MANAGE MY WAIT LIST—
THIS IS THE STUDENT’S RESPONSIBILITY

• Once a class fills its seats to the limit, a wait list is created. Although you may see an open seat — you may only add yourself to the wait list.

• It is your responsibility to check your email daily to see if you have been moved from the wait list into an open seat.

• When students are dropped for non-payment, seats may become available. Students on the wait list WHO ARE ELIGIBLE FOR THE CLASS will be rolled automatically into the open seats. An email will be sent to you when this happens.

• You have 3 days to pay. Failure to pay on time causes you to lose the class and a place on the wait list.

• If you have not met the class pre-requisite or if you do not have a class waiver (i.e., permission to register for the class online), you will remain on the wait list and never roll into an open seat.

• Online classes do not always allow wait listing. Most online courses overload their capacity. Once that capacity is filled, the class is closed. You will not be able to get on the wait list. DO NOT EMAIL THE INSTRUCTOR. You will not receive a reply.

• Some wait lists may have a maximum limit. If you cannot add to the wait list, then it must be full.

• Once the semester starts, the movement off the wait lists stops for full semester classes. However, students wait listed for late starting classes will continue to be rolled into open seats.

REMINDER - YOU WILL NOT BE ROLLED OVER IF:

• You do not meet the prerequisite
  (make sure your waiver has been entered by Counseling)

• You are repeating a course

• You need an overload petition

• There is a class conflict

Materials Fee ............................................................ Varies
(May be required for a course. Check Class Schedule)

*Health Fee Exemptions (Education Code 76355): (1) Any student who depends exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization, provided that the student presents documentary evidence of an affiliation with such a bona fide religious sect, denomination, or organization. (2) Any student enrolled in an approved Apprenticeship Program. A request for an exemption may be filed at the Admissions & Records Office.
WHAT is testing?
To assist you in successfully reaching your education goals, we request that most students complete assessment or placement testing in English, reading and math. This enables us to counsel you as to the appropriate English, reading and math courses you should take.

There are two English tests. The College Test for English Placement (CTEP) is for students who have studied English and/or ESL (English as a Second Language) in school for at least seven years or who use English frequently on a daily basis. The other test, the Test of English Language Development (TELD) is for students who have not studied English and/or ESL in school for at least seven years or who do not use English frequently on a daily basis. Students taking the TELD will be referred to ACE (American College English) classes. Students who take the wrong test may be placed in a class that is not right for them. By the time you and the teacher realize you are in the wrong class, it may be too late to register for the appropriate class.

The Math Diagnostic Testing Project (MDTP) has four different levels. You will be asked to select the level you feel you are best prepared for. Sample questions for each test are available in the Placement Testing Center and in the Counseling Center.

WHO should complete testing?
Any student who: plans to accumulate 15 or more units at SCC or SAC; plans to enroll in an English, reading, or math course; plans to complete an Associate degree, certificate, or transfer to a four-year university; is formulating career interests, plans or goals; is preparing for a new career, or is undecided about educational goals.

WHAT if I already tested?
Your test scores in English are valid for two years. If you tested more than two years ago and have not taken an English or ACE class at SCC or SAC you must test again. If you tested within the last two years you must have authorization from a faculty member to retest. Reading scores will remain valid indefinitely. If you wish a retest you will be required to wait one year unless you have authorization from a faculty member.

Your test scores in Math are good for one year. If you tested more than one year ago and have not taken a math class at SCC or SAC you must retest. You may take a different level math test at any time. You may not take the same level math test more than once in any semester.

Continuing students who need to retest should schedule an appointment as soon as possible.

WHAT if I tested at another college?
If you tested within the last two years in English, last year in math, or anytime in reading, bring official copies of placement test results in English, reading and/or math to the Counseling Center (D-106) at Santiago Canyon College as soon as possible to determine whether it is necessary to complete testing at RSCCD or whether your eligibility can be verified and you can be cleared for registration. Placement test information from other colleges must include: your name, name of the test(s), the raw score(s), and test date(s).

