate Degree?**

Yes. However, by taking courses required for transfer, you might also meet the requirements for an Associate Degree as well. Check with a counselor and be certain to submit a petition to graduate.

**15. How do I go about applying for transfer to a four-year university?**

Applications to transfer universities are all available online, and usually this is the preferred or even mandatory method of submission by the universities. For CSU transfer the website is [calstate.edu/apply](http://calstate.edu/apply). For UC transfer the website is [universityofcalifornia.edu/admissions](http://universityofcalifornia.edu/admissions). Most private universities have their application on the official school website. For fall admission to a CSU or UC campus, the application process will begin in October-November and submission deadlines will be at the end of November. Not all UC/CSU campuses will be open for spring admission and application dates will vary. Please check with a counselor regarding special requirements for impacted programs and other application deadlines. Application workshops and transfer university tours are available through the Transfer Success Center.

**16. If I plan to transfer, where can I find out what courses to take for my major?**

The Counseling faculty serve as an excellent resource for informing you about transfer requirements to public universities within the CSU and UC system and to our many private university partners. All students are encouraged to visit the SCC Counseling Center in room D-106 for this purpose. The other excellent resource for current transfer information is the website at [assist.org](http://assist.org). This will provide you with official articulation agreements for general education and major preparation between Santiago Canyon College and all UC and CSU campuses.

**17. If I plan to transfer, is it best to concentrate on my major or general education?**

Generally, it is best to work on both requirements. Some majors require very few "lower-division major preparation courses," in which case you may be able to complete all general education breadth requirements. However, some majors, particularly in science and engineering, may require many lower division major preparation requirements. In this case, you should concentrate on completing these while also taking as many general education breadth courses as possible. **Be certain to ask a counselor about general education-breadth certification and lower-division major preparation requirements for your intended major if you are planning to transfer to one of the CSU's, UC's, or independent universities.**

**18. How many units must I have to transfer to a four-year college?**

The UC and CSU systems require a minimum of 60 transferable units for upper-division transfer, with a maximum of 70 transferable units.

**19. What is general education certification?**

When a student completes all of the requirements on Plan B or Plan C for transfer to a CSU or UC campus, SCC will certify that a student has met all lower-division general education requirements. This is commonly referred to as CSU Certification or IGETC Certification. To receive certification, students file a Petition for Graduation with the Admissions and Records Office.

# SUCCESS TIPS ON MANAGING STRESS

For many young adults, college is the best time of life. These critical years of adjustment can also be undermined by depression, anxiety, substance abuse and eating disorders. It is essential that stress – in ourselves or in someone whom we care about – should be taken and treated seriously.

If you or someone you know has an urgent emergency situation and notices any of the following symptoms, please contact one of the on-campus resources for assistance.

- Extreme sadness or depression
- Extreme panic or anxiety
- Thoughts of self-harm or suicide
- Thoughts of harming someone else
- Death of a loved one, family member or friend
- Experience of a traumatic event
- Experience of odd, bizarre or intrusive thoughts

## Tips on Managing and Reducing Stress as a Student

- |   |  |
|---|--|
| <ul style="list-style-type: none"><li>• Include a minimum of 20 minutes of aerobic exercise to your routine.</li><li>• Eat well-balanced meals, including whole grains, nuts, fruits and vegetables.</li><li>• Substitute fruits for desserts.</li><li>• Avoid caffeine. The substance may cause anxiety, insomnia, nervousness and trembling.</li><li>• Reduce refined sugar. Excessive sugar causes frequent fluctuation in blood glucose levels &amp; adds stress to the body's physiological functioning.</li><li>• Get at least 7 hours of sleep nightly.</li><li>• Spend time each day with at least one relaxation technique – imagery, daydreaming, prayer, yoga or meditation.</li><li>• Take a warm bath or shower.</li></ul> | <ul style="list-style-type: none"><li>• Go for a walk.</li><li>• Get in touch! ## FACULTY ACADEMIC FREEDOM

---

The instructor should be free to think and to express ideas, free to select and employ materials and methods of instruction, free from undue pressures of authority, and free to act within his/her professional group. Such freedom should be used judiciously and prudently to the end that it promotes the free exercise of intelligence and student learning. Academic freedom is not an absolute. It must be exercised within the law and the basic ethical responsibilities of the teaching profession.

