Associates of Arts for Transfer: Anthropology (32043)

The Associate in Arts in Anthropology for Transfer degree is designed to provide students with an understanding of the scientific and humanistic study of past and present cultures, nonhuman primate relatives and archaeology. Courses in this program explore the influence of anthropology on various professional areas such as archeology, ethnography, linguistics, physical anthropology, museology, elementary and secondary social science education, art, economics, history, international relations, music, law, political science, psychology, religion, social work and foreign service. Successful completion of the transfer degree in Anthropology guarantees the student acceptance to the California State University system to pursue a baccalaureate degree in Anthropology or a related field.

Learning Outcome(s)

Upon successful completion of the major requirements for this degree, students will be able to

- Explain cultures past and present and how cultures fit into modern globalization
- Discuss hominidae biological development over millennium and their social and biological attributes
- Understand and explain culture in Archaeological terms and try to interpret artifacts into economic, religious, political and social context
