## **Statement of Philosophy and Guiding Principles 2013**

With a primary focus on sustaining long-term student success and in accordance with Santiago Canyon College's mission and core goals, Enrollment Management includes an integrated planning approach that supports college-wide collaboration, engagement, creative-thinking and consensus building that contributes to student recruitment, retention, graduation, and life-long learning with a particular commitment to the following guiding principles:

- focusing on a holistic approach to student access, student success, and the quality of programs and services;
- balancing the needs of multiple student populations;
- ensuring that courses are offered for students to complete their educational path in a timely manner;
- acknowledging that student retention, student persistence, and student success are linked and are some of the measures that can be used to evaluate effective enrollment management plans;
- using both qualitative and quantitative data that is accessible, accurate, and agreed upon to inform decisions;
- following timely, transparent decision making processes;
- recognizing facilities and fiscal realities.
