Resolution SP2014.9

Support of the Associated Student Government of Santiago Canyon College Student Trustee Representation Change

Moved: Professor Nance

Seconded: Professor Shekarabi

Whereas, Equal representation in the governance process is a principle of high standing in the Rancho Santiago Community College District (RSCCD);

Whereas, The concerns of the Santa Ana College student body are legitimately different from those of the Santiago Canyon College student body;

Whereas, The current system places the RSCCD Student Trustee in an untenable positions having to, at times, represent conflicting positions equally; and

Whereas, The system of having one student trustee from one of the colleges represent all students in the district has often led to the perception that not all students are being equally represented; and

Whereas, Administrative regulation 2015 reads, "the candidate receiving the plurality of the combined votes at both colleges shall be elected as the Student Trustee," and there are at least two students enrolled at Santa Ana College for every student enrolled at Santiago Canyon College;

Resolved, That in support of and in solidarity with the Associated Student Government of Santiago Canyon College, the Academic Senate of Santiago Canyon College urges the Rancho Santiago Community College District Board of Trustees to adopt the policy of having a student trustee from each college each year.