ESL test scores from other institutions are not accepted. In addition, ESL students who have completed ESL credit courses at other colleges and are still in need of additional English as a Second Language instruction, must also take the placement test at SCC. This is done so that we can determine which of our courses best meet your needs.

If your test scores are over two years old in English, or one year old in math, or if you are applying for a special program which requires testing at SCC, you will need to re-test.

HOW do I complete testing?
1. New students must first apply to the college.
2. Students who apply early will be referred to the Testing Center to schedule a priority test appointment. Priority testing appointments are given on a first-come first-served basis. Priority testing is conducted in the Testing Center, E-303, at Santiago Canyon College. Call 714-628-4985 for an appointment.
3. Continuing students who have not tested or who need to retest should complete testing during priority testing.
4. Regular testing for the Fall Semester begins August 23, 2010. Students who wish to test at Santiago Canyon College may phone 714-628-4985 or 714-628-4800 to set up an appointment.
5. After you complete testing, you will be directed to schedule an appointment for orientation and advisement with a counselor where you will receive your test results and other information about college requirements, courses, and programs. You may register on your assigned date completing testing, orientation, and advisement.

WHY should I do this?
1. By completing testing, orientation, and advisement we will be able to assist you in planning a course of study based on your academic abilities and interests.
2. The California Community Colleges have adopted this matriculation effort as a statewide requirement.
3. If there are other circumstances that should be considered in recommending your enrollment into certain courses, please contact the Counseling Center at Santiago Canyon College at 714-628-4800, or the Disabled Student Services Program, 714-628-4860.

RIGHT TO APPEAL
Students who feel that they have been treated in a discriminatory manner, or would like to appeal their recommended placement level may file a complaint about any aspect of the college’s matriculation program with the matriculation coordinator. Call 714-628-4775.

ABILITY TO BENEFIT
The Ability to Benefit Test is given to students who do not have a high school diploma or a GED to qualify for Financial Aid. An appointment is necessary. For an appointment, please call 714-628-4985.

What is an honors course?
At SCC, an honors course is an approved transferable general education course with an honors component. For example, a section of English Composition 101 becomes Honors English Composition 101H. Currently, we have 51 approved honors courses.

What are the benefits to honors students?
1. Smaller classes (no more than 24 students)
2. More one-on-one interaction with professors and peers
3. An enriched environment that allows for student-directed activities and discussions, guest speakers, field trips, and more
4. Professors who are committed to innovative teaching styles and strategies
5. A learning community of students who share a curiosity and an analytical approach to education
6. Designation on transcripts of honors courses
7. Accumulation of honors credits to graduate as a President’s Scholar and to enter transfer agreements with fourteen participating four-year institutions, offering at a minimum "priority admission"

Who can enroll in an honors course?
At SCC, you do not have to be admitted into the Honors Program to take an honors course. A student meeting any of the following guidelines may enroll in an honors course:
1. Students who are accepted into the Honors Program
2. Students meeting the prerequisites of an honors course as stated in the college catalog
3. Students with a 3.0 GPA in all high school work (entering freshmen) or in college work (continuing students)

What are the requirements for acceptance into the Honors Program?
You must submit a completed application to the Honors Program Office. Minimum guidelines for admission include:
1. A minimum cumulative GPA of 3.0
2. Qualification for English 101

W FALL 2010 WEEKEND CLASSES
Friday evening and Saturday classes are offered at SCC. Look for the W symbol!

ONLINE COURSES FOR FALL 2010
PARTICIPATION, ATTENDANCE & EXAMS
Students enrolling in online courses will have the opportunity to complete most of their course work outside of the classroom, on their own time, usually at home or on campus using an on-campus computer. Students are required to come to Santiago Canyon College to take the exams and/or other sessions as required by the instructor. An instructor will be available at the campus, by telephone or appointment, or via email, to discuss concerns or questions which may develop during the course.

