Resolution S2016.18

Support for Merging the Facilities & Safety/Emergency Committees

Moved: Professor Mettler

Seconded: Professor Evett

Whereas, The Facilities and Safety/Emergency Committees are part of the participatory governance structure at Santiago Canyon College;

Whereas, The Safety/Emergency Committee has been meeting on a variable schedule with a focus on district matters, rather than as a Santiago Canyon College governance committee focused on college matters;

Whereas, The Facilities and Safety/Emergency Committees have similar membership; and

Whereas, The combining of the two committees into one will allow for improved communication, reduced duplicated efforts, greater integration of processes, and regular, college-focused governance activity;

Resolved, That the Academic Senate of Santiago Canyon College supports the merging of the Facilities and Safety/Emergency Committees into a single committee; and

Resolved, That the Academic Senate of Santiago Canyon Colleges provides support to the Facilities and Safety/Emergency Committees as they work toward the integration of the two committees into a single committee.

Date Presented: 17 May 2016
