STUDENT RESPONSIBILITY TO DROP CLASSES

Students must drop a course by the end of the second week of instruction (full semester courses only) in order to avoid a financial obligation to the college. Students who have enrolled for classes and decide not to attend must drop classes by Sunday, September 7, 2014, to avoid a “W”. Classes dropped after that date will appear on the student record with a “W” grade. You must drop your course online. Check your schedule to verify that the transaction was successfully completed. You are only eligible for a refund if you drop by September 7, 2014.

ATTENTION! Even if you stop attending the class, you owe the fees unless you drop the class before Sunday, September 7, 2014.

Short term sections: Please check section info for specific dates.

MANAGE MY WAIT LIST—THIS IS THE STUDENT’S RESPONSIBILITY

Once a class fills its seats to the limit, a wait list is created. Although you may see an open seat – you may only add yourself to the wait list.

It is your responsibility to check your email daily to see if you have been moved from the wait list into an open seat. View your class schedule.

When students are dropped for non-payment, seats may become available. Students on the wait list WHO ARE ELIGIBLE FOR THE CLASS will be rolled automatically into the open seats. An email will be sent to you when this happens. You have 2 days to pay. Failure to pay on time causes you to lose the class and a place on the wait list.

If you have not met the class pre-requisite or if you do not have a class waiver (i.e., permission to register for the class online), you will remain on the wait list and never roll into an open seat.

Online classes do not always allow wait listing. Most online courses overload their capacity. Once that capacity is filled, the class is closed. You will not be able to get on the wait list. DO NOT EMAIL THE INSTRUCTOR. You will not receive a reply.

Some wait lists may have a maximum limit. If you cannot add to the wait list, then it must be full. Look for another section.

Once the semester starts, the movement off the wait lists stops for full semester classes. However, students wait listed for late starting classes will continue to be rolled into open seats.

REMEMBER - YOU WILL NOT BEROLLED OVER IF:

You do not meet the prerequisite (make sure your waiver has been entered by Counseling)
This is your 3rd repeat
You need an overload petition! (=18 units)
There is a class conflict

CLOSED CLASSES/CLASSES REQUIRING AN ADD AUTHORIZATION CODE

If the class would like to register for it is closed, place yourself on the wait list, if it is available. Otherwise, once the course begins, the registration system will require an Add Authorization code in order to register, which you must obtain from the instructor. You may attend the first class meeting to ask the instructor for an ADD Authorization Code (AAC). If the instructor gives you an Add Code, follow the instructions to register for the course by the stated deadline. (3 day maximum) If you have any further questions regarding Add Codes, contact the Admissions Office at 714-628-4901.

Students who plan to take courses in English, English as a second language, math, reading and chemistry must take placement tests. SCC uses placement instruments approved by the California Community College State Chancellor’s Office, which means that students’ assessment profiles correlate highly with their ability to perform at their placement level.

**English Placement:** The college has two English programs and therefore two placement instruments, so students need to determine which test is appropriate for them. Taking the correct placement test puts students in the course which offers the kind of instruction they need. Native speakers of English should take the College Test for English Placement (CTEP); non-native speakers/ESL students should take the Test of English Language Development (TELD). Both tests can place students into English 101.

**Math Placement:** The Math Diagnostic Testing Project (MDTP) has four different levels. Students choose the level they feel best prepared for. Sample questions for each test level are available in the Testing Center, Counseling Center, and online at [www.sccollege.edu/testing](http://www.sccollege.edu/testing).

**Chemistry Placement:** To register for the chemistry placement test, students must call the Testing Center at (714) 628-4800.

**Disability Accommodations:** Students who require disability-related accommodations for placement tests must request them at least two weeks prior to testing and provide disability verification from a qualified professional. To arrange for testing accommodations, contact Disabled Students Programs and Services (DSPS) at (714) 628-4860.

**STUDENT SUCCESS AND SUPPORT PROGRAM (SSSP)**

The Student Success and Support Program (SSSP) supports the transition of new students into the college by providing them services that promote academic achievement and successful completion of degrees, transfer preparation, career technical education certificates, or career advancement.

New students are required to complete core services: assessment, orientation, and advisement, and these services must be completed in order to access their priority registration time. During this process, students will receive assistance in completing an abbreviated education plan; however, a course of study (major) and a comprehensive student education plan must be completed by the third semester but no later than completing 15 units. Students may accomplish this requirement by enrolling in a counseling course, attending an educational planning workshop, or by scheduling an appointment with a counselor. A request to be exempt from completing one or more core services is available on the Admissions & Records website. What is an Honors course?
At SCC, an Honors course is an approved transferable general education course with an Honors component. For example, a section of English Composition 101 becomes Honors English Composition 101H.

