## **II.c. Chancellor's Office Update**

J. Wagner reported on the Regional Curriculum meeting attended on Saturday, November 18, 2017. A presentation was made that covered issues with COCI and how the issues will be addressed. AB705 was discussed with a timeline expected to be out by the end of the year. Discussion was encouraged.

L. Aguilera reported that the Academic Senate for California Community Colleges (ASCCC) Curriculum Committee recommends that California community colleges not to make any changes as of a result of the CSU Executive Order 1100 to existing mathematics courses with an intermediate algebra prerequisite as these courses may lose articulation with other institutions that require the prerequisite. UCs have not moved towards implementing the same policy change as the CSUs.

L. Aguilera recommended that communication courses listed as CORE on the Communication Studies Associate Degree for Transfer (ADT) not be offered 100% online. The C-ID descriptor requests that faculty evaluate speech presentations in front of a live audience.

## **II.d. CurricUNET Update**

No report was provided.

## **II.e. Enrollment Management Committee Report**

J. Wagner reported that the enrollment management committee met on Wednesday. M. Flores and J. Vargas reported on stabilization and distance education was discussed.

**II.f. Exceptions to Academic Regulations Committee (EAR) Report**

L. Aguilera reported that EAR reviewed one Exceptions to Academic Regulation petition via email and it was unanimously approved. The next meeting will take place on November 29, 2017.

A. Voelcker reported that the committee is in the process of reviewing and approving all submissions.

**ANNOUNCEMENTS**

**III.a. Board Policies**

J. Wagner reported that M. Flores continues to work on board policies. Policy regarding units and hours is in discussion.

**III.b. Certificates of Proficiency (12 – 17.9 Units)**

J. Wagner and R. Vazquez reported that a certificate as low as 8 units may be submitted to the California Community College Chancellor's Office (CCCCO) for approval so that it appears on student transcripts. Certificates that are at least 16 units will be submitted to the CCCCCO for approval.

**III.c. Lecture and Lab Hours (48 to 54)**

J. Wagner reported that curriculum office staff met with Career Technical Education (CTE) staff to discuss updates to apprenticeship hours. Apprenticeship carpentry courses were placed on the CIC agenda for November, 20, 2017 with additional outside of class hours included to agree with units. Additional CTE courses will be presented to CIC for approval in spring pending discussion between the CTE division and the training trusts.