Those responsibilities include:

1. An understanding of our democratic tradition and its methods.
2. A concern for the welfare, growth, maturity, and development of students.
3. The method of scholarship.
4. Application of good taste and judgment in selecting and employing materials and methods of instruction.

## STUDENT EQUITY AND ACHIEVEMENT PROGRAM

---

The **Student Equity and Achievement Program** supports the transition of new students into the college by providing them services that promote academic achievement and successful completion of degrees, transfer preparation, career education certificates, or career advancement.

New students are required to complete orientation and advisement in order to access their priority registration time. During this process, students will receive assistance in completing an abbreviated education plan; however, a course of study (major) and a comprehensive student education plan must be completed by the third semester but no later than completing 15 degree-applicable units. Students may accomplish this work with a counselor. A request to be exempt from completing these services is available on the Admissions & Records website. Exemption approval requires that students provide sufficient justification for their request.

## RIGHT TO APPEAL

---

Students who feel that they have been treated in a discriminatory manner regarding any aspect of course placement services may contact the Dean of Counseling and Student Support Services. Call 714-628-4775.

# FREQUENTLY ASKED QUESTIONS REGARDING THE LOSS OF REGISTRATION PRIORITY

---

**Priority registration is a privilege that is maintained by keeping a cumulative GPA of 2.0. The loss of priority registration places the student's registration date after all new students.**

- 1. How can I lose my priority registration privilege?**

Priority registration is lost when you have been on academic and/or progress probation for two consecutive semesters, or when you accrue more than 100 completed units of degree applicable coursework – accumulated from Santiago Canyon and Santa Ana Colleges only.
- 2. What is academic probation?**

A student is placed on academic probation when s/he has attempted at least 12 semester units and s/he earns a cumulative GPA of less than 2.0. Priority registration is lost when a student earns a cumulative GPA below 2.0 for two consecutive semesters.
- 3. What is the rule regarding the 100 unit limit?**

Students who accumulate more than 100 units of degree applicable units will lose priority registration.
- 4. Is this a rule from Santiago Canyon College and Santa Ana College?**

This is a rule which all community colleges in California must follow.
- 5. Does this 100 unit limit and academic probation rule apply to all continuing students, including Veterans, DSPS, and EOPS?**

Yes. Academic probation and unit limits will be applied to all student groups, including Veterans, DSPS, EOPS, as well as international and non-resident students.
- 6. Can I lose enrollment priority after one semester at Santa Ana or Santiago Canyon Colleges?**

No. Academic probation does not begin until you have completed 12 units of credit.
- 7. Do all credits get counted in the 100 unit limit?**

No. Only degree applicable units earned at SCC and SAC count toward the 100 unit limitation. Degree applicable courses are courses that "generally" do not have an N in front of their course number. For example, English N60 is not degree-applicable but English 061 is.
- 8. Will my transfer units from another college or university count toward the 100 unit limit?**

No. Units from courses taken at another college are NOT counted toward the 100 unit limit. Only degree applicable units earned at SCC and SAC are counted towards the 100 unit limit.
- 9. Are "Ws" counted in the 100 unit limit?**

No. The 100 unit limit applies only to the units you have earned. Withdrawals (W's) and incompletes (I's) will not count towards the 100 units.
- 10. Do units in progress count toward the 100 units?**

No. Units currently in progress, the classes you are currently taking, are not counted because they have not been "earned" or completed at the time that you will be eligible to register for the next semester.
- 11. Where can I find the number of degree applicable units that I have completed?**

Look on the last page of the combined SCC/SAC transcript. There is a column called RSCCD Degree Applicable Units." The amount listed there is the cumulative number of completed and earned degree applicable units for SCC and SAC.
- 12. What if I am in a high unit major, or had an illness at the end of the semester that affected my grade?**

An appeals process is available for all students who lose enrollment priority due to extenuating circumstances that can be verified (accidents, illness, or other circumstances beyond the student's control), or who are in a verifiable high unit major.
- 13. If I do not create a Comprehensive Student Education Plan, will I lose my priority registration?**

Students are required to complete a Comprehensive Ed Plan with a counselor once they have completed 15 units or by the end of their third semester – whichever comes first. Failure to do so may result in a loss of priority registration.
- 14. How can I appeal my loss of priority registration?**

Each college has its own appeals committee. A student can appeal for three reasons:

  - 1) Extenuating circumstances (verified cases of accidents, illnesses or other circumstances beyond the control of the student)
  - 2) High unit majors
  - 3) Student has shown significant academic progress in the most recent term.
- 15. How do I know which campus will handle my appeal?**

Your appeal should be applied for at your home campus. If you are unsure of your home campus, contact the Admissions Office.