What are the benefits to Honors students?
1. Smaller classes (20-24 students)
2. More one-on-one interaction with professors and peers
3. Highly enriched, research-intensive academic environments that allow for student-directed activities and discussions, guest speakers, field trips and more
4. Professors who are committed to innovative teaching styles and strategies
5. A learning community of students who share a curiosity and an analytical approach to education
6. Designation on transcripts of Honors courses
7. Accumulation of Honors credits to graduate as a President’s Scholar and to enter transfer agreements with fourteen participating four-year institutions, offering at a minimum “priority consideration”

Who can enroll in an Honors course?
Students meeting any one of the following guidelines may enroll in Honors courses:
1. Students who are already accepted into the Honors Program
2. Students meeting the prerequisites of an Honors course as stated in the college catalog
3. Students with a 3.0 cumulative GPA in all high school work (entering freshmen) or in college work (continuing students)

What are the requirements for acceptance into the Honors Program?
Both the requirements for acceptance into the Honors Program and the Honors Program Application can be found on the Honors Program webpage at www.sccollege.edu/honors.

FOR HONORS PROGRAM INFORMATION, GO TO:
www.sccollege.edu/honors

To schedule an appointment with the Honors counselor, call (714) 628-4800 or come to the Counseling Office, room D-106.
### HOW TO ENROLL

If you are a continuing student, use the online registration system. After the start date of the class, you may attend the first class meeting to ask the instructor for an ADD Authorization Code (ACC). If the instructor gives you an ADD CODE, follow the instructions to register for the course by the stated deadline.

If you are a new student to Santiago Canyon College, complete an application online. Enroll online on your registration date. If course is full, you may add yourself to the wait list but must attend the first class meeting to obtain an ADD CODE from the instructor. You will then follow the instructions.

See pages 7–8 for more information about Placement Testing.

**AMERICAN COLLEGE ENGLISH PROGRAM**

The ACE program is for students who have an English as a Second Language (ESL) background or who had English Language Learner/Development (ELL or ELD) classes in high school.

ACE courses are intensive and emphasize writing, reading and speaking skills development to prepare you for success in all of your college-level courses.

Before you can register for ACE, you need to take the TELD placement test. ESL students who take the other English placement test (CTEP) are often placed in English N50 or N60 and might not pass because they lack the necessary fluency in writing. To register for the TELD, go to [http://www.sccollege.edu/Departments/testing](http://www.sccollege.edu/Departments/testing).

The following chart shows the levels in the ACE program. Students who place below ACE 052 can take classes in SCC’s Continuing Education ESL program, which can be contacted at (714) 628-5900. Not all ACE courses are offered every semester.

ACADEMIC PLANNING

PREREQUISITES AND COREQUISITES

PREREQUISITE
Prerequisite indicates a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed in the course or program. Students will not be permitted to enroll in such courses and programs without the appropriate prerequisite. All prerequisite courses must be completed with a letter grade of “C” or better.

COREQUISITE
Corequisite indicates a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed. Students must concurrently enroll in the corequisite course.

RECOMMENDED PREPARATION
Indicates that while a course is not required prior to enrollment, it is highly advised in order to strengthen the likelihood of success in subsequent courses.

PREREQUISITE CHALLENGE POLICY AND PROCEDURES

COURSE PREREQUISITE POLICY
Prerequisite means the preparation or previous course work considered necessary for success in the course. The College requires students to complete prerequisites as pre-enrollment preparation. Prerequisites which are listed in the college catalog include:
1. Courses for which specific prerequisites have been established,
2. Sequential course work in a degree-applicable program, and
3. Courses in which an equivalent prerequisite exists at a four-year transfer college or university.

Questions about prerequisites are best resolved with a counselor or instructor prior to the first day of class.

PREREQUISITE CHALLENGE PROCESS / WAIVER PROCESS
A prerequisite challenge requires written documentation explaining alternative course work, background or abilities which adequately prepare the student for the course. A Prerequisite Challenge Form can be obtained from the appropriate division office. Prerequisites may be challenged for one or more of the following reasons:
1. The college has not developed the prerequisite according to its established procedures or has not developed the prerequisite in accord with existing statutes.
2. The prerequisite is discriminatory or is being applied in a discriminatory fashion.
3. The College has not made the prerequisite course reasonably available.
4. The student has documented knowledge and abilities equivalent to those specified in the prerequisite course.