ACCESS REQUIREMENTS
Online courses require students to have access to a computer with an individual email account and access to the World Wide Web. Internet access is available to students in the Santiago Canyon College Library.

If necessary, Academic Computing Center staff will assist students in creating an email account. The majority of the coursework is done online; however, one or more on-campus meetings may be required.

COURSE INFORMATION
Information about online classes can be found online at: www.sccollege.edu/distance learning
Course orientation date, time and place, Frequently Asked Questions (FAQ), course requirements, and instructor contact information can all be found at that site, or email blackboard@sccollege.edu. Look for next to classes in the class listing section.

If enrolling in English, Reading, and/or Math, bring official copies of placement test results from other colleges to the Counseling Center (D-106) at Santiago Canyon College. They will determine if it is advisable to complete additional placement testing at SCC. Placement test information from other colleges must include: your name, name of the test(s), the raw score(s), and test date(s). English/ESL test scores are valid for two years. If you tested more than two years ago for English/ESL, you may need to retest. ESL test scores from other institutions are not accepted. Math test scores are valid for one year. See pages 7–8 for more information about Placement Testing.

TRANSCRIPTS
Official Transcripts of previous high school and college work should be filed with the Admissions Office by students pursuing a degree.

TRANSPORTATION POLICY
Some classes may be conducted off campus. Unless you are specifically advised otherwise, you are responsible for arranging your own transportation to and from the class site. Although the District may assist in coordinating the transportation and/or recommend travel times, be advised that the District assumes no liability or responsibility for the transportation and any person driving a personal vehicle is NOT an agent of the District.

DISTRIBUTION OF CRIME STATISTICS ON CAMPUS
The District Safety Department provides 24 hour services to both Santa Ana College and Santiago Canyon College, and their sites and centers. At SAC the office is at the X building and the telephone number is 714-564-6330. At SCC, the district safety and security office is at the U building and the phone number is 714-628-4730. Persons wanting to call the office may also do so at SAC, SCC and at the Centennial Education Center may use the yellow call-boxes on those campuses. After hours, from 11pm to 7am, Mon-Fri, the district-wide number for district safety and security services for all campuses is 714-564-6333. RSCCD has a reputation for maintaining safe campuses, where staff, students and faculty can work and study without fear for their personal safety or property. All crimes or serious incidents that occur on campus should be reported to the district safety and security department. Crime report logs for the district are maintained and available for review at the district safety office at Santa Ana College.

The Santiago Canyon College ACE/ESL Department offers an intensive program for students who have lived in the U.S. for several years who still require more practice in writing and speaking college-level English, for students who plan to live in the U.S. while attending college, and for students who simply desire greater English fluency to function well in their community.

ACADEMIC PLANNING

PREREQUISITES AND COREQUISITES

IMPORTANT DEFINITIONS
If you should see the words Prerequisite and Corequisite, in the class schedule, it is important for you to understand the definitions of these terms. Note that prerequisites and corequisites can be challenged. See Prerequisite Challenge Policy, on this page, for more information.

PREREQUISITE
Prerequisite indicates a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed in the course or program. Students will not be permitted to enroll in such courses and programs without the appropriate prerequisite.

COREQUISITE
Corequisite indicates a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed. Students must concurrently enroll in the corequisite course.

PREREQUISITE CHALLENGE POLICY AND PROCEDURES

COURSE PREREQUISITE POLICY
Prerequisite means the preparation or previous course work considered necessary for success in the course. The College requires students to complete prerequisites as pre-enrollment preparation. Prerequisites which are listed in the College Catalog include:

1. Courses for which specific prerequisites have been established,
2. Sequential course work in a degree-applicable program, and
3. Courses in which an equivalent prerequisite exists at a four-year transfer college or university.

Questions about prerequisites are best resolved with a counselor or instructor prior to the first day of class.