  - Santiago Canyon College 714-628 4901
  - Santa Ana College 714-564-6005
- 16. How do I earn back my priority registration privilege?**

A registration priority privilege can be restored when the student is no longer on academic or progress probation. A priority loss which occurs after a student accumulates 100+ units cannot be restored unless successfully appealed.

# STUDENT CODE OF CONDUCT

---

Guidelines for Student Conduct are set forth in the California Education Code, California Administrative Code, Title V, policies of the Board of Trustees, and all civil and criminal codes. Students enrolling in district educational programs assume an obligation to obey state law and district rules and regulations governing the conduct of students.

Students who enroll in those instructional programs in which the college has affiliations with various outside associations must comply with the college's policies and procedures and also with the outside associations' policies and procedures. This includes but is not limited to students enrolled in the programs of Cosmetology, Fire Academies, Criminal Justice Academies and Nursing.

## Guidelines for Student Conduct

The following represent violations for disciplinary action, up to but not limited to expulsion, that may be taken:

- A. Dishonesty, cheating, plagiarism, lying, or knowingly furnishing false information to the district or a college official performing their duties.
- B. Forgery, alteration, or misuse of district documents, records, or identification.
- C. Willful misconduct that results in damage to any real or personal property owned by the district or district employees (damage includes, but not limited to vandalism, such as cutting, defacing, breaking, etc.).
- D. Obstruction or disruption of pedestrian or vehicular traffic or of teaching, research, administration, or of other district activities on or off District premises. This includes obstruction or disruption of administration, disciplinary procedures or authorized college activities.
- E. Assault, battery, or any threat of force or violence upon a student, college personnel, or campus visitor; willful misconduct which results in injury or death to a student, college personnel, or campus visitor. This includes fighting on district property or at a district sponsored event, on or off district premises.
- F. Detention of any person on district-owned or controlled property or at district-sponsored or supervised functions or other conduct which threatens or endangers the health or safety of another.
- G. Theft of any property of the district which includes property of a member of the district community or a campus visitor.
- H. Unauthorized entry into or unauthorized use of district property, supplies, equipment, and/or facilities.
- I. Misrepresentation of oneself or of an organization to be an agent of the district.
- J. Sexual assault or physical abuse, including rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat or assault, or any conduct that threatens the health and safety of the alleged victim, which includes students, college personnel, or campus visitors.
- K. Use, possession, distribution, or being under the influence of alcoholic beverage on district property or at any district sponsored event.
- L. Use, possession, distribution, or being under the influence of narcotics, other hallucinogenic drugs or substances, or any poison classified as such by Schedule "D" in Section 4160 of the Business and Professions Code on District property or at any District-sponsored event except as expressly permitted by law.
- M. Expression which is libelous, slanderous, obscene or which incites students so as to create a clear and present danger of commission of unlawful acts on district premises, or violation of district regulations, or the substantial disruption of the orderly operation of the college.
- N. Engaging in lewd, indecent, or obscene behavior on district property or at any district-sponsored function.
- O. Possession or use while on the district premises, or a district-sponsored function, of any firearm, knife, explosive, or other dangerous object, including but not limited to any facsimile firearm, knife or explosive. Exceptions include those participating in a criminal justice educational program who are authorized such possession or those who are enrolled in a course which authorizes such possession.
- P. Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any district policy or administrative regulation.
- Q. Engaging in harassing or discriminatory behavior based on race, sex (i.e., gender), religion, age, national origin, disability, sexual orientation or any other status protected by law.
- R. Continuous disruptive behavior or willful disobedience, habitual profanity or vulgarity, open and persistent abuse of college personnel, or open and persistent defiance of the authority of college personnel, which includes physical as well as verbal abuse, including the use of racial epithets and hate speech;

## STUDENT CODE OF CONDUCT *(continued)*

---

- S. Disruptive written or verbal communication, vulgarity, open and persistent abuse of other students which include verbal abuse, racial epithets and hate speech. ### **Disciplinary Action**

Violations to any tenets within the standards of student conduct are subject to the following disciplinary actions: warning, reprimand, probation, restitution, removal, suspension or expulsion. Disciplinary actions may be imposed singly or in combination.

