## Associate of Arts for Transfer: Sociology (30600)

The Associate in Arts in Sociology for Transfer degree is an interdisciplinary social science program providing students an understanding of interpersonal behavior and social structure, a critical appreciation of contemporary social life, and a form of reference for an analysis of human behavior. Successful completion of the transfer degree in Sociology guarantees the student acceptance to the California State University system to pursue a baccalaureate degree in Sociology or a related field.

### **Learning Outcome(s)**

Upon successful completion of the major requirements for this degree, students will be able to

- Demonstrate familiarity with the theoretical perspectives, concepts, findings, problems, institutions, history, and trends in the field of sociology
