Moved: DfcZggcf J c`n

Seconded: DfcZggcf 8 YY Ym

Whereas, Santiago Canyon College was able to offer a Winter Intersession in 2014 for the first time in several years, allowing over one thousand students to take general education courses between the fall and spring semesters;

Whereas, The Associated Student Government President of Santiago Canyon College informed the RSCCD Board of Trustees that the students were happy that intersession was offered and that they hoped it would be offered again next year;

Whereas, Santiago Canyon College's Enrollment Management Committee has reviewed course data from the 2014 intersession and found that course success and retention rates were higher during the intersession than during the fall 2013 semester; and

Whereas, Santiago Canyon College's Enrollment Management Committee believes that all available data supports offering a winter intersession in 2015;

Resolved, That the Academic Senate of Santiago Canyon College support offering a winter intersession in 2015 if funding is available; and

Resolved; That the Santiago Canyon College Academic Senate President inform the President of Santiago Canyon College that the faculty support offering an intersession in 2015 as long as funding is available and as long as course offerings during the fall, spring, and summer semesters will not be negatively impacted.
