Short term sections: Please check section info for specific dates.

MANAGE MY WAIT LIST—THIS IS THE STUDENT’S RESPONSIBILITY

- Once a class fills its seats to the limit, a wait list is created. Although you may see an open seat – you may only add yourself to the wait list.
- It is your responsibility to check your email daily to see if you have been moved from the wait list into an open seat. View your class schedule.
- When students are dropped for non-payment, seats may become available. Students on the wait list WHO ARE ELIGIBLE FOR THE CLASS will be rolled automatically into the open seats. An email will be sent to you when this happens. You have 2 days to pay. Failure to pay on time causes you to lose the class and a place on the wait list.
- If you have not met the class pre-requisite or if you do not have a class waiver (i.e., permission to register for the class online), you will remain on the wait list and never roll into an open seat.
- Online classes do not always allow wait listing. Most online courses overload their capacity. Once that capacity is filled, the class is closed. You will not be able to get on the wait list. DO NOT EMAIL THE INSTRUCTOR. You will not receive a reply.
- Some wait lists may have a maximum limit. If you cannot add to the wait list, then it must be full. Look for another section.
- Once the semester starts, the movement off the wait lists stops for full semester classes. However, students wait listed for late starting classes will continue to be rolled into open seats.

REMINDER - YOU WILL NOT BE ROLLED OVER IF:
- You do not meet the prerequisite
- You do not have a class waiver
- You need an overload petition! (>18 units)
- There is a class conflict

CLOSED CLASSES/CLASSES REQUIRING AN ADD AUTHORIZATION CODE
If the class you’d like to register for is closed, place yourself on the wait list, if it is available. Otherwise, once the course begins, the registration system will require an Add Authorization code in order to register, which you must obtain from the instructor.

You may attend the first class meeting to ask the instructor for an ADD Authorization Code (AAC), if the instructor gives you an Add Code, follow the instructions to register for the course by the stated deadline (3 day maximum). If you have any further questions regarding Add Codes, contact the Admissions Office at 714-628-4901.

Students who plan to take courses in English, English as a second language, math, reading and chemistry must take placement tests. SCC uses placement instruments approved by the California Community College State Chancellor’s Office, which means that students’ assessment profiles correlate highly with their ability to perform at their placement level.

**English Placement:** The college has two English programs and therefore two placement instruments, so students need to determine which test is appropriate for them. Taking the correct placement test puts students in the course which offers the kind of instruction they need. Native speakers of English should take the College Test for English Placement (CTEP); non-native speakers/ESL students should take the Test of English Language Development (TELD). Both tests can place students into English 101.

**Math Placement:** The Math Diagnostic Testing Project (MDTP) has four different levels. Students choose the level they feel best prepared for. Sample questions for each test level are available in the Testing Center, Counseling Center, and online at [www.sccollege.edu/testing](http://www.sccollege.edu/testing).

**Chemistry Placement:** To register for the chemistry placement test, students must call the Testing Center at (714) 628-4985.

**Disability Accommodations:** Students who require disability-related accommodations for placement tests must request them at least two weeks prior to testing and provide disability verification from a qualified professional. To arrange for testing accommodations, contact Disabled Students Programs and Services (DSPS) at (714) 628-4860.

**Test Results and Coursework from Other Colleges:** Recent placement results from other colleges (in the last two years for English or in the last year for math) may be accepted. Students must bring official copies of placement test results to the SCC Counseling Center (D-106) for verification and registration clearance. Placement test information from other colleges must include the student’s name, name of the test(s), the testing dates(s), the raw score(s), and course placement.

Students who have attended another college and have completed the necessary coursework in English, math, reading, and/or chemistry can bring official transcripts to the Counseling Center for verification and registration clearance.

**Steps to Complete Testing**

1. New students must first apply to the college.
2. Students who apply early will be guided to schedule their testing appointment online at [www.sccollege.edu/testing](http://www.sccollege.edu/testing). Priority testing appointments are available on a first-come first-served basis.
3. Continuing students who have not tested or who need to retest should complete testing during priority testing.
4. After you complete testing, you will be directed to attend new student orientation and advisement with a counselor where you will receive your test results and other information about certificate, degree, and university transfer requirements, courses, and programs and services.

**STUDENT SUCCESS AND SUPPORT PROGRAM**

Senate Bill 1456 revised and renamed the Matriculation Act of 1986 as the Seymour-Campbell Student Success Act of 2012. Signed by Governor Brown on September 27, 2012, the program began on January 1, 2013 and will be implemented through stages over a five-year period.

The Student Success and Support Program supports the transition of new students into the college by providing them services that promote academic achievement and successful completion of degrees, transfer preparation, career technical education certificates, or career advancement.

