

Create an account

In this section, you will learn how to create a Parchment account.

- Parents and guardians can create parent/guardian accounts. For more information on these types of accounts, go to the [Parent/guardian accounts](#) section.
- If you are under 18, you must check the box to confirm that you have your parents' permission to create the account.
- Your password must be at least 8 characters long, and contain both letters and numbers.
- During the registration process, you will be asked if you'd like to share your information with colleges and/or employers looking for people like you. If you opt-in, we will make some of the information you provide to us available to a variety of colleges and programs. The colleges and programs can then send you information.

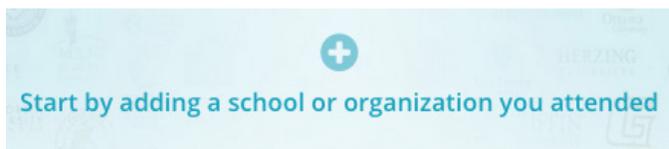

HOW TO CREATE A PARCHMENT ACCOUNT

If you received an email from your school with a link in it, or a handout with a code, follow the instructions to register for an account. Registering this way speeds up the registration process because some of the information will already be filled in for you. This is available to high school students only. Otherwise, follow the instructions below.

To register for an account:

1. Go to [Parchment.com](#), click **Sign up**, and fill in the fields.
2. Click **Start by adding a school or organization you attended**.

3. Enter the name of your school in the search box and click **Search**.

To the right of the input box is a green button with the word "Search" in white. Below the input box, there is a link for "Advanced Search" with a small downward-pointing triangle.

- Click **Advanced Search** to narrow the results and search by:
 - High schools
 - Colleges
 - City, State, or Country

- When your school appears, click **Add**. If your school does not appear or you see **Not Available** after clicking **Add**, please contact your school to request transcripts from them directly.

- You will be brought to the **Add Enrollment Information** page.
 - Select if you are currently enrolled or not currently enrolled.

 - You are now ready to place your order. Go to the next section.

Order your transcript

It is important to remember that your school has your transcript. After you place your order, your school must review and approve your order before we can send it. Therefore, if there is a delay with your order, you should contact your school.

You can place multiple orders at the same time if you need to send your transcript to different destinations. You can also select if you'd like to wait until your next grades are in before your transcript is sent.

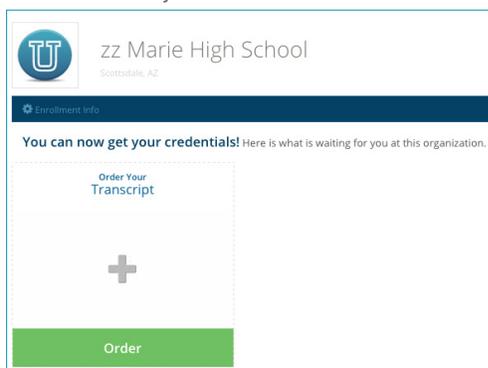

ELECTRONIC AND PAPER TRANSCRIPTS

- Some schools have a preferred delivery method saved into our system, so you may not be presented with a choice of delivery methods. For example, some schools may only want to receive electronic transcripts, so you would not see a paper option.
- If you order an electronic transcript, the recipient will receive an email with a link in it to access your transcript, or, if they are part of the Parchment network, the electronic transcript will land in their Parchment account.
- If you order a paper transcript, you will have the option to send your transcript by USPS mail or overnight delivery. Information about overnight deliveries:
 - We use FedEx for overnight delivery.
 - FedEx does not deliver to PO Boxes.
 - FedEx does not deliver on Saturdays and Sundays.
 - Since your school must approve and process your order before we can send your transcript, it is unlikely that your transcript will be delivered the next day if there is a delay with your school approving and processing the order.

2. You will see your school listed. Click **Order**.
