Resolution F2019.13

Support for the Formation of the Department of Public Works

Moved: Professor Diaz

Seconded: Professor Deeley

Whereas, Santiago Canyon College Business and Career Education Division has approved programs and courses under the subject (department) codes Public Works, Public Administration, Code Enforcement, and Water Utility Science;

Whereas, In fall 2019, Business and Career Education Division designated a department chair of Public Works to serve chair duties;

Whereas, The growth of the Business and Career Education program, diversity of students, and variety of industry-driven course offerings, make it essential to have a Public Works department;

Whereas, The Business and Career Education Division responds to industry demands with the creation of new degrees and certificates;

Whereas, Facilities, like classrooms and laboratories, are already in place for current and future course offerings under the department of Public Works;

Whereas, Public Works funding requirements are tied to supporting the development of new curriculum, e.g., Automation;

Whereas, Business and Career Education faculty and administrators agree with the formation of this new department, Public Works; and

Resolved, The Academic Senate of Santiago Canyon College supports the creation of the Department of Public Works effective immediately; and

Resolved, The Academic Senate of Santiago Canyon College authorizes the Senate Executive Board to take the necessary actions to complete formation of this new department.

Date Presented: 3 December 2019

Date Passed: 3 December 2019

Santiago Canyon College is an innovative learning community dedicated to intellectual and personal growth. Our purpose is to foster student success and to help students achieve these core outcomes: to learn, to act, to communicate and to think critically. We are committed to maintaining standards of excellence and providing the following to our diverse community: courses, certificates, and degrees that are accessible, applicable, and engaging.
