Assembly Bill 540 (AB540) Dream Act Status Resolution

A Dream Act Application has been submitted to the California Student Aid Commission (CSAC). At this point, the SCC Financial Aid Office is trying to complete the verification process in order to determine your Cal Grant eligibility. You have not yet completed the AB540 Affidavit with the Admission and Records Office, which is a requirement for all Dream Act Applicants. You will need to resolve this issue in order for the Financial Aid Office to determine your eligibility for Cal Grant.

In order to obtain an AB540 status:

All students must file an affidavit with the college stating that the student meets the law’s requirements and, if the student is not a U.S. Citizen or legal permanent resident, that the student is either in the process of adjusting his or her immigration status or will do so as soon as he or she is eligible. By signing the affidavit, the student states that all information provided in the affidavit is truthful and accurate. Providing false information may lead to academic penalty or impair future attempts to change immigration status.

To resolve this issue:

Please update your residency status with the Santiago Canyon College’s Admission and Records Office by signing the affidavit (California Nonresident Tuition Exemption Request). Upon completing the affidavit, please turn in this form the SCC Financial Aid Office.

I have updated my status with the SCC Admission and Records Office by signing the affidavit
