### PARKING

**CAMPUS PARKING INFORMATION**

RSCCD requires parking permits for student and staff lots at Santiago Canyon College. Parking permits may be purchased at time of registration for $30.00 in the Cashier’s Office (E-102) or students can purchase a daily parking permit for $2. Failure to purchase a parking permit or to follow the parking regulations will result in your vehicle being issued a citation. Motorcycles are exempt from parking permits if parked in designated motorcycle parking areas. The purchase of your permit funds parking services and vehicle security when parked on campus.

**PARKING REGULATIONS**

Details of the parking regulations can be found on the SCC website.

[http://sccollege.edu/Departments/Security/Pages/parking-regulations.aspx](http://sccollege.edu/Departments/Security/Pages/parking-regulations.aspx)

Failure to comply with these regulations will result in citations being issued. Details of the current bail amounts can be found on the SCC website.

[http://sccollege.edu/Departments/Security/Pages/parking-citations.aspx](http://sccollege.edu/Departments/Security/Pages/parking-citations.aspx)

**DISABLED STUDENT PARKING**

Several areas on campus are designated for disabled parking. Vehicles in these areas are **NOT required to display a current SCC parking permit** but must display one of the following: District-issued disabled permit, State placard, or special State license plate. District permits are available in the SCC Disabled Student Center, E-105.

**REFUND OF PARKING FEE**

Any student who withdraws from class(es) through the first two weeks of instruction may request a refund for his/her parking permit. The student is required to return the parking permit, and the numbers must be legible. No refund will be allowed after the second week of instruction. No refund will be allowed if the parking permit is lost or stolen. Receipts must be presented.

**PARKING LOT DISCLAIMER**

Rancho Santiago Community College District is not responsible for damages to, loss of, or thefts from vehicles parked on campus, except as defined under the applicable Government Codes of California, including [810-966.6](http://sccollege.edu/Departments/Security/Pages/parking-citations.aspx).

Student Responsibility to Drop Classes

Students must drop a course by the end of the second week of instruction (full semester courses only) in order to avoid a financial obligation to the college. Students who have enrolled for classes and decide not to attend must drop classes by Sunday, February 21, 2016, to avoid a “W.” Classes dropped after that date will appear on your schedule to verify that the transaction was successfully completed. You are only eligible for a refund if you drop by February 21, 2016.

Attention! Even if you stop attending the class, you owe the fees unless you drop the class before Sunday, February 21, 2016.

Short term sections: Please check section info for specific dates.

Manage My Wait List—This is the Student’s Responsibility

- Once a class fills its seats to the limit, a wait list is created. Although you may see an open seat, you may only add yourself to the wait list.
- It is your responsibility to check your schedule each day to see if you have been moved from the wait list into an open seat. You will be dropped for nonpayment if you fail to pay within three days.
- When students are dropped for non-payment, seats may become available. Students on the wait list who are eligible for the class will be rolled automatically into the open seats. An email will be sent to you when this happens. You have 3 days to pay. Failure to pay on time causes you to lose the class and a place on the wait list.
- If you have not met the class pre-requisite or if you do not have a class waiver (i.e., permission to register for the class online), you will remain on the wait list and never roll into an open seat.
- Online classes do not always allow wait listing. Most online courses overload their capacity. Once that capacity is filled, the class is closed. You will not be able to get on the wait list. Do not email the instructor. You will not receive a reply.
- Some wait lists may have a maximum limit. If you cannot add to the wait list, then it must be full. Look for another section.

- Once the semester starts, the movement off the wait lists stops for full semester classes. However, students wait listed for late starting classes will continue to be rolled into open seats.

Reminder - You Will Not Be Rolled Over If:
- You do not meet the prerequisite
  (make sure your waiver has been entered by Counseling)
- This is your 3rd repeat
- You need an overload petition! (>18 units)
- There is a class conflict

Closed Classes/Classes Requiring an Add Authorization Code

If the class you’d like to register for is closed, place yourself on the wait list, if it is available. Otherwise, once the course begins, the registration system will require an Add Authorization code in order to register, which you must obtain from the instructor. You may attend the first class meeting to ask the instructor for an Add Code. If the instructor gives you an Add Code, follow the instructions to register for the course by the stated deadline (3 day maximum).

