Resolution S2018.06

Application for Santiago Canyon College to Become a Consortium Member in the Online Education Initiative Course Exchange

Moved: Professor Deeley

Seconded: Professor Frost

Whereas, Students encounter barriers when attempting to complete degrees and certificates when courses are impacted, or are not offered in a format, time, or place that meets a student's complex scheduling needs, and are able to take these classes at other accredited community colleges and transfer those units to Santiago Canyon College;

Whereas, Community College funding is now partially based upon student completion;

Whereas, Enrolling in classes at other community colleges is challenging due to the lack of an efficient cross-college application and registration process;

Whereas, The Online Education Initiative Exchange has created a single, effective application and registration process whereby students are able to enroll once at Santiago Canyon while also joining the Exchange, allowing our students to register for CI-D aligned classes, through the OEI Course Exchange, with their current registration processes, increasing the likelihood that they are able to complete degrees and certificates;

Whereas, Offering classes through the OEI Course Exchange provides our faculty with enrollment management options, including increasing enrollment for classes that cancel due to low enrollment, offering low-enrollment, or niche, classes more frequently, and increasing the flexibility of a professor's load; and