# ACADEMIC AND PROGRESS PROBATION/DISMISSAL

---

A student's academic standing and progress is calculated at the end of the fall and spring semesters (calculations are not done after the summer session or intersession), based only on the SCC/SAC units and cumulative (CUM) grade point average (GPA). Academic and Progress Probation calculations begin after a student has attempted 12 units or more at SCC/SAC. Students are placed on Academic Probation when their CUM GPA for all SCC/SAC coursework falls below 2.0. Students are placed on Progress Probation when the percentage of coursework at SCC/SAC has an entry of "W", "I", "NP", and "NC" which reaches or exceeds fifty percent (50%) of the coursework attempted.

## ACADEMIC PROBATION AND DISMISSAL

- A1 Students placed on academic probation for the first time (first semester under a CUM GPA of 2.0) are required to attend a counseling intervention workshop. An email notification is sent to the student and a registration hold is placed on the student record until the completion of the workshop.
- A2 Students who have two consecutive semesters with a CUM GPA below 2.0 will lose priority registration for the next registration opportunity. Their registration date will be after all new applicants.
- AD Academic Dismissal  
Students who have three consecutive semesters with a CUM GPA of 2.0 at the end of the spring semester are dismissed. Students who are dismissed have a hold placed on their record and an email is sent notifying them of their status. A student cannot register for classes at SCC or SAC for one full semester. When the student returns after "sitting" out one semester, the student will return on academic probation and will continue to lose registration priority until their CUM GPA is at or above a 2.0.

Students who have three consecutive semesters with a CUM GPA of 2.0 at the end of the fall semester are 'subject to dismissal' and a hold is placed on their student record. Since the student has already registered for the spring semester, they are given a grace period to improve their CUM GPA. If the CUM GPA remains below a 2.0 at the end of the spring semester they will be academically dismissed and will not be able to register for classes at SCC or SAC for one full semester. When the student returns after "sitting" out one semester, the student will return on academic probation and will continue to lose registration priority until their CUM GPA is at or above a 2.0.

## PROGRESS PROBATION AND DISMISSAL

- P1 Students placed on Progress Probation for the first time (first semester with less than 50% of coursework earning a grade) will be notified and provided intervention services.

- P2 Students who have two consecutive semesters with less than 50% of their coursework earning a grade will lose priority registration for the next registration opportunity. Their registration date will be after all new applicants.

## PD Progress Dismissal

Students who have three consecutive semesters with less than 50% of their coursework earning a grade at the end of the spring semester are dismissed. Students who are dismissed have a hold placed on their record and an email is sent notifying them of their status. A student cannot register for classes at SCC or SAC for one full semester. When the student returns after "sitting" out one semester, the student will return on progress probation and will continue to lose registration priority.

Students who have three consecutive semesters with less than 50% of their coursework earning a grade at the end of the fall semester are 'subject to dismissal' and a hold is placed on their student record. Since the student has already registered for the spring semester, they are given a grace period to improve their course completion rate. If the percentage of completed coursework remains below 50% at the end of the spring semester they will be dismissed and will not be able to register for classes at SCC or SAC for one full semester. When the student returns after "sitting" out one semester, the student will return on progress probation and will continue to lose registration priority.

## STUDENT RIGHT TO APPEAL

A student has the right to appeal an exception to a current Santiago Canyon College academic policy, including academic probation and progress probation, to be made on their behalf. The student must complete and submit a petition. Petitions are obtained and submitted to the Admissions Office. The student must provide valid justification and documentation to support their request. The Exceptions to Academic Regulations Committee will review and make decisions on all requests. Students will be informed of the outcome in a timely manner.

