## Resolution F2017.04

### Adoption of a Quinquennial Review of Curriculum

Moved: Professor Wagner

Seconded: Professor Deeley

Whereas, Increasing legislative demands have been placed on departments that necessitate more non-instructional hours for completion; and

Whereas, Neither Title 5 nor Education Code specify an exact review cycle for all courses; and

Whereas, A 5-year review cycle would more than satisfy separate requirements, i.e. [Title 5 section 55003](#): “at least once each six years all prerequisites and corequisites established by the district shall be reviewed, except that prerequisites and corequisites for vocational courses or programs shall be reviewed every two years” and [Standard IIA.2\(e\)](#): “The institution evaluates all courses and programs through an on-going systematic review of their relevance, appropriateness, achievement of learning outcomes, currency, and future needs and plans.”;

Resolved, That the Academic Senate of Santiago Canyon College support the CIC Recommendation to revise the course review process from quadrennial (every 4 years) to quinquennial (every 5 years).
