Unknown Location (Mismatch: OEC/CEC) for **2022-2023**

Thank you for applying for Financial Aid at Santiago Canyon College (SCC). Our Financial Aid Office has received your Free Application for Federal Aid (FAFSA) from the Federal Processing Center. However, our records indicate you selected either Orange Education Center (OEC) or Centennial Education Center (CEC) as your home location when you submitted your Admissions application. Based on this selection, our office is **unable to process your financial aid**.

To correct this, you may either:

- **Change your home location to Santiago Canyon College** on your school record by taking this letter to the SCC Admissions and Records office. Their staff will change the home location to SCC and complete the section on the bottom of this form. **Then you must return this form to the SCC Financial Aid Office** so we can correct our records and begin processing your financial aid file.

OR

- Make the change on your FAFSA to add the school code 001284 for Santa Ana College. You can do this online by going to fafsa.gov and under “**Returning User?**” follow the link to “**Add a School.**” After you do this, Santa Ana College Financial Aid Office can begin processing your financial aid once they receive your corrected FAFSA.