## LOSS OF THE CALIFORNIA COLLEGE PROMISE GRANT (Formerly Known As Board Of Governors Fee Waiver-BOGW)

Students will lose eligibility for the California College Promise Grant if they are on probation for not maintaining a 2.0 GPA for two consecutive primary terms or not successfully completing half the units attempted in that period. Students must be notified of their probation status within 30 days of the end of the term for which they did not meet the standards, and districts are required to notify students of support services that are available to them. Foster youth are exempted from the policy. Students who have lost CA College Promise Grant eligibility may regain eligibility by: 1) Successfully meeting academic and progress standards; 2) Successfully appealing due to extenuating circumstances; or 3) Sitting out two consecutive terms. Districts are required to establish appeals processes that students can use to demonstrate extenuating circumstances.

# ACADEMIC HONESTY POLICY INFORMATION

---

## INTRODUCTION

Students attending Santiago Canyon College are expected to be honest and forthright in their academic endeavors. To falsify the results of research, to steal the words or ideas of another or to cheat on an examination, corrupts the essential process by which knowledge is advanced. Academic dishonesty is seen as an intentional act of fraud, in which a student seeks to claim credit for the work or efforts of another without authorization, or uses unauthorized material or fabricated information in any academic exercise. We, as an institution, also consider academic dishonesty to include forgery of academic documents, intentionally impeding or damaging the academic work of others, assisting other students in acts of dishonesty or coercing students into acts of dishonesty.

In matters relating to academic honesty violations, the primary responsibility for disciplinary proceedings rests with the instructor and the academic division where the violation allegedly occurred.

## PROCEDURES FOR STUDENT GRIEVANCES REGARDING GRADES

---

### PROCEDURE

1. Student shall meet with the instructor to discuss the grade. If the issue is not resolved and the student believes that the grade is based on a mistake, fraud, bad faith, or incompetency (EC 76224), he/she may appeal in writing to the Division Dean.
2. Forms for the written appeal may be found in the Academic Division offices.
3. The student may be requested to set-up an appointment with the Division Dean to discuss the written grievance.
4. The Division Dean will review the allegations and consult with the instructor.
5. The Division Dean will review the issue and will notify the student and instructor in writing of his/her decision.
6. The decision of the Division Dean is final.

## NONDISCRIMINATION POLICY

---

The Rancho Santiago Community College District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Chancellor shall establish administrative procedures that ensure all members of the college community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or because of his or her association with a person or group with one or more of these actual or perceived characteristics. Inquiries regarding compliance and/or grievance procedures may be directed to District's Title IX Officer and/or Section 504/ADA Coordinator, 2323 N. Broadway, Santa Ana, CA 92706, 714-480-7490.

# FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

---

As required under the provision of the Family Education Rights and Privacy Act of 1974, Rancho Santiago Community College District, and the other colleges in that district, will make public without a student's consent only certain directory information. The information consists of the following:

A student's name; City of residence; Major field;

Participation in officially recognized activities and sports; Weight, height, and age if a member of an athletic team; Dates of attendance;

Degree and awards received;

And the most recent previous educational institution or agency attended by the student.

At the postsecondary level, rights under FERPA are afforded the student and not the parents of the student. There is no age requirement: a student can be under 18 years of age and must be afforded the same rights as an individual over 18.

# STANDARDS OF CONDUCT FOR SCC COMPUTER USE

---

In accordance with Board Policy 3720 and Administrative Regulation 3720 and in an effort to extend the life of the hardware, comply with the copyright laws, and adhere to appropriate computer network conduct and usage, the following standards of conduct are required of all students using computer classrooms, computer labs, and the wireless network.

Failure to comply with the following standards can result in the suspension of a student's privileges and possibly other sanctions such as removal from class, suspension, expulsion or other disciplinary actions.

The primary use of computer systems/resources is for academic/educational purposes. The following are NOT allowed:

1. Using the Internet to access sexually explicit and/or pornographic websites.
2. Sending and receiving any messages that are threatening, racist or inflammatory, abusive towards a specific gender or culture, obscene, or use inappropriate language.
3. Using the network for personal or commercial advertising or political activity.
4. Using the computers or wireless network to play individual games, multiple-user games, or gambling.
5. Using the computer for illegal use.

The SCC Library, each computer lab, computer classroom, and science lab may have additional restrictions to those listed above. It is the student's responsibility to be aware of these additional guidelines.