The challenge will be reviewed by a committee consisting of the division dean, or designee, department chair, or designee, and one department or division representative or designee.

If space is available in a course when a student files a challenge to the prerequisite or corequisite, the district shall reserve a seat for the student and resolve the challenge in a timely manner. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.

NOTE: Students who are challenging a course which is a requirement for a degree or certificate may wish to use the Credit by Examination process to receive credit for the challenged course.

NOTICE (State Policy Effective Fall 2013)
- You will lose registration priority if you are on academic probation
- You will lose registration priority if you have more than 100 degree - applicable units

IMPORTANT NOTE: The list of courses will be subject to change year by year, but students are assured that courses taken to meet General Education requirements will be honored if they are approved for the academic year in which they are taken. Courses on this list are approved beginning Fall 2014 and are valid through Summer 2015.

Associate Degrees for Transfer
Earning an associate degree for transfer, a student must fulfill the requirements listed under I, II and III below.

I. Unit and Residency Requirements
60 UNITS of CSU-transferable semester units are required, with at least a 2.0 grade point average. While a minimum of 2.0 is required for admission to the CSU, some majors may require a higher GPA. Please consult with a counselor for more information. At least 12 of the units must be earned at Santiago Canyon College.

II. General Education Requirements
The general education requirements can be met through the completion of one of the following general education plans.

Plan B  : California State University
General Education Breadth page 42

Plan C: Intersegmental General Education Transfer Curriculum (IGETC) – CSU Option page 43

III. Major Requirements
Each degree program specifies courses required for the major (a minimum of 18 units). Students must complete an "AA-T" or "AS-T" major as detailed in the program section of the catalog. Completion of these courses must be done with a grade of C or better.

Petition For Graduation and Catalog Rights:
Students must submit a Petition to Graduate to earn an associate degree, certificate, CSU Certification and/or IGETC Certification. Petitions for graduation should be filed in the Office of Admissions and Records at Santiago Canyon College when a student has completed at least 30 units or one semester prior to the expected semester to graduate. Students who maintain continuous enrollment have the option to meet the associate degree or certificate requirements as listed in the catalog in effect at the time of first enrollment or any subsequent year.

Continuous enrollment is defined as completing at least one course each catalog year (fall, spring, summer) at Santiago Canyon College or Santa Ana College. Completion of a course is determined by a letter grade or with one of the following notations: W, NP, P, I. A student who has an interruption of attendance must use the catalog at the time of readmission or one of subsequent continuous enrollment.

Commencement
Commencement is held once a year at the end of the spring semester for those students who complete the requirements for a degree during the year or the summer session. Student must submit a Petition to Graduate to participate in commencement.

NOTE: Transcripts from all colleges attended must be on file.

The information above was in effect at press time. Please consult a counselor before enrolling.

MATHEMATICS PROFICIENCY EXAMINATION
To make arrangements to take the Math Department Proficiency Examination, contact the Placement Testing Center at 714-628-4985.

CERTIFICATE OF PROFICIENCY PROGRAMS
A certificate of proficiency is under 18 units and/or is not a state approved program. A certificate of proficiency is verification of completion in a particular academic or occupational area, and it will be included on the official transcript. Certificate of achievement programs normally include only those courses which have a direct bearing upon specialized occupational competency since the certificate has the sole objective of immediate employment in a specialized area. For this reason there is no general education requirement in a certificate program. Santiago Canyon College certificate programs are described in the catalog section on College Credit Degrees and Certificates. To qualify for a certificate of achievement, a candidate must meet the following requirements:

1. **Courses:** Courses are designated for the specific certificate.
2. **Grades:** At least a C grade in each course required for the certificate, unless otherwise specified. Credit by Examination may also be used to gain credit for required courses.
3. **Pass/No Pass:** A Pass/No Pass course is acceptable toward the certificate if it is required for the certificate and (a) offered on a Pass/No Pass basis only or (b) if the Pass/No Pass is earned on the basis of credit by examination.
4. **Residency:** Twelve units completed at Santiago Canyon College. (Six units of major requirements must be completed at Santiago Canyon College.)
5. **Petition:** Petition for certificate filed by the student with the Office of Admissions and Records at Santiago Canyon College.

Santiago Canyon College certificate of proficiency programs are described in the catalog section on Academic Programs.

