Resolution F2015.9: Support for RSCCD Funding of Renovations for Orange Education Center

Moved:

Seconded:

Whereas, The cost of relocating the Orange Education Center along with the loss of the center funding could outweigh the cost of completing the currently proposed renovations;

Whereas, Per the AB 86 Consortium & Task Force environmental scan findings, the Orange Education Center is uniquely located to serve its surrounding community; and

Whereas, The Orange Education Center serves the educational needs of adults in Orange and surrounding communities through fulfilling its mission “to offer a variety of free, noncredit classes, programs, and services that enable students to maximize their potential by acquiring the necessary technical and academic skills to reach their personal, educational, and career goals so they can benefit from, and contribute to, a changing American society as productive, active members of their communities”;

Resolved, That the Academic Senate of Santiago Canyon College supports RSCCD funding for the Orange Education Center renovations so that the Orange Education Center can continue to play a vital role in serving those who live and work in the neighboring community; and

Resolved, That the Academic Senate of Santiago Canyon College direct the Academic Senate President to share faculty support for the renovations of the Orange Education Center site with the RSCCD Board of Trustees.