# HARASSMENT POLICY

---

## **BP 3430 Prohibition of Harassment**

**Reference:** Education Code Sections 212.5, 44100, 66252, and 66281.5; Government Code Section 12950.1; Title VII of the Civil Rights Act of 1964, 42 U.S. Code Annotated Section 2000e

All forms of harassment are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation including acts of sexual violence. It shall also be free of other unlawful harassment, including that which is based on any of the following statuses: race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, or sexual orientation of any person, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment or for participating in a harassment investigation. Such conduct is illegal and constitutes a violation

## **HARASSMENT POLICY** *(continued)*

---

of this policy. All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that retaliation has occurred, it will take all reasonable steps within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Any student or employee who believes that he or she has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 3435. Supervisors are mandated to report all incidents of harassment and retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities and compensation.

To this end the Chancellor shall ensure that the institution undertakes education and training activities to counter discrimination and to prevent, minimize and/or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.

The Chancellor shall establish procedures that define harassment on campus. The Chancellor shall further establish procedures for employees, students, and other members of the campus community that provide for the investigation and resolution of complaints regarding harassment and discrimination, and procedures for students to resolve complaints of harassment and discrimination. All participants are protected from retaliatory acts by the District, its employees, students, and agents.

This policy and related written procedures (including the procedure for making complaints) shall be widely published and publicized to administrators, faculty, staff, and students, particularly when they are new to the institution. They shall be available for students and employees in all administrative offices.

Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion.

## **SEXUAL ASSAULT AND OTHER ASSAULTS ON CAMPUS**

---

### **BP3540 Sexual and Other Assaults on Campus**

**Reference:** Education Code Section 67382 and 67385; 20 U.S. Code Section 1092(f); 34 C.F.R. § 668.46(b)(11)

Any sexual assault or physical abuse, including, but not limited to, rape, as defined by California law, whether committed by an employee, student, or member of the public, that occurs on district property, is a violation of district policies and procedures, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. Students, faculty, and staff who may be victims of sexual and other assaults shall be treated with dignity and provided comprehensive assistance. The Chancellor shall establish administrative procedures that ensure that students, faculty, and staff who are victims of sexual and other assaults receive appropriate information and treatment, and that educational information about preventing sexual violence is provided and publicized as required by law.

The procedures shall meet the criteria contained in EC 67385 and 67385.7 and 34 C.F.R. § 668.46. See Administrative Regulation AR3540.

Students who have been the victim of sexual violence should contact SCC Campus Safety and Security at 714-628-4730.

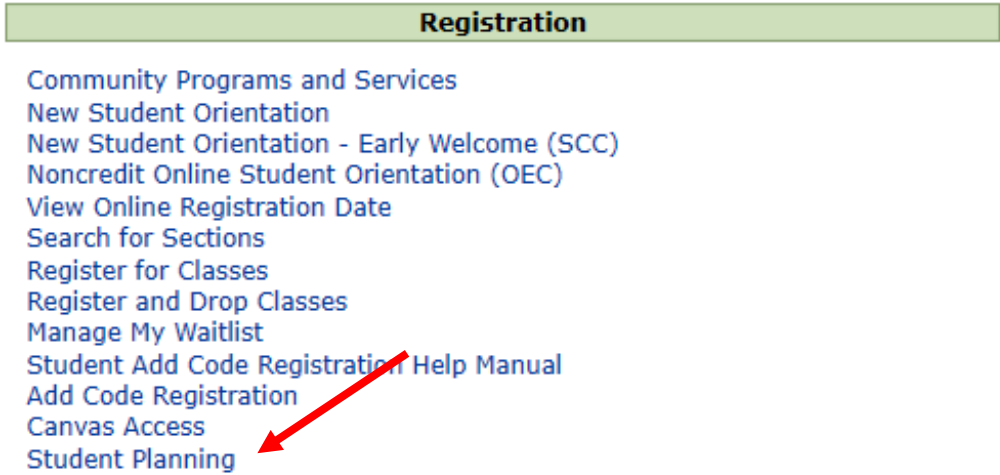

Students can receive care, confidential psychological counseling, and assistance through SCC Student Health and Wellness Services located in T-102, or contact the office by telephone at 714-628-4773.

For more information and resources, visit the RSCCD Title IX web page at [rscdd/titleix](http://rscdd/titleix) or contact the Title IX office at 714-480-7404.
