Career Technical Education Certificate of Completion

Multi-Media Artists & Animators

- Earn an Average Hourly Wage Rate of \$36.44
- Annual California Job Openings through 2020: Over 700

The Multi-Media Artists and Animators program is designed to develop the technical and creative knowledge and skills necessary for employment in multiple business sectors, such as, marketing, the medical field, auto, and entertainment and gaming industries.

Course activities build student skills in: creating special effects, animation, or other visual images using film, video, computer, or other electronic tools and media for use in products of creations, such as computer games, movies, music videos and commercials.
