## Resolution S2016.12

### **Support for the Formation of the Department of Economics, Geography, and Anthropology**

Moved: Professor Umali Kopp

Seconded: Professor Womack

Whereas, The Department of Social Sciences (Anthropology, Psychology, & Sociology) split as a result of growth in all areas leaving the Anthropology Department as a single department;

Whereas, Santiago Canyon College plans to hire a new full-time faculty member in Anthropology to start in fall 2016;

Whereas, The Department of Economics and Geography is a smaller department currently consisting of two full-time faculty members, and in fall 2016, the newly separated Anthropology Department will also be a smaller department consisting of only one full-time faculty member;

Whereas, Geography and Anthropology share both the lab classroom in H-325 and the associated storage room adjacent to H-325 and can benefit from coordination regarding the scheduling of classes in the lab and the storage room as well as coordination of equipment and supply use in the lab as well as in the storage space; and

Whereas, The department chairs within the Arts, Humanities, and Social Sciences (AHSS) Division discussed and support this consolidation as reflected in the AHSS Department Chairs meeting minutes from 9 March 2016;

Resolved, That the Academic Senate of Santiago Canyon College support a consolidation of departments, resulting in the forming of the Department of Economics, Geography, and Anthropology to be effective in fall 2016; and

Resolved, That the Academic Senate of Santiago Canyon College authorize the Senate President, or her designees, to take the necessary actions to complete the formation of this new department.
