

CONDITIONS OF FINANCIAL AID OFFER ACCEPTANCE

Requirements for Accepting the Financial Aid Offer

Funds on this Financial Aid Offer Notification are tentative and **based on full-time enrollment status in approved college credit classes**. Funds are subject to adjustment if you are enrolled in less than *full-time (12 units) and by your Expected Family Contribution (EFC) limitations.

ENROLLMENT STATUS	UNITS
*Full-time	12 or more
Three-quarter-time	9 to 11.9
Half-time	6 to 8.9
Less-than-half-time	Less than 6

Note: Intersession units are combined with Spring semester units for certain offers (see details in programs listed below).

To ensure your funds are disbursed, it is your responsibility to provide all documents requested by the Financial Aid Office and select a disbursement option through BankMobile on the your [WebAdvisor](#).

If you wish to decline any of your awards, you must submit the [Cancellation/Decline Request](#) Form to the SCC Financial Aid Office.

Certain funds require additional processing steps before acceptance and disbursement (for example, borrowing a Direct Loan). Read about each program you are offered where it is listed below.

A student can only receive aid at one school during any particular term. At Rancho Santiago Community College District (RSCCD) a student is only allowed to change their home institution after an award year is completed (no mid-year changes allowed). Financial Aid awards are accepted for the entire academic year.

Any unpaid mandatory student fees will be deducted from student's disbursement before they receive it.

BankMobile Disbursement Selection:

BankMobile is the third-party servicer for RSCCD. You must set up a disbursement option with them in order to receive Financial Aid funds.

To make a disbursement selection with BankMobile, just login to your WebAdvisor and under the Financial Aid heading see "Step Two: Choose your disbursement option (BankMobile)." Follow the instructions on screen. SCC highly recommends that you make your disbursement selection early to prevent any delays in receiving their funds.

Your choices include: Deposit to an existing account or Deposit to a BankMobile Vibe account. For a detailed explanation of choices and timing, please visit <https://bankmobiledisbursements.com/refundchoices/>.

If you do not select a disbursement option, your disbursement will be delayed and will default to a mailed check. If you receive a check, it is your responsibility to cash the check prior to the check stale-dating. If you fail to cash the check during the academic year for which it was issued, the funds will no longer be available for reissue.

Satisfactory Academic Progress (SAP) Policy

Santiago Canyon College (SCC) is required by federal regulations to establish a [Satisfactory Academic Progress Policy](#) (SAP). Students who do not meet the SAP standards will lose their eligibility for financial aid.

Financial Aid Book Advance Program

You may be eligible to use accepted financial aid funds to pay for your textbooks in advance of your disbursement date. You may only do this in-person at the SCC Bookstore. When at the SCC Bookstore, you

must have a valid SCC student ID card and a printout of your class schedule. If you choose to take advantage of this program, you must understand the following:

- You must meet the eligibility requirements of each of the particular programs to access your funds
- The purchase amount of your books will be subtracted from your financial aid prior to you receiving your funds
- You are responsible to pay for any bookstore charges that are more than your available financial aid
- If you drop out of your classes before the 60 percent term attendance date, you may owe the Federal/State government a refund of the funds they advanced you
- The Book Advance program may also be used for book rentals (*a credit card is required to secure the cost of book replacement for any book rentals not returned after the term ends*)
- You are responsible for any balance owed to the institution in the event that your anticipated financial aid does not cover your purchases for the transaction. And, any unpaid balance may result in an academic hold being placed on your records. Your unpaid account could be turned over to a collection agency

Please note:

- Returning a purchase? Transactions must be made at the campus Bookstore where the item being returned was originally purchased.
- No cash refunds will be issued for Bookstore purchases made against the Financial Aid Book Advance Program. Funds from returns will be credited back to you. Payments will be processed by the SCC Cashiers Office.
- **Absolutely no refunds/returns** will be issued after financial aid checks have been generated. Please refer to the Financial Aid check disbursement and SCC Bookstore return policy for further details.

Cancel or Decline Financial Aid Awards

If you wish to decline accepted awards you are eligible to receive, you must submit the SCC [Cancellation/Decline Request](#) Form to the SCC Financial Aid Office. This request is only valid for the current award year. Please note that grant eligibility is determined each year based on your FAFSA information; therefore, we cannot guarantee that you will continue to be eligible for these funds in future years.

Return of Title IV Funds (R2T4)

Federal Title IV financial aid funds are offered under the assumption that a student will remain in attendance for the entire semester for which the funds were offered. Students who officially or unofficially withdraw from some or all classes prior to completing units of enrollment during a pay period are subject to having their federal aid recalculated, and may be required to pay back funds they have received. These funds include Pell Grant, Supplemental Educational Opportunity (SEOG), and Federal Direct Loans.

A student's financial aid eligibility will be recalculated by our office if the following occurs:

- Student officially withdraws or drops all classes (initiated by student or instructor)
- Student unofficially withdraws by ceasing to attend all classes before the end of the semester; or receives all F grades

For more information, please visit the [Return of Title IV Funds policy](#) on the SCC website.

Overpayments

If you receive an overpayment, it must be re-paid. There are 3 different ways that you may find yourself in an overpayment situation:

1. Student selected for verification by the Department of Education *after* receiving Title IV disbursement.
2. Student drops class or classes after receiving their first disbursement (but does not drop all classes during the term) before reaching the 60 percent point of the term. They may be subject to an overpayment penalty per Federal Title IV regulations.
3. Income discrepancies caused by student revising their FAFSA due to conflicting information.

Financial Aid recipients are advised to consult with their SCC Financial Aid analyst before dropping classes, or making changes to their FAFSA.

Students who owe an overpayment must repay SCC within 45 days, or may have their Title IV debt turned over to the Department of Education. **Failure to comply with re-payment can result in loss of federal financial aid at any institution, not just SCC.**

New CCPG fee waiver Eligibility Standards

There are three ways that you could lose your eligibility for the CCPG fee waiver:

- **Academic – GPA of 2.0 or higher required** – If your cumulative GPA falls below 2.0 for two consecutive primary terms, you may lose your fee waiver eligibility
- **Progress – must successfully complete more than 50 percent of your attempted coursework** – If the cumulative number of units you complete is not more than 50 percent of the units you registered for, for two consecutive primary terms -- you may lose your fee waiver eligibility
- **Combination of Academic and Progress Standards** – Any combination of two consecutive terms of cumulative GPA below 2.0, and /or cumulative unit completion below 50 percent of attempted coursework, may result in loss of fee waiver eligibility

For additional information refer to the [CCPG Application](#) on the SCC Financial Aid website.

If you are eligible, your Pell Grant is automatically accepted for you. Check your status on [Self-Service](#).

Your Pell Grant is subject to a Lifetime Eligibility Usage (LEU) of 600% (that's up to 6 years of classes – as each year represents 100%). This means a student has 12 full-time semesters worth of Pell eligibility (subject to their annual FAFSA [Free Application for Federal Student Aid] assessment). You can log onto www.studentaid.gov and review your own percentage used to date.

Your Pell Grant amount will be pro-rated based on number of units you are enrolled in; and your EFC. For more information, see [Pell Grant](#) on the SCC Financial Aid website.

Students with less than 200% remaining who are planning to transfer to a four year university should consider taking a Leave of Absence (LOA). Maximum LOA is two years. However, a LOA does not guarantee renewal for the next academic year due to the annual Income & Asset Ceiling requirements (if your circumstances change, your eligibility could change).