If you have any further questions regarding Add Codes, contact the Admissions Office at 714-628-4901.
PAYMENT OF FEES

DROP FOR NON-PAYMENT POLICY:
Enrollment fees must be paid IN FULL within 3 days (weekends and holidays included) of registration or all of your courses will be dropped and released to other students. The day you register counts as the first day. If you need assistance paying your enrollment fees and would like to apply for a Fee Waiver, go to www.cccapply.org/BOGWaiver. It is your responsibility to check your account balance and pay the amount owed.

What fees are owed?

All fees and tuition are subject to change by the State Legislature or Community College Board of Governors.

Students who plan to take courses in English, English as a second language, math, reading and chemistry must take placement tests. SCC uses placement instruments approved by the California Community College State Chancellor’s Office, which means that students’ assessment profiles correlate highly with their ability to perform at their placement level.

**English Placement:** The college has two English programs and therefore two placement instruments, so students need to determine which test is appropriate for them. Taking the correct placement test puts students in the course which offers the kind of instruction they need. Native speakers of English should take the College Test for English Placement (CTEP); non-native speakers/ESL students should take the Test of English Language Development (TELD). Both tests can place students into English 101.

**Math Placement:** The Math Diagnostic Testing Project (MDTP) has four different levels. Students choose the level they feel best prepared for. Sample questions for each test level are available in the Testing Center, Counseling Center, and online at www.sccollege.edu/testing.

**Chemistry Placement:** To register for the chemistry placement test, students must call the Testing Center at 714-628-4985.

**Disability Accommodations:** Students who require disability-related accommodations for placement tests must request them at least two weeks prior to testing and provide disability verification from a qualified professional. To arrange for testing accommodations, contact Disabled Students Programs and Services (DSPS) at 714-628-4860.

**Test Results and Coursework from Other Colleges:** Recent placement results from other colleges (in the last two years for English or in the last year for math) may be accepted. Students must bring official copies of placement test results to the SCC Counseling Center (D-106) for verification and prerequisite clearance. Placement test information from other colleges must include the student’s name, name of the test(s), the testing dates(s), the raw score(s), and course placement.

Students who have attended another college and have completed the necessary coursework in English, math, reading, and/or chemistry can bring official transcripts to the Counseling Center for verification and prerequisite clearance.

**Steps to Complete Testing**
1. New students must first apply to the college.
2. Students who apply early will be guided to schedule their testing appointment by calling 714-628-4985. Priority testing appointments are available on a first-come first-served basis.
3. Continuing students who have not tested or who need to retest should complete testing during priority testing.
4. Students who complete testing will be provided orientation and counseling to develop a first-semester education plan.

**Student Success and Support Program (SSSP)**
The Student Success and Support Program (SSSP) supports the transition of new students into the college by providing them services that promote academic achievement and successful completion of degrees, transfer preparation, career technical education certificates, or career advancement.

New students are required to complete core services: assessment, orientation, and advisement, and these services must be completed in order to access their priority registration time. During this process, students will receive assistance in completing an abbreviated education plan; however, a course of study (major) and a comprehensive student education plan must be completed by the third semester but no later than completing 15 degree-applicable units. Students may accomplish this requirement by enrolling in a counseling course, attending an educational planning workshop, or by scheduling an appointment with a counselor. A request to be exempt from completing one or more core services is available on the Admissions & Records website. Exemption approval requires that students provide sufficient justification for their request.

**Right to Appeal**
Students who feel that they have been treated in a discriminatory manner regarding any aspect of the college’s assessment and course placement services or want to appeal their recommended placement level may contact the Dean of Counseling and Student Support Services. Call 714-628-4775.

**Notice (State Policy Effective Fall 2013)**
- You will lose registration priority if you are on academic and/or progress probation.
- You will lose registration priority if you have more than 100 degree-applicable units.