1. No more than 30 semester units may be certified for areas B through D combined.

2. Pass/No Pass grades are accepted for certification in all areas. However, letter grades may be recommended or required for specific courses in a given major. Each CSU campus may also limit the total number of units graded Pass.

3. Grades of “C-” earned in Areas A1, A2, A3, and B4 will not be certified.

4. A single course may not meet more than one general education requirement.

5. Certification of coursework from other colleges will only be granted to students who have completed a minimum of 12 units at Santiago Canyon College.

6. Courses taken at other California Community Colleges will be applied to the subject areas in which they were listed by the institution where the course was completed.

7. Courses taken at other regionally accredited institutions (which do not maintain a CSU certification list) may be approved for certification via a “Pass Along Petition” and after a review by the Santiago Canyon College Articulation Officer. Courses completed at foreign institutions are not acceptable for certification. Pass Along Petitions are available from the Santiago Canyon College Counseling Department and must be accompanied by the appropriate documentation.

8. Requests for certification should be made during the semester prior to the last term of attendance. Please consult the class schedule or the Admissions website at www.sccollege.edu or the Santiago Canyon College Counseling Department for deadline information.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

Completion and certification of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from Santiago Canyon College to a campus in either the CALIFORNIA STATE UNIVERSITY or the UNIVERSITY OF CALIFORNIA system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. Completion of IGETC does not guarantee admission to a UC campus. Students are strongly encouraged to meet with a Santiago Canyon College counselor when planning to transfer to a UC campus.

IMPORTANT NOTE: The list of certifiable courses will be subject to change year by year, but students are assured that courses taken to meet IGETC requirements will be honored if they are approved for the academic year in which they are taken. UC requires the completion of a college course or courses with a grade of “C” or better OR a one-year course in high school in U.S. History or a half-year course in U.S. History and a half-year course in American Government with grades of “C” or better (UCLA requires grades of “B”). Requirements vary by UC campus.

Check with a Santiago Canyon College counselor to determine which course(s) to take.

2. Request certification from the last California community college you attend prior to transfer to CSU or UC. Requests should be made to the Office of Admissions and Records during the semester prior to the last term of attendance.

3. Prior to requesting certification, have official transcripts on file from every high school and college you have attended.

4. Courses taken at other California community colleges will be applied to the subject areas in which they are listed by the institution where the work was completed.

5. A course taken at another nationally accredited institutions (which do not maintain an IGETC certification list) may be approved for certification via a “Pass Along Petition” and after a review by the Santiago Canyon College Articulation Officer.

6. Courses completed at foreign institutions are not acceptable except for certification of competence in a language other than English.

7. Completing IGETC prior to transfer is strongly recommended and can be advantageous in the admissions process. Partial certification is permitted if the student has completed all but two courses on the pattern. Please see a Santiago Canyon College counselor for guidelines.

The Financial Aid Application Process:

Apply Now for 2014–2015

In order to apply for any financial aid program, you must complete the FAFSA, the Free Application for Federal Student Aid, and mail it to the processor or apply online at www.fafsa.ed.gov by June 30, 2015. If you are required to use your parent(s) income information, refer to the federal IRS Income Tax Forms. New applications are available every January. Receive a PIN # before you apply. Go to pin.ed.gov.

The state Cal Grant competition requires you to complete the FAFSA and to submit GPA verification. If you have completed 24 degree applicable units at Santa Ana College or Santiago Canyon College, your GPA will be sent electronically. If not, you will need to submit your high school GPA on the paper GPA Verification form. Cal Grant deadlines are March 2nd and September 2nd.

Once you have applied for financial aid, you will be notified by the processor with a Student Aid Report (SAR), giving you the Expected Family Contribution which determines your Pell Grant eligibility and BOGW C eligibility. The California Student Aid Commission will notify you of your Cal Grant eligibility. Each college you have listed on the FAFSA will mail you additional forms to be completed and turned into the Financial Aid Office. Check with the Financial Aid Office to see if you qualify for the Fee Waiver. After all required documents have been processed; you will be awarded the financial aid programs you are eligible for and an Award Letter will be mailed to you.

If your family circumstances have changed, due to illness, loss of a job, etc., ask about “Special Circumstances” that could affect your eligibility.

Withdrawals and Repayments of Financial Aid Funds

Federal regulations may require students to repay federal funds if they drop or withdraw from all classes or drop below half-time status, or are dropped by the instructor due to excessive absence. Based on the date of the COMPLETE WITHDRAWAL, the Financial Aid Office is required to determine the amount, if any, of “unearned” federal financial aid received by the student. A calculation will be completed to determine if the student will owe a refund.

