Associate of Science for Transfer: Early Childhood Education (35614)

The Associate Degree in Science in Early Childhood Education prepares students to transfer into a baccalaureate degree program in Child Development or a related field of study. Students will gain general knowledge and experience in early childhood education topics enabling them to obtain a Child Development Center Permit and meet the standards set forth by the National Association for the Education of Young Children for appropriate teaching practices in early learning settings.

Learning Outcome(s)

Upon successful completion of the requirements for this certificate, students will be able to

- Demonstrate a knowledge of early childhood curriculum, program practices, and the development of young children
- Apply for and receive a Child Development Center permit
