Home-Based Business Workshop Offered

June 2—Many people today are looking to move out of the corporate world and into their own home-based businesses. To help entrepreneurs get started, Santiago Canyon College is offering a workshop through its Community Services program entitled, “How to Start a Home-Based Business.” The workshop is scheduled for Monday, June 13 from 6:30 p.m. to 9:30 p.m. at Santiago Canyon College, room B-210, 8045 East Chapman Ave., in Orange.

The workshop covers the following topics: the basic steps in setting up a legitimate business from home, advertising and marketing techniques, tax tips and guidelines, and how to obtain merchant status to accept credit cards.

“The workshop dispels some of the myths and alleviates anxiety about rules and regulations regarding permits and paperwork,” said presenter Nancy Miller.
