Please select a project that will expand your knowledge of Culture, Archaeology and Applied Anthropology. Travel to cultural and archaeological locations that you are not familiar with.

1. A report will need to be written and turned in on the final day of this class. Your report should **be typed and be 2-3 pages long**. You may follow the same dimensions and style as required for your essays. Your efforts can be rewarded with as much **10 extra points**.

2. The goal of your report is to document your learning experience and to describe what you have observed culturally. Please state your information completely and clearly. If you go to a museum you may describe the artifacts from two different cultures, for example Oceania and African Cultures. Your descriptions may take in to consideration **religion, technology, symbolic meanings** and level of society such as tribal or state.

3. Please provide a cover page for your report and if you have handouts staple them at the back of your report. It would be good to have a thesis statement at the beginning of your report. Try to make connections between your travels and what you learned in the classroom and your textbook.

4. Please include in your report: The name of the site, location, why the site is significant culturally, scientifically, artistically and include the date ranges of the site. If you were given a tour of the site by a Docent- please get the name of the Docent and note the date and time you received the tour. This information should be included in your travel report.

The following are a sample of sites you may visit, you may visit other sites but, talk to the teacher first.

**Orange County:**
- Bowers Museum-Santa Ana
- Mission San Juan Capistrano-City of San Juan Capistrano
- Lectures at the Archaeological Institute of America, Concordia College, near U.C.Irvine
- Little Saigon, eat the foods, tour the import stores and talk to people

**Los Angeles County:**
- Fowler Museum-UCLA, on campus---near Wilshire blvd. and San Diego Freeway— see archaeological laboratories in the museum basement
- Getty Villa in Malibu
La Brea Tar Pit Museum
Hebrew Union College Museum, near the Getty Museum Center
Southwest Museum
Little Tokyo, try the food and talk to people

San Diego County:
• Museum of Man-Balboa Park, see the Early Man and the California Indian exhibits
• San Diego Zoo, before first test, located near the Museum of Man
• Old Town San Diego-talk to the Docents and Rangers

HAVE A FUN, SAFE AND EDUCATIONAL TRIP!
