### Meet Syed Rizvi, Vice President of Student Services

He's been in his new position as Vice President of Student Services for over a year, overseeing a mind-boggling number of changes to how Santiago Canyon College is funded and delivers services to its diverse student body. Read our interview [here](#).

### SCC Student Finds His Voice Through Filmmaking

Like many Santiago Canyon College (SCC) students, Marcus Albino, has an interesting story to tell. In 2013, at age twenty-one, he found himself homeless and forced to drop out of school. His personal experience led to an interest in filmmaking that took him all the way to Sundance, and, he hopes, a new career that will help create a more equitable world. Read more [here](#).

### A Whole New Meaning to Life-Long Learning

Charlotte Lonnee has been taking adult education classes at Santa Ana College and Santiago Canyon College since the late 1950's, and found friends, skills and good fun along the way. SCC recently helped her celebrate her 95 birthday and commitment to life-long learning. [Read more.](#)

### SCC International Film Festival Starts Friday, April 19

The 2019 International Film Festival, sponsored by SCC's Modern Languages Department and the Associated Student Government, will be held on three consecutive Fridays, starting on April 19 at 6:00 pm in D-101 with "Pulling Strings," a film in Spanish with English subtitles

directed by Pedro Pablo Ibarra. The other two films will be presented, same time and same place, on Friday, April 26 and May 3. Parking and admission are free, and refreshments will be provided. For more information, go to [www.sccollege.edu/internationalfilmfestival](http://www.sccollege.edu/internationalfilmfestival).

### BioScience Theater 3000 on Friday, April 26: "World War Z"

On Friday, April 26 at 6:00 pm in Room H-106, join SCC biotechnology professors for a viewing of the 2013 science fiction movie "World War Z." If you want to watch the movie uninterrupted, this event is NOT for you. Faculty will add running commentary to the film, separating scientific fact from fantasy. The event is free, but seating is on a first

come first served basis. For more information, go to [www.ocbiotecheducation.org/events](http://www.ocbiotecheducation.org/events)
