## Resolution F2021.09

### Alignment of Enrollment Dates with Surrounding Districts

#### Moved:

#### Seconded:

Whereas, Santiago Canyon College is currently experiencing significant decline in credit enrollment;

Whereas, Surrounding community college districts often make their class schedules and open their enrollment windows before RSCCD; and

Whereas, Aligning our schedule release and enrollment windows with surrounding districts minimizes the chances of losing current students to other colleges;

Resolved, The Academic Senate of Santiago Canyon College urge the administration to determine when class schedules are made available and when enrollment windows open in North Orange Community College District, South Orange Community College District, Coast Community College District, and Riverside Community College District; and

Resolved, The Academic Senate of Santiago Canyon College urge administration to align our class schedule availability and enrollment windows the earliest dates identified in surrounding districts.
