The Certificate of Completion Curriculum in Nursing Assistant is designed to provide students with the knowledge to be part of a healthcare team under the supervision of a nurse. The curriculum is based on the professional standards established by regulatory agencies, and it covers essential topics included in the Nurse Assistant Certification Exam. Due to California Department of Public Health regulation, a physical exam, CPR certification, and background check must be completed at the start of the program.

### Requirements for VMED-011:

- ◆ Be at least 18 years of age on first day of class
- ◆ Possess a State Issued ID or Driver's License
- ◆ Possess a Social Security Card
- ◆ Pass a TB Test (Tuberculosis) or Clear Chest X-Ray
- ◆ Pass a Physical Exam to confirm good health
- ◆ Pass a Background check (Livescan Fingerprints)
- ◆ Possess certification for BLS/CPR for Healthcare Professionals (training will be arranged during VMED-010)

**DISCLAIMER:** *The California Department of Public Health requires a valid social security number for certification purposes. Therefore, students enrolling in the CNA program through Santiago Canyon College, must have a social security card in order to begin the program.*
