The Air Force One Pavilion features a presidential limousine and secret service suburban, a Marine One helicopter and a walk through the Air Force One airplane that served seven U.S. Presidents. Also, on view for a limited time, Egypt’s Lost Cities – an exhibition featuring 200 authentic artifacts from museums in Cairo and Alexandria that provide a greater understanding of life during the age of the pharaohs. On view will be gold coins, delicate ceramics, exquisite jewelry, bronze vessels, three colossal 16-foot statues and other ancient Egyptian artifacts. These items were recovered two decades ago by underwater archaeologist Franck Goddio and his team when they discovered the two ancient and forgotten cities of Thonis-Heracleion and Canopus which were lost to natural disasters and the rising tides of the Mediterranean Sea more than 1200 years ago! LANTERMAN, SIMON & STEARNS
Join us on this tour showcasing historic and beautiful sights of prominent figures who once lived in this area. In La Cañada-Flintridge, enjoy a docent-guided tour of the Lanterman House, a beautiful Craftsman-style home that has belonged to Dr. Roy Lanterman and his family for almost 100 years and is filled with all the original furniture and wardrobe of the First Lady of the house. Designed as a fireproof bungalow in 1915, the Lanterman House is purported to be the first home west of the Mississippi that was built with concrete and the result is a unique architectural treasure. Its exquisite original interiors include elaborate hand-painted walls and ceiling ornamentation. After time at leisure for lunch on your own at the many eateries in Old Pasadena, we’ll visit the Storrier Stearns Japanese Gardens – conceived in the 1930s as a private estate garden of one aristocratic Pasadena couple. On a docent-guided tour we’ll stroll through these lovely, pond-style gardens that are a delightful oasis, and feature a 15-foot waterfall, formal tea house and authentic bronze figures and lanterns. Later, enjoy time at leisure to browse the Norton Simon Museum, featuring one of the most remarkable private art collections ever assembled. Over a 30-year period, industrialist Norton Simon (1907–1993) amassed an astonishing collection of European art from the Renaissance to the 20th century, and a stellar collection of Indian and Southeast Asian art spanning 2,000 years. The museum also boasts an impressive Sculpture Garden. Suggested: walking shoes as there is considerable walking on uneven walkways. Departs from RSCCD Office 2323 N. Broadway, Santa Ana. LAVENDER & LINCOLN
We begin our day enjoying the delightful sights, scents and tastes of aromatic lavender during the annual Lavender Festival at the historic Highland Springs Ranch & Inn. Established in 1884 in Cherry Valley, this ranch sits in a lovely country setting that boasts sprawling olive groves, towering trees and 20 acres of organic lavender fields. This historic ranch has been visited by the likes of Wyatt Earp, Ernest Hemingway, Albert Einstein, Bob Hope and Elizabeth Taylor! Even after all these years, the ranch has preserved its history and retained the charm that has made it a destination for over 100 years! Enjoy your time at leisure to stroll through the lavender fields (California's largest organic lavender farm), view the sample garden (home of more than 90 varieties of lavender) and attend a distillation demonstration to learn how lavender oil is made and why it is such a remarkable herb. Enjoy live musical entertainment and delicious cuisine available for purchase. Enjoy your lunch on own, and perhaps purchase an iced lavender green tea or lavender latte to enjoy under the tall pines of the shady, park-like setting. The quaint artisan shops housed in the ranch's historic buildings boast wonderful local and organic farm products – everything from lavender and tea to honey and olives. This afternoon we'll visit the Lincoln Memorial Shrine in Redlands. Originally designed in 1932, the shrine contains some of the finest manuscripts and artifacts of Lincoln's time, not to mention the largest collection of Lincoln artifacts and Civil War material west of the Mississippi.