4. Professors who are committed to innovative teaching styles and strategies
5. A learning community of students who share a curiosity and an analytical approach to education
6. Designation on transcripts of Honors courses
7. Accumulation ofHonors credits to graduate as a President’s Scholar and to enter transfer agreements with fourteen participating four-year institutions, offering at a minimum “priority consideration”

Students enrolling in a hybrid course will be required to come to Santiago Canyon College for a portion of their course. Hybrid courses will list all required meeting dates in the “comments” of the course listings section. Distance Education instructors will communicate with their students on campus, by telephone, or via email, to discuss concerns or questions which may develop during the course.

ACCESS REQUIREMENTS
Online courses require students to have access to a computer with an individual email account and access to the Internet. Internet access is available to students in the Santiago Canyon College Library.

COURSE INFORMATION
Information about distance learning can be found online at: www.sccollege.edu/distancelearning

Look for the online course symbol for online courses and hybrid course symbol for hybrid courses next to classes in the course listing section.
POLICIES, NOTICES, & GRADES

ACADEMIC HONESTY
Students enrolled in Santiago Canyon College instructional programs are expected to be honest and forthright in their academic endeavors and assume an obligation to obey the Academic Honesty Policy. For specific policy information and procedures followed in matters of student violation of academic honesty, please see the current SCC Catalog.

CHANGE OF ADDRESS
If you change your address, use the online WebAdvisor system at www.sccollege.edu. You may make the change under the “address change”.

COLLEGE-CREDIT PROGRAMS
The Santiago Canyon College offers major college-credit programs in Orange. Santiago Canyon College classes are identified with “SCC”. Please refer to the list of SCC locations on page 47 for specific class locations at other sites.

COURSE ARRANGED HOURS
Students are obligated to carry out hours by arrangement in designated facilities, which are normally available from 8:00 am to 10:00 pm, Monday through Thursday, and from 8:00 a.m. to NOON on Fridays.

COURSE: OPEN COURSE ENROLLMENT
The policy of the Rancho Santiago Community College District and Santiago Canyon College is that, unless specifically exempted by statute or regulation, every course, course section, or class, reported for state aid, wherever offered and maintained by the college, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to section 55003 of division 6 of title 5 of the California Code of Regulations.

COURSE REPETITION – Maximum of 3 enrollments
When may courses be repeated?
1. Substandard Work
   When student has earned a grade of D, F, NP (No Pass) or W. See Admissions for specifics.
2. Repeatable Courses
   When a course can be taken more than one time it is identified as being repeatable.
   There are limits to the number of times a course may be repeated.
3. When a course is repeated, the current grade replaces the previous grade. For further clarification, contact Admissions.
4. Extenuating Circumstances
   Extenuating circumstances may be petitioned at the Admissions Office. Special circumstances are as follows: a significant lapse of time (3 years or more) since student previously completed the course or the occurrence of an accident, illness, or other circumstance beyond the control of the student. See the Admissions Office for instructions.
5. Variable Unit Courses
   A variable unit course may be continued from semester to semester until the maximum number of allowable units has been successfully completed.
6. Education Code (Title 5)
   Limits a regular course (one not designated as repeatable) to be repeated a maximum of 3 times. “W” grades count as a repeat.

COURSE WITHDRAWAL POLICY
A student who cannot continue a course has an obligation to withdraw officially through WebAdvisor. Students officially withdrawing after the refund period (February 21, 2016), from a full semester-length course, will receive a “W” grade (withdrawal); a “W” (withdrawal) from a course less than semester-length must be submitted before 75 percent of the course has expired (check section detail for deadlines). Withdrawing from a course after the above deadlines requires that the student receive an “F” or other letter grade. Consult the Admissions Office for answers to any questions regarding this policy.

PASS/NO PASS (PASS/FAIL Grade)
Pass/No Pass petitions for full semester classes must be received in the Admissions Office by March 11, 2016. Pass/No Pass petitions for classes less than a semester in length must be submitted before 30% of the class expires. Pass/No Pass courses may NOT be taken in the student’s major field and a maximum of 12 units of pass/no pass are allowed toward a degree program. All Pass/No Pass Petitions require a counselor’s signature. Pass/No Pass does not include credit by examination.

Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment or for participating in a harassment investigation. Such conduct is illegal and constitutes a violation of this policy. All allegations of retaliation will be swiftly and thoroughly investigated. All participants are protected from retaliatory acts by the District, its employees, students, and agents.