Students who feel that they have been treated in a discriminatory manner, or would like to appeal their recommended placement level may file a complaint about any aspect of the college’s assessment and course placement services with the Dean of Counseling and Student Support Services. Call 714-628-4775.

**NOTICE – Effective Fall 2013 Registration**

- You will lose registration priority if you are on academic or progress probation
- You will lose registration priority if you have more than 100 degree - applicable units

For specific policy information and procedures followed in matters of student violation of academic honesty, please see the current SCC Catalog.

CHANGE OF ADDRESS

If you change your address, use the online WebAdvisor system at www.sccollege.edu. You may make the change under the “address change”.

COLLEGE-CREDIT PROGRAMS

The Santiago Canyon College offers major college-credit programs in Orange. Santiago Canyon College classes are identified with “SCC“. Please refer to the list of SCC locations on page 47 for specific class locations at other sites.

COURSE ARRANGED HOURS

Students are obligated to carry out hours by arrangement in designated facilities, which are normally available from 8:00 am to 10:00 pm, Monday through Thursday, and from 8:00 a.m. to NOON on Fridays.

COURSE OPEN ENROLLMENT

Unless specifically exempted by statute, every course wherever offered and maintained by the district is fully open to enrollment and participation by any person who has been admitted to the college and meets the course prerequisites established in accordance with Title V.

COURSE REPETITION – Maximum of 3 enrollments

When may courses be repeated?
1. Substandard Work
   When student has earned a grade of D, F, NC (No Credit) or W. See Admissions for specifics.
2. Repeatable Courses
   When a course can be taken more than one time it is identified as being repeatable.
   There are limits to the number of times a course may be repeated.
3. When a course is repeated, the current grade replaces the previous grade. For further clarification, contact Admissions.
4. Extenuating Circumstances
   Extenuating circumstances may be petitioned at the Admissions Office. Special circumstances are as follows: a significant lapse of time (3 years or more) since student previously completed the course or the occurrence of an accident, illness, or other circumstance beyond the control of the student. See the Admissions Office for instructions.
5. Variable Unit Courses
   A variable unit course may be continued from semester to semester until the maximum number of allowable units has been successfully completed.
6. Education Code (Title 5)
   Limits a regular course (one not designated as repeatable) to be repeated a maximum of 3 times. “W” grades count as a repeat.

COURSE WITHDRAWAL POLICY

A student who cannot continue a course has an obligation to withdraw officially through WebAdvisor. Students officially withdrawing after the refund period (September 8, 2013), from a full semester-length course, will receive a “W” grade (withdrawal); a “W” (withdrawal) from a course less than semester-length must be submitted before 75 percent of the course has expired (check section detail for deadlines). Withdrawing from a course after the above deadlines requires that the student receive an “F” or other letter grade. Consult the Admissions Office for answers to any questions regarding this policy.

Pass/No Pass petitions for full semester classes must be received in the Admissions Office by September 27, 2013. Pass/No Pass petitions for classes less than a semester in length must be submitted before 30% of the class expires. Pass/No Pass courses may NOT be taken in the student’s major field and a maximum of 12 units of pass/no pass are allowed toward a degree program. All Pass/No Pass Petitions require a counselor’s signature. Pass/No Pass does not include credit by examination.

SOCIETY—SANTIAGO CANYON COLLEGE COURSES 37
ACADEMIC PLANNING

PREREQUISITES AND COREQUISITES

IMPORTANT DEFINITIONS

If you should see the words Prerequisite and Corequisite, in the class schedule, it is important for you to understand the definitions of these terms. Note that prerequisites and corequisites can be challenged. See Prerequisite Challenge Policy, on this page, for more information.

PREREQUISITE

Prerequisite indicates a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed in the course or program. Students will not be permitted to enroll in such courses and programs without the appropriate prerequisite.

COREQUISITE

Corequisite indicates a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed. Students must concurrently enroll in the corequisite course.

RECOMMENDED PREPARATION

Indicates that while a course is not required prior to enrollment, it is highly advised in order to strengthen the likelihood of success in subsequent courses.

PREREQUISITE CHALLENGE POLICY AND PROCEDURES

COURSE PREREQUISITE POLICY

Prerequisite means the preparation or previous course work considered necessary for success in the course. The College requires students to complete prerequisites as pre-enrollment preparation. Prerequisites which are listed in the college catalog include:

1. Courses for which specific prerequisites have been established,
2. Sequential course work in a degree-applicable program, and
3. Courses in which an equivalent prerequisite exists at a four-year transfer college or university.

Questions about prerequisites are best resolved with a counselor or instructor prior to the first day of class.