PREREQUISITE CHALLENGE PROCESS
A prerequisite challenge requires written documentation explaining alternative course work, background or abilities which adequately prepare the student for the course. A Prerequisite Challenge Form can be obtained from the appropriate division office. Prerequisites may be challenged for one or more of the following reasons:

1. The college has not developed the prerequisite according to its established procedures or has not developed the prerequisite in accord with existing statutes.
2. The prerequisite is discriminatory or is being applied in a discriminatory fashion.
3. The College has not made the prerequisite course reasonably available.
4. The student has documented knowledge and abilities equivalent to those specified in the prerequisite course.

The challenge will be reviewed by a committee consisting of the division dean, or designee, department chair, or designee, and one department or division representative or designee.

If space is available in a course when a student files a challenge to the prerequisite or corequisite, the district shall reserve a seat for the student and resolve the challenge in a timely manner. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.

CERTIFICATE PROGRAMS
A “Certificate of Achievement (18 or more units or state approved under 18 units) is a verification of achievement in a particular academic or occupational area, and it will be included on the official transcript.” Certificate of achievement programs normally include only those courses which have a direct bearing upon specialized occupational competency since the certificate has the sole objective of immediate employment in a specialized area. For this reason there is no general education requirement in a certificate program. Santiago Canyon College certificate programs are described in the catalog section on college credit instructional programs. To qualify for a certificate of achievement, a candidate must meet the following requirements:

1. Courses: Courses are designated for the specific certificate.
2. Grades: At least a C grade in each course required for the certificate, unless otherwise specified. Credit by Examination may also be used to gain credit for required courses.
3. Pass/No Pass: A Pass/No Pass course is acceptable toward the certificate if it is required for the certificate and (a) offered on a Pass/No Pass basis only or (b) if the Pass/No Pass is earned on the basis of credit by examination.
4. Residency: Twelve units completed at Santiago Canyon College. (Six units of major requirements must be completed at Santiago Canyon College.)
5. Petition: Petition for certificate filed by the student with the Office of Admissions and Records at Santiago Canyon College.

3. Grades of “C-” earned in Areas A1, A2, A3, and B4 will not be certified.
4. A single course may not meet more than one general education requirement.
5. Certification of coursework from other colleges will only be granted to students who have completed a minimum of 12 units at Santiago Canyon College.
6. Courses taken at other California Community Colleges will be applied to the subject areas in which they were listed by the institution where the course was completed.
7. Courses taken at other regionally accredited private institutions (which do not maintain a CSU certification list) may be approved for certification after a review by the Santiago Canyon College Articulation Office. Courses completed at foreign institutions are not acceptable for certification. Petitions are available from the Santiago Canyon College Counseling Department and must be accompanied by the appropriate documentation.
8. Requests for certification should be made during the semester prior to the last term of attendance. Please consult the class schedule or the Admissions website at www.sccollege.edu or the Santiago Canyon College Counseling department for deadline information.

See page 51 for all class locations. Register online at www.sccollege.edu
Completion and certification of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from Santiago Canyon College to a campus in either the CALIFORNIA STATE UNIVERSITY or the UNIVERSITY OF CALIFORNIA system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. Completion of IGETC does not guarantee admission to a UC campus. Students are strongly encouraged to meet with a counselor when planning to transfer to a UC campus.

IMPORTANT NOTE: The list of certifiable courses will be subject to change by year by year, but students are assured that courses taken to meet IGETC requirements will be honored if they are approved for the academic year in which they are taken. Courses on this list are approved beginning Fall 2010 and are valid through Summer 2011.

UC requires the completion of a college course or courses with a grade of “C” or better OR a one-year course in high school in U.S. History or a half-year course in U.S. History and a half-year course in American Government with grades of “C” or better (UCLA requires grades of “B”). Requirements vary by UC campus. Check with a Santiago Canyon College counselor to determine which course(s) to take.

**CERTIFICATION REQUIREMENTS**

1. Complete all courses used for IGETC certification with a minimum grade of C (minus is not acceptable); A “Pass” is acceptable providing it is equivalent to a grade of C or higher.