This policy and related written procedures (including the procedure for making complaints) shall be widely published and publicized to administrators, faculty, staff, and students, particularly when they are new to the institution. They shall be available for students and employees in all administrative offices. Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion.

AMERICAN COLLEGE ENGLISH PROGRAM

The ACE program is for students who have an English as a Second Language (ESL) background or who had English Language Learner/Development (ELL or ELD) classes in high school.

ACE courses are intensive and emphasize writing, reading and speaking skills development to prepare you for success in all of your college-level courses.

Before you can register for ACE, you need to take the TELD placement test. ESL students who take the other English placement test (CTEP) are often placed in English N50 or N60 and might not pass because they lack the necessary fluency in writing. To register for the TELD, go to http://www.sccollege.edu/Departments/testing.

The following chart shows the levels in the ACE program. Students who place below ACE 052 can take classes in SCC's Continuing Education ESL program, which can be contacted at (714) 628-5900. Not all ACE courses are offered every semester.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS (continued)

MATHEMATICS AND READING PROFICIENCIES
Students may satisfy the mathematics and reading required for the Associate Degree by achieving a satisfactory score on the appropriate placement test in each skill area or by fulfilling other options as listed under the Associate Degree Requirements in the class schedule. See page 40 for detailed information.

CERTIFICATE OF PROFICIENCY PROGRAMS
A certificate of proficiency is under 18 units and/or is not a state approved program. A certificate of proficiency is verification of completion in a particular subject matter. A certificate of proficiency will NOT be included on the official transcript. Certificate programs include only those courses which focus on vocational skills. The certificate has the sole objective of employment in a specialized area and for this reason there are no general education requirements in a certificate program.

Santiago Canyon College certificate of proficiency programs are described in the catalog section on Academic Programs.

CERTIFICATE OF ACHIEVEMENT PROGRAMS
A "Certificate of Achievement (18 or more units or state approved under 18 units) is a verification of achievement in a particular academic or occupational area, and it will be included on the official transcript." Certificate of achievement programs normally include only those courses which have a direct bearing upon specialized occupational competency since the certificate has the sole objective of immediate employment in a specialized area. For this reason there is no general education requirement in a certificate program. Santiago Canyon College certificate programs are described in the catalog section on College Credit Degrees and Certificates. To qualify for a certificate of achievement, a candidate must meet the following requirements:

1. Courses: Courses are designated for the specific certificate.
2. Grades: At least a "C" grade in each course required for the certificate, unless otherwise specified. Credit by Examination may also be used to gain credit for required courses.
3. Pass/No Pass: A Pass/No Pass course is acceptable toward the certificate if it is required for the certificate and (a) offered on a Pass/No Pass basis only or (b) if the Pass/No Pass is earned on the basis of credit by examination.
4. Residency: Twelve units completed at Santiago Canyon College. (Six units of major requirements must be completed at Santiago Canyon College.)
5. Petition: Petition for certificate is filed by the student with the Office of Admissions and Records at Santiago Canyon College.

• SCC Rates of Student Progress
• Student Right-To-Know Act

The rates below are placed here in accordance with the federally mandated Student Right-To-Know Act. Of the degree, certificate or transfer seeking first-time, full-time freshmen who entered SCC in Fall 2011, the “completion rate” represents those students who earned an Associates Degree, Certificate of Achievement, or 60 UC/CSU transferable credits within three years.

2011 Cohort Completion Rate
STATE 28%
SCC 38%

2011 Cohort Transfer Rate
STATE 12%
SCC 12%

The “transfer rate” represents non-completer students who transferred to any other two- or four-year institution within three years. These rates do not represent the success rates of the entire student population at SCC nor do they account for student outcomes occurring after this three-year tracking period.

