### \*File Completion Date:

In order to receive disbursement of financial aid funds, each student must do these things before the File Completion Date:

- 1) Have an awarded financial aid file
- 2) Meet the eligibility requirements of the program being awarded
- 3) Meet the [Satisfactory Academic Progress](#) (SAP) requirements established by SCC FAO

To decline your 2020/21 awards, you must submit the [Cancellation/Decline Request](#) for to the SCC FAO PRIOR to the File Completion Date.

### \*\*Fund Process Date & Third-Party Servicer Information:

BankMobile is the 3<sup>rd</sup> Party Servicer for the Rancho Santiago Canyon College District (RSCCD). Students must set up a disbursement option with them in order to receive Financial Aid funds.

Making a disbursement selection with BankMobile is easy! Just login to your [WebAdvisor](#) and under the Financial Aid heading see "**Step Two: Choose your disbursement option (BankMobile).**" Follow the instructions on screen. Student must *actively make a selection of how they want their funds disbursed*. Mailing a check is not an automatic default until 21 days *after* the Funding Date. SCC highly recommends that students make their disbursement selection early to prevent any delays in receiving their funds. Your choices include deposit to an existing account or deposit to a BankMobile account. For a detailed explanation of choices and timing, please visit <https://bankmobiledisbursements.com/refundchoices/>

### **\*\*\*Federal and State Financial Aid Eligibility, Census Dates, Freeze Dates & Additional Important Information**

#### **Regarding Disbursements:**

All Federal Title IV and State Financial Aid Awards reflect the maximum full-time eligibility on student's individual award package. This is based on the assumption that students will be attending full-time (12+ units). At the time of disbursement, certain awards will be prorated based on student's actual enrollment. Intersession & Spring units are combined for certain programs.

Full Time Enrollment	12 or more units
Three-Quarter Time Enrollment	9 - 11.9 units
Half Time Enrollment	6 - 8.9 units
Less Than Half Time	1 - 5.9 units

The SCC FAO only disburses financial aid for classes actively in session and approved SAP Units. Classes that will start on a future date will not be disbursed until the class becomes active according on the next scheduled disbursement. (Wait-listed classes are not included in disbursements.) Classes that start after the **\*\*\*Federal Title IV Freeze Date** will not be counted as active units for disbursement. Any unpaid SCC mandatory fees will be deducted from disbursements, including balance from the Book Advance Program (see below).

- **Title IV Federal Aid** (All Title IV Aid will not be disbursed prior to the Admissions & Records census dates)
  - **Pell Grant & Supplemental Educational Opportunity Grant (SEOG)** – Uses the Title IV \*\*\*Freeze Date (Federal Pell Recalculation Date - PRD) to determine a student's enrollment status at the time of disbursement:
    1. Students who drop classes after receiving their 1<sup>st</sup> disbursement may receive a 2<sup>nd</sup> disbursement if they drop after the Title IV \*\*\*Freeze Date.
    2. Students who drop classes after receiving their 1<sup>st</sup> disbursement may owe back SEOG and/or Pell Grant if they drop prior to the Title IV \*\*\*Freeze Date.
    3. Students receiving their first disbursements after the \*\*\*Freeze date will be paid one disbursement based on current active units.
    4. All F Grades – Students who received all F Grades are considered an unofficial withdrawal and are subject to the Return of Title IV (R2T4) calculation. If all F Grades were unearned, the R2T4 calculation will be calculated at the midpoint (50%) of the payment period.
    5. Modules – Students who drop from a module or complete a module and drop from a subsequent module during a payment period, they are subject to the R2T4 calculation. Modules are classes that do not span the entire length of the term.
  - **Direct Loan** – Must be in 6 concurrent approved units at time of disbursement
- **State Financial Aid**
  - **Cal Grant & Student Success Completion Grant** – Is disbursed after the Admission & Records census dates by class with current active units. For more information, see [Cal Grant](#) section on the SCC FAO Website. SSCG funds are limited (they can run out); therefore, a disbursement is not guaranteed.

#### **Retroactive Disbursements (disbursement for prior term):**

- SCC will not be able to make a retroactive disbursement to Title IV programs if the student doesn't have a valid Estimated Family Contribution (EFC) result prior to the last date of enrollment.
- SCC will not be able to make a retroactive disbursement to Title IV programs after 180 days of the students last date of enrollment.

For more information about each award type, see the [Conditions of Acceptance](#) page on our website.

**Satisfactory Academic Progress (SAP):** After acceptance of an award, a student's eligibility may change due to an update to SAP, such as posting of a degree, or units transferred from previous schools, etc.

**Financial Aid Book Advance Program:** Students may utilize this program as long as they meet the conditions of their financial aid award resources. This may include Pell Grant, FSEOG, Cal Grant, SSCG, and Direct Loans. It is recommended that students utilize this program early and prior to 1<sup>st</sup> disbursement. Once a student's financial aid has been disbursed, the student will no longer be eligible for this book advance program. Refer to the [Book Advance Flyer](#) for more details.

**Has your address changed?:** Be sure to complete a "Change of Address" on your WebAdvisor User Account **AND** you must update your address with BankMobile ([www.BankMobileVibe.com](http://www.BankMobileVibe.com)).