Please refer to catalog for more information.

Try to successfully complete at least six units each semester, so that you are not required to pay back a portion of the funds you have received. Dropping below half-time will affect your award.

General Eligibility Requirements:

• Be a US citizen or eligible non-citizen.
• Have a high school diploma, pass the CAHSEE exam, GED completion or have a California Proficiency Certificate.
• Have a valid Social Security Number.
• Meet Satisfactory Academic Progress requirements.
• Not be in default on any federal student loan or owe a refund on any federal grant.
• Be enrolled in an eligible program of study leading to a degree, transfer or a certificate.
• Provide the Admissions Office with official academic transcripts from previous colleges attended.
• Drug convictions, while receiving federal aid, will disqualify eligibility.
• Male Students must be registered with Selective Service. Register online at www.sss.gov or call 847-688-6888 if you need your Selective Service Number.
FINANCIAL AID PROGRAMS FOR STUDENTS

Cal Grants
Cal Grants are available to California residents attending eligible California colleges who meet all criteria and are enrolled in at least 6 units. The programs are administered by the California Student Aid Commission. The annual application deadlines are March 2 and September 2 for community college students. A FAFSA and a GPA verification is required.

Cal Grant A
Eligibility is based on financial need and GPA. Assistance is provided to meet tuition and fee costs at four-year universities. Awards to community college students may be placed on “reserve” for a maximum of two years until they transfer to a four-year institution. Award amounts: $5,970 at CSU, $12,192 at UC, $9,223 at independent colleges.

Cal Grant B
Is provided to students from low-income families with living allowance and tuition and fee assistance to attend college. The maximum award amount is $1,473 per year and will be prorated for less than full-time students. This grant may be used at community colleges and universities, not to exceed four years. Cal Grant B students also receive tuition costs at the same levels as Cal Grant A, except at community colleges.

Cal Grant C
Assists eligible students enrolled in a vocational training program leading to a Certificate or AA/AS degree, not a transfer program. The maximum awards amount is $547 per year, and will be prorated for less then full-time students.

Federal PELL Grant
Pell grant is a federally funded program for undergraduates who demonstrate need. The amount of the Pell Grant is based on the cost of attendance, the Expected Family Contribution, and the enrollment in number of units. Please check with the Financial Aid Office or visit the website for the maximum and minimum PELL award amount. If you apply late and you are eligible, you may be paid retroactively for the entire academic year. “NEW” Pell Grants are now limited to 18 semesters.

William D. Ford Federal Direct Loan Program
All students who meet federal financial aid eligibility criteria may borrow through the Direct Loan program. Funds are borrowed directly from the federal government. Annual Subsidized and Unsubsidized Loan Limits are $3,500 for freshmen and $4,500 for sophomores.

Subsidized Direct Loan: The federal government pays the interest on this need-based loan while the student is in school, at least half-time.

Unsubsidized Direct Loan: The student is responsible for paying the interest on this loan that is not need based.

Additional Unsubsidized Direct Loans: Available to students who meet all of the qualification requirements. The annual loan limits are $6,000 for independent students and $2,000 for dependent students.

Plus Loans: For parents who borrow on behalf of dependent students.

Federal Supplemental Educational Opportunity Grant (FSEOG)
This is a federally funded grant, available to undergraduates who demonstrate exceptional financial need. Priority in awarding FSEOG funds must be given to Pell Grant recipients. Minimum enrollment is six units per semester. Early applicants are given priority.

Federal Work-Study Program (FWS)
This is a federally funded program providing employment opportunities to students with financial need. Students awarded FWS are placed in part-time jobs on campus. This program provides an excellent “learning experience” through on-the-job training. Students must be enrolled in a minimum of six units to remain eligible. Early applicants are given priority.

Chafee Grant
This grant is available to former foster youth age 13 and above. Awards are $5,000 per year and the program has limited funding. To apply use the FAFSA application and the separate Chafee Grant application. There is a maximum age limit of 23 as of July 1 of the award year. No payments are made beyond the age of 23.

Extended Opportunity Programs and Services (EOPS) and CARE Grants
This is a state funded program designed to assist EOPS eligible students from low income families who are educationally disadvantaged, and enrolled full-time, with priority registration, orientation, personal and academic counseling, tutoring, study-skills, book services, bus passes, and grants. The CARE program provides students with the cost of child-care, transportation, and meal vouchers.