2. Request certification from the last California community college you attend prior to transfer to CSU or UC. Requests should be made to the Office of Admissions and Records during the semester prior to the last term of attendance. Please consult the class schedule or the Santiago Canyon College Counseling Department for deadline information.

Equivalency is determined by Santiago Canyon College faculty. Petitions are available from the Santiago Canyon College Counseling Department and must be accompanied by the appropriate documentation.

6. Courses completed at foreign institutions are not acceptable except for certification of competence in a language other than English.

7. Completing IGETC prior to transfer is strongly recommended and can be advantageous in the admissions process. Partial certification is permitted if the student has completed all but two (2) courses on the pattern. Please see a counselor for guidelines.

BOARD OF GOVERNOR’S FEE WAIVER PROGRAM

There are three ways for California residents to qualify to have their enrollment fee waived at SAC and SCC. Submit the completed BOGW form to the Financial Aid Office for Method A and Method B.

BOGW A UNTAXED INCOME

Complete the BOGW application and provide the required documentation showing you or your family are receiving TANF, Cal Works, SSI/SSP, or General Relief. You are also eligible if you have certification from the California Department of Veteran Affairs or the National Guard Adjutant General that you are eligible for a dependent’s fee waiver, or if you are eligible as a recipient of the Congressional Medal of Honor or as a child of a recipient, or a dependent of a victim of the September 11, 2001 terrorist attack. In addition you are eligible as a dependent of a deceased law enforcement/fire suppression personnel killed in the line of duty. Verification of benefits is required.

BOGW B FAMILY INCOME

To be eligible, you must complete the BOGW application, signing a statement, under penalty of perjury, that the income information is true and that the family income does not exceed the state income standards determining eligibility.

BOGW C FINANCIAL AID APPLICANT

Complete the FAFSA application process, and provide the Financial Aid office with all required documentation. Once the need analysis is calculated, applicants with a least one dollar of unmet need will be provided with a BOGW C that will pay the Enrollment Fee for the entire academic year and provide a refund to students who have already paid.

In order to apply for any financial aid program, you must complete the FAFSA, the Free Application for Federal Student Aid, and mail it to the processor or apply online at www.fafsa.ed.gov by June 30, 2011. If you are required to use your parent(s) income information, refer to the federal IRS Income Tax Forms. New applications are available every January. Receive a PIN # before you apply. Go to pin.ed.gov.

The state Cal Grant competition requires you to complete the FAFSA and to submit GPA verification. If you have completed 24 degree applicable units at Santa Ana College or Santiago Canyon College, your GPA will be sent electronically. If not, you will need to submit your high school GPA on the paper GPA Verification form. Cal Grant deadlines are March 2nd and September 2nd.

Once you have applied for financial aid, you will be notified by the processor with a Student Aid Report (SAR), giving you the Expected Family Contribution which determines your Pell Grant eligibility and BOGW C eligibility. The California Student Aid Commission will notify you of your Cal Grant eligibility. Each college you have listed on the FAFSA will mail you additional forms to be completed and turned into the Financial Aid Office. Check with the Financial Aid Office to see if you qualify for the Fee Waiver. After all required documents have been processed; you will be awarded the financial aid programs you are eligible for and an Award Letter will be mailed to you.

If your family circumstances have changed, due to illness, loss of a job, etc., ask about “Special Circumstances” that could affect your eligibility.

Withdrawals and Repayments of Financial Aid Funds

Federal regulations may require students to repay federal funds if they drop or withdraw from all classes or drop below half-time status, or are dropped by the instructor due to excessive absence. Based on the date of the COMPLETE WITHDRAWAL, the Financial Aid Office is required to determine the amount, if any, of “unearned” federal financial aid received by the student. A calculation will be completed to determine if the student will owe a refund.

If a student remains enrolled and does not COMPLETELY WITHDRAW until more than 60% of the semester has been completed, the student will be considered to have earned all of the federal funds received. Remember that this situation will affect the Satisfactory Academic Progress requirements for financial aid eligibility.

