So you can’t draw & you can’t paint but in 6 WEEKS YOU CAN!

It’s been your lifelong wish to paint this one special photograph—okay, a couple. There’s only one problem—you’re not an artist. Challenge yourself and let Lorna Manapat, who has created over 40,000 portraits worldwide, teach you the tricks of the trade without the frustration of a beginner artist. By the end of the course, you will surprise your family & friends with the “reveal” of your masterpiece at your own art exhibit.

All educational opportunities are offered without regard to national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status.
