Associate of Arts for Transfer: Geography (32364)

The Associate in Arts in Geography for Transfer degree provides students with an interdisciplinary background for entry into a curriculum at a four-year institution leading to a baccalaureate degree with career opportunities in a wide range of jobs in government, such as Bureau of Census, Central Intelligence Agency (CIA), Drug Enforcement Administration (DEA), United States Geological Survey (USGS), United States Citizenship and Immigration Services (USCIS), United States Immigration and Customs Enforcement (ICE), United States Department of State, and in private industry, such as planning market research, land use analysis, transportation, travel and tourism, and education.

Learning Outcome(s)

Upon successful completion of the major requirements for this degree, students will be able to

- **Communication Skills:** Develop geographic literacy in both physical and cultural fields. Use specific geographic terminology. Interpret various geographic maps, graphs, and charts
- **Critical Thinking:** Evaluate various meteorological and geomorphological data identifying cause and effect. Analyze how humans interpret and interact with their physical environment including global diversity in cultural and physical realms and the challenges this poses to the environment
