Resolution SP2014.5 Approve Spring 2014 Website Redesign

Moved: Prof. DeCarbo

Seconded: Prof. Nance

Whereas, The Santiago Canyon College website is the portal that most of the community uses to inquire about academic matters, and our current site does not offer all that it could;

Whereas, It was noted that the website must be modified prior to our accreditation visit, and a Website Redesign Task Force was created to improve the aesthetics, accessibility and usability of the SCC website, and that Task Force has completed its charge;

Whereas, All constituent groups have been provided access to the timetable of completion for creation of the new website, and all constituent groups have been invited to all meetings, and their input has been welcome; and

Whereas, The design being offered is the structure upon which departments and programs will be able build and modify content unique to their area;

Resolved, That the Academic Senate of Santiago Canyon College approve the spring 2014 website redesign.

Date Presented: 4 March 2014

Date Approved: **4 March 2014**