CERTIFICATION REQUIREMENTS

1. No more than 30 semester units may be certified for areas B through D combined.
2. Pass/No Pass grades are accepted for certification in all areas. However, letter grades may be recommended or required for specific courses in a given major. Each CSU campus may also limit the total number of units graded Pass.
3. Grades of “C-” earned in Areas A1, A2, A3, and B4 will not be certified.
4. A single course may not meet more than one general education requirement.
5. Certification of coursework from other colleges will only be granted to students who have completed a minimum of 12 units at Santiago Canyon College.
6. Courses taken at other California Community Colleges will be applied to the subject areas in which they were listed by the institution where the course was completed.
7. Courses taken at other regionally accredited institutions (which do not maintain a CSU certification list) may be approved for certification via a “Pass Along Petition” and after a review by the Santiago Canyon College Articulation Officer. Courses completed at foreign institutions are not acceptable for certification. Pass Along Petitions are available from the Santiago Canyon College Counseling Department and must be accompanied by the appropriate documentation.
8. Requests for certification should be made during the semester prior to the last term of attendance. Please consult the class schedule or the Admissions website at www.sccollege.edu or the Santiago Canyon College Counseling Department for deadline information.

*Courses may be listed in more than one area, but will NOT be certified in more than one area.
Completion and certification of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from Santiago Canyon College to a campus in either the CALIFORNIA STATE UNIVERSITY or the UNIVERSITY OF CALIFORNIA system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. Completion of IGETC does not guarantee admission to a UC campus. Students are strongly encouraged to meet with a Santiago Canyon College counselor when planning to transfer to a UC campus.

**IMPORTANT NOTE:** The list of certifiable courses will be subject to change year by year, but students are assured that courses taken to meet IGETC requirements will be honored if they are approved for the academic year in which they are taken. Courses on this list are approved beginning Fall 2015 and are valid through Summer 2016.

Requirements vary by UC campus. Check with a Santiago Canyon College counselor to determine which course(s) to take.

Pass Along Petitions are available from the Santiago Canyon College Counseling Department and must be accompanied by the appropriate documentation.
6. Courses completed at foreign institutions are not acceptable except for certification of competence in a language other than English.
7. Completing IGETC prior to transfer is strongly recommended and can be advantageous in the admissions process. Partial certification is permitted if the student has completed all but two courses on the pattern. Please see a Santiago Canyon College counselor for guidelines.

In order to apply for any financial aid program, you must complete the FAFSA, the Free Application for Federal Student Aid, and mail it to the processor or apply online at www.fafsa.ed.gov by June 30, 2016. If you are required to use your parent(s) income information, refer to the federal IRS Income Tax Forms. New applications are available every January. Apply for an FSAID. Go to studentaid.ed.gov.

The state Cal Grant competition requires you to complete the FAFSA and to submit GPA verification. If you have completed 16 degree applicable units at Santa Ana College or Santiago Canyon College, your GPA will be sent electronically. If not, you will need to submit your high school GPA on the paper GPA Verification form. Cal Grant deadlines are March 2nd and September 2nd.

Once you have applied for financial aid, you will be notified by the processor with a Student Aid Report (SAR), giving you the Expected Family Contribution which determines your Pell Grant eligibility and BOGW C eligibility. The California Student Aid Commission will notify you of your Cal Grant eligibility. Each college you have listed on the FAFSA will mail you additional forms to be completed and turned into the Financial Aid Office. Check with the Financial Aid Office to see if you qualify for the Fee Waiver. After all required documents have been processed; you will be awarded the financial aid programs you are eligible for and an Award Letter will be mailed to you.

If your family circumstances have changed, due to illness, loss of a job, etc., ask about “Special Circumstances” that could affect your eligibility.

Withdrawals and Repayments of Financial Aid Funds

Federal regulations may require students to repay federal funds if they drop or withdraw from all classes or drop below half-time status, or are dropped by the instructor due to excessive absence. Based on the date of the COMPLETE WITHDRAWAL, the Financial Aid Office is required to determine the amount, if any, of “unearned” federal financial aid received by the student. A calculation will be completed to determine if the student will owe a refund.

Please refer to catalog for more information.

Try to successfully complete at least six units each semester, so that you are not required to pay back a portion of the funds you have received. Dropping below half-time will affect your award.

General Eligibility Requirements:

- Be a US citizen or eligible non-citizen.
- Have a high school diploma, pass the CAHSEE exam, GED completion or have a California Proficiency Certificate.
- Have a valid Social Security Number.
- Meet Satisfactory Academic Progress requirements.