PREREQUISITE CHALLENGE PROCESS / WAIVER PROCESS

A prerequisite challenge requires written documentation explaining alternative course work, background or abilities which adequately prepare the student for the course. A Prerequisite Challenge Form can be obtained from the appropriate division office. Prerequisites may be challenged for one or more of the following reasons:

1. The college has not developed the prerequisite according to its established procedures or has not developed the prerequisite in accord with existing statutes.
2. The prerequisite is discriminatory or is being applied in a discriminatory fashion.
3. The College has not made the prerequisite course reasonably available.
4. The student has documented knowledge and abilities equivalent to those specified in the prerequisite course.

The challenge will be reviewed by a committee consisting of the division dean, or designee, department chair, or designee, and one department or division representative or designee.

If space is available in a course when a student files a challenge to the prerequisite or corequisite, the district shall reserve a seat for the student and resolve the challenge in a timely manner. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.

Continuous enrollment is defined as completing at least one course each catalog year (fall, spring, summer) at Santiago Canyon College or Santa Ana College. CERTIFICATE OF PROFICIENCY PROGRAMS
A certificate of proficiency is under 18 units and/or is not a state approved program. A certificate of proficiency is verification of completion in a particular subject matter. A certificate of proficiency will NOT be included on the official transcript. Certificate programs include only those courses which focus on vocational skills. The certificate has the sole objective of employment in a specialized area, and it will be included on the official transcript. Certificate of achievement programs normally include only those courses which have a direct bearing upon specialized occupational competency since the certificate has the sole objective of immediate employment in a specialized area. For this reason there is no general education requirement in a certificate program. Santiago Canyon College certificate programs are described in the catalog section on college credit instructional programs. To qualify for a certificate of achievement, a candidate must meet the following requirements:

1. Courses: Courses are designated for the specific certificate.
2. Grades: At least a C grade in each course required for the certificate, unless otherwise specified. Credit by Examination may also be used to gain credit for required courses.
3. Pass/No Pass: A Pass/No Pass course is acceptable toward the certificate if it is required for the certificate and (a) offered on a Pass/No Pass basis only or (b) if the Pass/No Pass is earned on the basis of credit by examination.
4. Residency: Twelve units completed at Santiago Canyon College. (Six units of major requirements must be completed at Santiago Canyon College.)
5. Petition: Petition for certificate filed by the student with the Office of Admissions and Records at Santiago Canyon College.

Santiago Canyon College certificate of proficiency programs are described in the catalog section on College Credit Instructional Programs.

SCC Rates of Student Progress
• Student Right-To-Know Act
The rates below are placed here in accordance with the federally mandated Student Right-To-Know Act. Of the degree, certificate or transfer seeking first-time freshman students who entered SCC in Fall 2008, the “completion rate” represents those students who earned an Associates Degree, certificate of completion, or 56 UC/CSU transferable credits within three years.

The “transfer rate” represents non-completer students who transferred to any other two- or four-year institution within three years. These rates do not represent the success rates of the entire student population at SCC nor do they account for student outcomes occurring after this three-year tracking period.
Students planning to graduate from one of the 23 campuses of the California State University must complete 48 semester units in general education breadth courses. Upon request Santiago Canyon College will verify the completion (certify) of up to 39 units of lower-division general education requirements. Nine semester units of general education units must be completed at the upper-division level after transfer. Students are strongly encouraged to meet with a Santiago Canyon College counselor when planning to transfer to a CSU campus.

IMPORTANT NOTE: The list of certifiable courses will be subject to change year by year, but students are assured that courses taken to meet General Education-Breadth requirements will be honored if they are approved for the academic year in which they are taken. Courses on this list are approved beginning Fall 2013 and are valid through Summer 2014.

3. Grades of "C-" earned in Areas A1, A2, A3, and B4 will not be certified.
4. A single course may not meet more than one general education requirement.
5. Certification of coursework from other colleges will only be granted to students who have completed a minimum of 12 units at Santiago Canyon College.

Completion and certification of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from Santiago Canyon College to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. Completion of IGETC does not guarantee admission to a UC campus. Students are strongly encouraged to meet with a Santiago Canyon College counselor when planning to transfer to a UC campus.

IMPORTANT NOTE: The list of certifiable courses will be subject to change year by year, but students are assured that courses taken to meet IGETC requirements will be honored if they are approved for the academic year in which they are taken. ### Map – Major Sites

The map shows major sites including SCC locations and other relevant addresses.

In order to apply for any financial aid program, you must complete the FAFSA, the Free Application for Federal Student Aid, and mail it to the processor or apply online at www.fafsa.ed.gov by June 30, 2014. If you are required to use your parent(s) income information, refer to the federal IRS Income Tax Forms. New applications are available every January. Receive a PIN # before you apply. Go to pin.ed.gov.

