Pell Grant Lifetime Eligibility Used 600% or More

There is a limit to the total amount of Federal Pell Grant that a student may receive, which is the equivalent of 6 full-time academic school years. Based on information reported to the National Student Loan Data System (NSLDS) by the schools you have attended, you may have received a total amount of Pell Grant that **EQUALS** or **EXCEEDS** the cumulative total you are eligible to receive. You can log onto www.studentaid.gov and review your percentage used.

Based on the information from (NSLDS), you are **no longer eligible for Federal Pell Grant**; however you **may** still be eligible for other federal, state, and school financial aid. Please acknowledge your current status below and submit this form to the Santiago Canyon College (SCC) Financial Aid Office (FAO).

-
- I acknowledge that I am no longer eligible for Federal Pell Grant. I have reviewed my percentage used at the NSLDS website (www.studentaid.gov). *Any other eligible financial aid available to me will be processed by the SCC FAO accordingly. I understand that even if I meet the minimum eligibility requirements for a student loan, I must first complete the Direct Loan Appeal process. If my appeal is approved, I may then become eligible to receive a student loan.*

I have read and fully understand my Pell Grant Lifetime Eligibility used.
