*Santiago Canyon College (SCC) is a diverse learning community dedicated to intellectual and personal growth. Our purpose is to foster a learning environment that helps students develop knowledge and understanding, critical thinking, sound decision making, cultural awareness, effective communication skills, and a commitment to local and global citizenship.*

*Santiago Canyon College offers a comprehensive curriculum that includes university transfer, associate degree and certificate programs. In addition, we provide community services, career education, continuing education, high school diploma program, basic skills development, and a range of support services for full and part-time students, including those with family and career responsibilities. At SCC we encourage students to plan, implement, and evaluate their educational progress through meaningful reflections and interaction with both the college and community.*
