# Healthcare Support Worker

- Average California Hourly Wage \$22.49
- Annual California Job Openings through 2024: Over 14,400

[Click Here to  
Apply & Register](#)

This program provides students with the basic foundation of knowledge and skills to become a healthcare support worker. Designed for students who want to pursue a career in the healthcare field, this program will provide a comprehensive overview of the many types of healthcare occupations as well as the academic and clinical requirements necessary to successfully enter those occupations.

Upon successful completion of the requirements for this certificate, students will be able to demonstrate how to perform administrative and patient care duties.

To register or for additional information regarding class dates, times and locations, call or visit any of the following locations:
