Associate of Arts for Transfer: Social Justice Studies: Chicano Studies (37132)

The Associate of Arts in Social Justice: Chicano Studies for Transfer degree is an interdisciplinary social science and humanities program providing students an understanding of intersectional identities, marginalized groups, social structure, critical race studies, intersectional feminist studies within Chicana/o studies through both a historic and contemporary lens. This degree will enable students to understand and critique systematic oppression within social structures affecting the Chicana/o populations. Successful completion of the transfer degree in Social Justice: Chicano Studies guarantees the student acceptance into the California State University system to pursue a baccalaureate degree in Social Justice or a related field.

Learning Outcome(s)

Upon successful completion of the major requirements for this degree, students will be able to

- Demonstrate familiarity with theories and theoretical perspectives, concepts, findings, assessments, problems, institutions, history, and trends within the field of Social Justice: Chicano Studies.
- Articulate theoretical perspectives of social justice in Chicano studies, institutional oppression, marginalized groups, intersectional identities, decolonialism, and social institutions.