The state Cal Grant competition requires you to complete the FAFSA and to submit GPA verification. If you have completed 24 degree applicable units at Santa Ana College or Santiago Canyon College, your GPA will be sent electronically. If not, you will need to submit your high school GPA on the paper GPA Verification form. Cal Grant deadlines are March 2nd and September 2nd.

Once you have applied for financial aid, you will be notified by the processor with a Student Aid Report (SAR), giving you the Expected Family Contribution which determines your Pell Grant eligibility and BOGW C eligibility. The California Student Aid Commission will notify you of your Cal Grant eligibility. Each college you have listed on the FAFSA will mail you additional forms to be completed and turned into the Financial Aid Office. Check with the Financial Aid Office to see if you qualify for the Fee Waiver. After all required documents have been processed; you will be awarded the financial aid programs you are eligible for and an Award Letter will be mailed to you.

If your family circumstances have changed, due to illness, loss of a job, etc., ask about “Special Circumstances” that could affect your eligibility.

Withdrawals and Repayments of Financial Aid Funds

Federal regulations may require students to repay federal funds if they drop or withdraw from all classes or drop below half-time status, or are dropped by the instructor due to excessive absence. Based on the date of the COMPLETE WITHDRAWAL, the Financial Aid Office is required to determine the amount, if any, of “unearned” federal financial aid received by the student. A calculation will be completed to determine if the student will owe a refund.

Please refer to catalog for more information.

Try to successfully complete at least six units each semester, so that you are not required to pay back a portion of the funds you have received. Dropping below half-time will affect your award.

General Eligibility Requirements:

- Be a US citizen or eligible non-citizen.
- Have a high school diploma, pass the CAHSEE exam, GED completion or have a California Proficiency Certificate.
- Have a valid Social Security Number.
- Meet Satisfactory Academic Progress requirements.
- Not be in default on any federal student loan or owe a refund on any federal grant.
- Be enrolled in an eligible program of study leading to a degree, transfer or a certificate.
- Provide the Admissions Office with official academic transcripts from previous colleges attended.
- Drug convictions, while receiving federal aid, will disqualify eligibility.
- Male Students must be registered with Selective Service. Register online at www.sss.gov or call 847-688-6888 if you need your Selective Service Number.
Additional Unsubsidized Direct Loans: Available to students who meet all of the qualification requirements. The annual loan limits are $6,000 for independent students and $2,000 for dependent students.

Plus Loans: For parents who borrow on behalf of dependent students.

Federal Supplemental Educational Opportunity Grant (FSEOG)
This is a federally funded grant, available to undergraduates who demonstrate exceptional financial need. Priority in awarding FSEOG funds must be given to Pell Grant recipients. Minimum enrollment is six units per semester. Early applicants are given priority.

Federal Work-Study Program (FWS)
This is a federally funded program providing employment opportunities to students with financial need. Students awarded FWS are placed in part-time jobs on campus. This program provides an excellent “learning experience” through on-the-job training. Students must be enrolled in a minimum of six units to remain eligible. Early applicants are given priority.

Chafee Grant
This grant is available to former foster youth age 13 and above. Awards are $5,000 per year and the program has limited funding. To apply use the FAFSA application and the separate Chafee Grant application. There is a maximum age limit of 23 as of July 1 of the award year. No payments are made beyond the age of 23.

Extended Opportunity Programs and Services (EOPS) and CARE Grants
This is a state funded program designed to assist EOPS eligible students from low income families who are educationally disadvantaged, and enrolled full-time, with priority registration, orientation, personal and academic counseling, tutoring, study-skills, book services, bus passes, and grants. The CARE program provides students with the cost of child-care, transportation, and meal vouchers.

**Implementation of the California Domestic Partner Rights and Responsibilities Act**

The California Domestic Partner Rights and Responsibilities Act extends rights, benefits, responsibilities and obligations to individuals in domestic partnerships registered with the California Secretary of State under Section 297 of the Family Code. If you are in a Registered Domestic Partnership (RDP), you will be treated as an Independent married student to determine eligibility for this Enrollment Fee Waiver and will need to provide income and household information for your domestic partner. If you are a dependent student and your parent is in a Registered Domestic Partnership, you will be treated the same as a student with married parents and income and household information will be required for the parent’s domestic partner.

Note: These provisions apply to state student financial aid ONLY, and not to federal student financial aid.

Are you or your parent in a Registered Domestic Partnership with the California Secretary of State under Section 297 of the Family Code? (Answer “Yes” if you or your parent are separated from a Registered Domestic Partner but have NOT FILED a Notice of Termination of Domestic Partnership with the California Secretary of State’s Office.) ☐ Yes ☐ No

If you answered “Yes” to the question above, treat the Registered Domestic Partner as a spouse. You are required to include your domestic partner’s income and household information or your parent’s domestic partner’s income and household information in Questions 4, 11, 12, 13, 14, 15, 16, 17.
