Rutan, Craig Chair

## Resolution SP2013.4

### **Resolution in Support of Splitting the Department of Earth, Space and Physical Sciences**

Moved: Professor Martino  
Seconded: Professor Nance

Whereas, The Department of Earth, Space and Physical Sciences brought together four distinct academic disciplines (i.e., Astronomy, Chemistry, Geology, and Physics) so that no department would consist of a single faculty member; and

Whereas, These disciplines have flourished due to expansion into new classroom and laboratory facilities and with the support of several grant funded initiatives; and

Whereas, The Department of Earth, Space, and Physical Sciences met on 25 February 2013 (see attached minutes) and agreed to split the department into four separate departments;

Resolved, The Academic Senate of Santiago Canyon College supports separating the Department of Earth, Space, and Physical Sciences into the following four departments to be effective 1 July 2013:

- Department of Astronomy
- Department of Chemistry
- Department of Earth Sciences
- Department of Physics and Engineering; and

Resolved, That the Academic Senate of Santiago Canyon College authorizes the Senate President, or her designees, to take the necessary actions to complete the reformation of these new departments.

Date Presented: 5 March 2013

Date Approved: 5 March 2013

***Santiago Canyon College is an innovative learning community dedicated to intellectual and personal growth. Our purpose is to foster student success and to help students achieve these core outcomes: to learn, act, communicate and think critically. We are committed to maintaining standards of excellence and providing an accessible, a transferable, and an engaging education to a diverse community. (Approved 4/12/2011)***
