Resolution F2020.12

Recommendation for Student Learning Outcomes (SLO) Assessment in eLumen

Moved: Senator Gonzalez

Seconded: Senator Castellanos

Whereas, Santiago Canyon College has allowed departments to aggregate Student Learning Outcomes (SLO) results at the section or course level since the college began collecting assessment data over 10 years ago;

Whereas, The new eLumen system is capable of collecting assessment data at the section level or the student level, but not the course level; and

Whereas, eLumen has the ability to allow each department to determine which type of assessment (section or student) best serves the need of the department;

Resolved, That the Academic Senate of Santiago Canyon College support departments choosing the most appropriate means of Student Learning Outcomes (SLO) assessment (section or student) in eLumen; and

Resolved, That the Academic Senate of Santiago Canyon College re-evaluate this decision in Spring 2023 to determine if there is a single method for SLO assessment that should be used for the entire campus.

Date Presented: 17 November 2020

Date Passed: 1 December 2020

Santiago Canyon College is an innovative learning community dedicated to intellectual and personal growth. Our purpose is to foster student success and to help students achieve these core outcomes: to learn, to act, to communicate and to think critically. We are committed to maintaining standards of excellence and providing the following to our diverse community: courses, certificates, and degrees that are accessible, applicable, and engaging.
