## Resolution S2015.5

### **Support for the Recognition of Psi Beta as a Co-Curricular Program**

Moved: Professor Cannon

Seconded: Professor Umali Kopp

Whereas, Psi Beta is an academic and professional organization with a mission that is singularly aligned with the mission and vision of the Psychology Program at Santiago Canyon College (SCC);

Whereas, Psi Beta exists as an extension of the Psychology Program and is included in the Psychology Department Planning Portfolio, the Psychology Program Review, and as a recognized organization in the SCC catalog;

Whereas, Psi Beta is not open to all students as it is only open to SCC students who meet the rigorous academic and personal requirements as specified on the SCC Psi Beta website;

Whereas, The Psi Beta at SCC chapter has been officially inducted into the larger national organization whose mission is the academic and professional development of psychology students and, therefore, can only be run by an advisor with an advanced Psychology degree;

Whereas, Psi Beta has always followed the Rancho Santiago Community College District code of conduct; filled out all appropriate field trip forms; and kept its by-laws, membership requirements and benefits, and application readily available on the SCC Psi Beta website; and

Whereas, for the past 10 years, Psi Beta has raised its own funds and not received any monies from the Associated Student Government or Inter-Club Council;

Resolved, That the Academic Senate of Santiago Canyon College support the recognition of Psi Beta as an academic extra-curricular program under the oversight of the Office of Academic Affairs at SCC.