Try to successfully complete at least six units each semester, so that you are not required to pay back a portion of the funds you have received. Dropping below half-time will affect your award.

General Eligibility Requirements:

• Be a US citizen or eligible non-citizen
• Have a high school diploma, pass the CAHSEE exam, or if you do not have a High school diploma, GED completion is acceptable. If none of the earlier qualifications apply, applicant must pass the Ability to Benefit examination or complete six college credit units applicable towards an educational objective.
• Have a valid Social Security Number
• Meet Satisfactory Academic Progress requirements
• Not be in default on any federal student loan or owe a refund on any federal grant
• Be enrolled in an eligible program of study leading to a degree, transfer or a certificate
• Provide the Admissions Office with official academic transcripts from previous colleges attended
• Drug convictions, while receiving federal aid, will disqualify eligibility
• Male Students must be registered with Selective Service. Register online at www.sss.gov or call 847-688-6888 if you need your selective Service Number.
FINANCIAL AID PROGRAMS FOR STUDENTS

Cal Grants
Cal Grants are available to California residents attending eligible California colleges who meet all criteria and are enrolled in at least 6 units. The programs are administered by the California Student Aid Commission. The annual application deadlines are March 2 and September 2. A FAFSA and a GPA verification is required.

Cal Grant A
Eligibility is based on financial need and GPA. Assistance is provided to meet tuition and fee costs at four-year universities. Awards to community college students may be placed on “reserve” for a maximum of two years until they transfer to a four-year institution. Award amounts: $2,332 at CSU, $5,682 at UC, $8,322 at independent colleges.

Cal Grant B
Is provided to students from low-income families with living allowance and tuition and fee assistance to attend college. The maximum award amount is $1,551 per year and will be prorated for less than full-time students. This grant may be used at community colleges and universities, not to exceed four years. Cal Grant B students also receive tuition costs at the same levels as Cal Grant A, beginning the sophomore year.

Cal Grant C
Assists eligible students enrolled in a vocational training program leading to a Certificate or AA/AS degree, not a transfer program. The maximum awards amount is $576 per year, and will be prorated for less then full-time students.

Federal PELL Grant
Pell grant is a federally funded program for undergraduates who demonstrate need. The amount of the Pell Grant is based on the cost of attendance, the Expected Family Contribution, and the enrollment in number of units. If eligible, students may receive up to $2,775 maximum per semester. If you apply late and you are eligible, you may be paid retroactively for the entire academic year. “NEW” Pell Grants are now limited to 18 semesters.

William D. Ford Federal Direct Loan Program
All students who meet federal financial aid eligibility criteria may borrow through the Stafford Loan program.
Annual Subsidized and Unsubsidized Loan Limits are $3,500 for freshmen and $4,500 for sophomores.

Subsidized Stafford Loan: The federal government pays the interest on this need-based loan while the student is in school, at least half-time, and during the six-month grace period following graduation, or when enrollment drops below half-time status. Money is borrowed directly from lenders.

Unsubsidized Stafford Loan: The student is responsible for paying the interest on this loan that is not need based.

Additional Unsubsidized Stafford Loans: Available to students who meet all of the qualification requirements. The annual loan limits are $6,000 for independent students and $2,000 for dependent students.

Plus Loans: For parents who borrow on behalf of dependent students.

Federal Supplemental Educational Opportunity Grant (FSEOG)
This is a federally funded grant, available to undergraduates who demonstrate exceptional financial need. Priority in awarding FSEOG funds must be given to Pell Grant recipients. Minimum enrollment is six units per semester. Early applicants are given priority.

Federal Work-Study Program (FWS)
This is a federally funded program providing employment opportunities to students with financial need. Students awarded FWS are placed in part-time jobs on campus. This program provides an excellent “learning experience” through on-the-job training. Students must be enrolled in a minimum of six units to remain eligible. Early applicants are given priority.

Academic Competitiveness Grant

Extended Opportunity Programs and Services (EOPS) and CARE Grants
